# Molina Medicare Complete Care (HMO D-SNP) 2023 Pharmacy Directory

**Section 3 - Pharmacy Introduction:** This booklet provides a list of Molina Medicare Complete Care's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Molina Medicare Complete Care's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means *Molina Healthcare Inc.* When it refers to "plan" or "our plan," it means *Molina Medicare Complete Care.*

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Molina Medicare Complete Care only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called "CVS Caremark Mail Service Pharmacy Program." For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the State of Utah for the counties of Box Elder, Cache, Davis, Iron, Salt Lake, Tooele, Utah, Washington, Weber; including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at (888) 665-1328 (TTY users should call 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time (Hours may vary per Open Enrollment)).

We also list pharmacies that are in our network but are outside Box Elder, Cache, Davis, Iron, Salt Lake, Tooele, Utah, Washington, Weber, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the service area of: Box Elder, Cache, Davis, Iron, Salt Lake, Tooele, Utah, Washington, Weber or, please contact us at (888) 665-1328, TTY users should call 711, 7 days a week, 8:00 a.m. to 8:00 p.m., local time (Hours may vary per Open Enrollment).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

All pharmacies listed in this directory are available in our Network. To locate a type of pharmacy within our network, please follow this organizational format where the pharmacy section begins:

- Retail Pharmacies, including Chain Pharmacies
- Mail Order Pharmacy
- Home Infusion Pharmacies
- Long-Term Care Pharmacies
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies
- Network Pharmacies outside the service area

The pharmacies listed in this directory are in alphabetical order by: county, city, zip code and name.

## Directorio de Farmacias del 2023

**Sección 3: Introducción sobre las farmacia:** En este cuadernillo, se proporciona una lista de las farmacias de la red de Molina Medicare Complete Care. Para obtener una descripción completa de la cobertura de sus recetas médicas, incluida la forma de surtir sus recetas médicas, revise la Evidencia de Cobertura y el formulario de Molina Medicare Complete Care.

Cuando en este Directorio de Farmacias se mencionan las palabras “nosotros”, “nos” o “nuestro”, se refiere a *Molina Healthcare, Inc.* Cuando se menciona “plan” o “nuestro plan”, se refiere *Molina Medicare Complete Care.*

A las farmacias que aparecen en esta lista las llamamos nuestras “farmacias de la red”, ya que hemos hecho acuerdos con ellas para que proporcionen medicamentos recetados a los miembros del Plan. Por lo general, Molina Medicare Complete Care cubre sus recetas médicas solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia por correo. Una vez que acuda a una farmacia, no es necesario que continúe acudiendo a la misma para surtir su receta médica, sino que puede cambiar a cualquier otra de nuestras farmacias de la red. En determinadas circunstancias, surtiremos las recetas médicas en farmacias fuera de la red según lo descrito en su Evidencia de Cobertura.

Es posible que no todas las farmacias de la red se incluyan en este directorio. Es posible que se hayan agregado o eliminado algunas farmacias de esta lista después de la impresión de este directorio. Esto significa que es posible que algunas farmacias incluidas en él ya no formen parte de nuestra red o que existan nuevas farmacias en nuestra red que no estén incluidas. Esta lista es válida a partir del 11/2023. Para obtener la lista más reciente, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y en la contraportada.

Puede recibir medicamentos recetados enviados a su hogar a través del programa de envío de pedidos por correo de nuestra red, llamado “Programa de Servicio de Farmacia por Correo de CVS Caremark”. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este Directorio de Farmacias.

### Total Count/Cuenta total: 1

You can get prescription drugs shipped to your home through our network mail order delivery program which is called “CVS Caremark Mail Service Pharmacy Program”.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program “Auto Refill and Renewal”. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us “14 days” before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling (866) 467-5461; TTY users should call 711. We are available 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (866) 467-5461; TTY users should call 711. We are available 24 hours a day, 7 days a week.

Puede recibir medicamentos recetados enviados a su hogar a través del programa de envío de pedidos por correo de nuestra red, llamado “Programa de Servicio de Farmacia por Correo de CVS Caremark”.

Nos comunicaremos con usted antes de enviar cada renovación para verificar si necesita más medicamentos. Puede cancelar las renovaciones programadas si tiene una cantidad suficiente de medicamentos o si estos cambian. Si decide no utilizar el programa de renovación automática, comuníquese con nosotros 14 días antes de la fecha en que considera que se le terminarán los medicamentos que le quedan a fin de garantizar que su siguiente pedido se envíe con tiempo. Para dejar de participar en el programa de resurtido automático, comuníquese con nosotros llamando al (866) 467-5461. Los usuarios de TTY deben llamar al 711. Las 24 horas del día, los 7 días de la semana.
