We have interpreters who will help you to talk to your doctor and understand what he or she tells you. They will speak your language and are free of charge. We can also assist you in translating information provided by the health plan including your benefits, grievance and appeals process, or other materials.

If you need an interpreter call Member Services at **1-888-483-0760** and we will get one for you.

YOUR PERSONAL PHYSICIAN

Molina Healthcare of Utah does not require you to choose a Primary Care Provider (PCP) or personal doctor. However, there are a lot of good reasons to have a personal physician who sees you for most of your medical care. Some of these reasons include:

- Your personal physician knows you and your medical history the best.
- You and your personal physician manage your medical needs from one place.
- Your personal physician will help you get the care you need when you need it.
- If you need to see a specialist, your personal physician will send you to the right doctor.
- Your medical information from the specialist will be given to your personal physician.

Having a personal physician is especially helpful for people with special health care needs. Other benefits include:

- Better care of chronic problems.
- Better access to needed care.
- Better care coordination.
- Better prevention of diseases.

If you would like help finding a personal physician, please call our Member Services Department at **1-888-483-0760**.

HOW TO GET VISION CARE

Regular eye exams are important. These exams allow your March Vision Care (MVC) doctor to find and treat potential eye problems early. This can happen even before you notice any problems. Follow these simple steps when you are ready to use your MVC benefit:

1. Find a MVC Doctor

- Call a representative toll free at **(888) 493-4070**;

2. Call a MVC Doctor

- Make an appointment;
- Tell the doctor you are a Molina Healthcare member;
- Give your identification number to the doctor (this number is on your Member identification card);
- Your MVC doctor will check with Molina Healthcare to see if the service is covered. If the service is not covered, your MVC doctor will let you know.

3. After your Eye Exam

- Your MVC doctor will discuss your eyewear and/or treatment options with you.
- Please be sure to review your Medicaid benefits so you understand which services Medicaid will pay for.

REFERRALS

You do not need a referral to see a Molina Specialist. However, you can see a specialist sooner if your personal doctor sends you to one. For help choosing a Molina specialist, call Member Services at **1-888-483-0760**.

Remember: You must show **BOTH** your state Medicaid card and your Molina Healthcare card any time you need medical care.

Routine Care is not covered out of the Molina Service area.

HOW TO GET EMERGENCY CARE SERVICES

An emergency is when an average person, untrained in medical care feels like he or she is having severe pain, illness or injury which **would lead to disability, permanent harm or death if not treated right away.** Examples of emergency conditions are:

- Chest pains
- Difficulty breathing
- Severe bleeding
- Shock

If you have an emergency, IMMEDIATELY call 911 or go to the nearest emergency room. If you have an urgent medical need, and are not sure if it is an emergency, please call your Molina doctor and he or she will tell you what to do. If your Molina doctor is not available, a doctor taking calls for him or her can help you or there will be a message telling you what to do. If you have an urgent matter that does not threaten your life, you can also call Molina Healthcare's Nurse Advice Line at **1-888-275-8750**, 24 hours a day, 7 days a week.

Important: You may be charged a \$6.00 co-pay if you are seen in the emergency room when it is not an emergency. You will not be charged a \$ 6.00 co-pay if you are 17 or younger or if you are pregnant. Examples of non-emergent conditions are:

- Cough
- Cold
- Sore throat
- Rash

If you are not sure if it is an emergency call your Molina doctor.

Always carry your State Medicaid Card and your Molina Healthcare member ID card with you. Show both cards when seeking emergency care. Never seek routine, non-emergency care through an emergency room. Ambulances are only provided in the event of a medical emergency.

URGENT CARE

“Urgently needed care” is when you need medical care right away and can't get in to see your regular doctor. In these cases, your health is not in serious danger, but you need care right away.

Some medical problems need to be taken care of quickly, but are not “emergencies.” Some examples are:

- Cuts that need stitches
- High fevers
- Sprains and strains
- Burns that are not life threatening
- Severe vomiting

Call your Molina doctor anytime for urgent care. If your Molina doctor cannot see you, someone there will tell you what to do. You can also go to any urgent care facility that accepts Medicaid. If you have an urgent matter that does not threaten your life, you can also call Molina Healthcare's Nurse Advice Line at 1-888-275-8750, 24 hours a day, 7 days a week. If you need help finding an urgent care facility, call Member Services at **1-888-483-0760**.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

POISON EMERGENCY

When you think you or someone you know has a **poison or possible poison exposure emergency**, call **1-800-222-1222**. If someone is not breathing, call 911 *now*.

The poison control center has specially trained staff on duty all of the time. They can answer questions about poison emergency or possible poison exposure. They will provide immediate treatment advice for any kind of poisoning concern.

Examples of a poison emergency:

- Swallowed household cleaning chemical
- Splashed chemical in the eye
- Chemical on skin
- Breathed fumes after mixing chemicals together or after a gas leak
- Took too much (overdose) or the wrong medication or supplement
- Bad reaction to medication

OUT OF AREA EMERGENCY AND URGENT CARE

If you are traveling and have an **emergency**, go to the nearest emergency room for care. Show both your State Medicaid card and your Molina Healthcare card.

Remember to call Molina Healthcare and report your emergency within 48 hours or have the emergency room staff call Molina Healthcare.

Do not use the emergency room for **routine** care. If you do, you may have to pay a \$6.00 co-pay and Molina Healthcare may not pay the rest of the bill. If you are traveling and have an **urgent problem** (a problem that is not an emergency, but you can't wait until you get home), you may go to an urgent care clinic. You may also go to any primary care doctor where you are. Be sure to show your State Medicaid ID card and your Molina Healthcare ID card.

AFTER HOURS CARE

Your Molina doctor's office has a doctor "on-call" in the evenings, at night, on weekends, and on holidays. If you have a problem after regular office hours, call your Molina doctor's office and talk with the doctor on-call. Tell the doctor about your problem, and follow the doctor's instructions. The Molina doctor may ask you to come to the office or may refer you to an Urgent Care Clinic or emergency room. Be sure to tell the doctor that you are a Molina Healthcare member.

Remember do not use the emergency room for routine care or after hours care that is not an emergency. You may have to pay \$6.00 co-pay and Molina Healthcare may not pay the bill.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

PAYMENT FOR SERVICES

CO-PAY/CO-INSURANCE

You may have a co-pay or co-insurance due at the time you receive medical care if the care you are getting is a covered benefit. If you do have a co-pay, it will be printed on the State Medicaid ID card you receive monthly. **Please take your co-payment with you when you go to the doctor or he or she may not see you.** If you are admitted to the hospital and have a co-insurance, the hospital will help you to make a plan to pay for it. **You do not have to pay if you are 17 or younger or if you are pregnant.**

You may have to pay for a service you received if:

- You get a service that is not covered by Molina Healthcare; or
- You get a service that is not pre-approved by Molina Healthcare; or
- You do not go to a Molina Provider; or
- You get a non-emergency service from a doctor or hospital that is not a provider with Molina Healthcare.

(If any of the above four things happen, the provider might ask you to pay for the service. You should only be billed if you signed in writing that you would pay for the service, before you received the service.)

Accessing Care

You also might have to pay for a service you receive if:

Accessing Care

WELL CHILD/CHEC SERVICES

CHEC stands for Child Health Evaluation and Care. CHEC is Utah's Medicaid Program for children from birth to age 21. Molina Healthcare wants to help you keep your children healthy. Many health problems begin during childhood. The good news is that most of these problems can be prevented through early exam and treatment. Well child/CHEC services are not covered under the Non-Traditional plan.

If you have children under the age of 21, please call your Molina doctor or Member Services to get information about CHEC services. Molina Healthcare provides all CHEC services including well child, shots, and exams. Our goal is to make sure that your children stay healthy and grow up to become healthy adults.

Children may need other types of care. Some of this care may be for physical, occupational, speech therapy, medical equipment, including wheelchairs or nurses in the home. Your doctor needs to call Molina Healthcare for approval for these services before you can get them.

SPECIAL SERVICES FOR ADULTS

Molina Healthcare provides some routine care that does not have to be approved. This includes mammograms, pap smears, prostate exams, etc. that help members stay as healthy as possible. These tests help your doctor find and treat any health problems you may have before they become serious.

PRE-NATAL AND MATERNITY CARE

Early medical care is very important to the health of pregnant women and their baby's. Even if you are only thinking about having a baby, call your Molina doctor. Benefits

EXPERIMENTAL OR INVESTIGATIONAL MEDICAL PRACTICES

Experimental or investigational medical practices are **NOT** a covered benefit of the Utah Medicaid Program. Therefore, Molina does **NOT** cover those services.

REVIEW OF NEW TECHNOLOGY TO INCLUDE AS A COVERED BENEFIT

New ways to treat illnesses are being developed every day. Because of this, Molina Healthcare of Utah has a process to review new treatments to better care for our members. The process starts when Molina becomes aware of, or there is a request for, the use of a new treatment. Our Medical Director or the Molina New Technology Committee reviews the new treatments.

We look at a lot of information in order to make a good decision about any new treatments, we look at a lot of information. For example, we look at medical studies, government documents (such as Food and Drug Administration (FDA) bulletins) and the opinions of specialists. If we decide that the new treatments will help our members, we ask the State Medicaid program to see if it can become a covered benefit.

PRESCRIPTION DRUGS

The State Medicaid Program covers prescription drugs. When you take your prescription to the pharmacy, remember to show your current State Medicaid card. Call the Medicaid information line at **801-538-6155** or **1-800-662-9651** with any questions about prescription medications

What happens after I choose a health plan or PCP?

The health plan or PCP (Primary Care Provider) you chose will be printed on your monthly Medicaid card. You will receive information from the health plan that will explain what services are offered and how to use them.

What other things do I need to know?

1. **Always check your Medicaid card** and make sure the information is correct.
2. **Always show your current Medicaid card** to your doctor or other health care provider *before* receiving treatment. You will need a referral to see a doctor other than your PCP if a PCP prints on your card.
3. **If you have a health plan and choose to see a doctor or another health care provider who is not part of the plan, you may have to pay the bill yourself.**
4. **Some Medicaid services are not paid by your health plan such as dental and pharmacy.** You must receive those services from a provider who will accept your Medicaid card.
5. **Use the hospital Emergency Room (ER) only for emergencies. If it is not an emergency you may have to pay the bill yourself. Get urgent care from your primary care physician (PCP).**
6. **Keep all of your medical appointments.** If you need to cancel or reschedule an appointment, call the office at least 24 hours in advance. You may be charged for a missed appointment or the provider may refuse to keep you as a patient.
7. **Save your old Medicaid cards for 12 months.** They are proof that you are eligible for Medicaid.
8. For questions about your **eligibility** or if you **didn't get your Medicaid card** or have lost it call 1-866-435-7414.

Appeals and Fair Hearing Rights

You may feel a service or bill was denied unfairly. You have the right to question these decisions. You have the right to a Fair Hearing.

- Call your health plan to talk about the problem. Many times the problem can be taken care of easily.
- If there are still problems, contact your health plan to request an appeal.
- You can call your HPR to talk about the problem.
- If you don't have a health plan, you can talk to your HPR.
- You can ask for a Fair Hearing with the State by calling 801-538-6155 or 1-800-662-9651.

GRIEVANCE SYSTEM

GRIEVANCE, COMPLAINTS, AND APPEALS

ACTIONS

What are actions? An action is when Molina Healthcare:

- Denies (turns down) or approves less care than you wanted; or
- Decreases the amount of care or ends care we had already approved. (If you agree with the change in your treatment, it is not an action. This is only an action if you tell us that you do not want the change); or
- Denies payment for care that you might have to pay for; or
- Your doctor does not give you an appointment within the required amount of time; or
- Does not take care of an Appeal or Grievance you filed with us as soon as we are supposed.

You will know that the health plan is taking an action because we will send you a letter called a Notice of Action. You may Appeal the action.

MEMBER MEDICAL APPEALS

What is an Appeal?

An Appeal is when you write us and ask us to look at the action again to see if the right decision was made.

Who can file an Appeal?

You, your authorized representative, or your doctor may file an Appeal. If the doctor files for you, you must give your written permission. We will include an Appeal form with your Notice of Action letter. If you need help filing an Appeal, please call the Appeals Coordinator at **(801) 858-0400 extension 170454**.

When does an Appeal have to be filed?

Your Notice of Action letter will give you all the information on the Appeal process, including how soon you must tell us you want to Appeal the action. In some cases, you must let us know within **10 calendar days** and in other cases, within **30 calendar days** of the date on the Notice of Action letter. We will let you know which time frame applies.

If you ask to keep getting medical care related to your Appeal or during a Medicaid State fair hearing, you may have to pay for this care. You would only have to pay for the care if your Appeal or the State fair hearing decision is not in your favor.

Molina Healthcare will usually be able to give you a written decision within **30 calendar days** after we get your Appeal. Sometimes, we need more time to make the decision. We will let you know in writing if we need more time to get more information. You may also want us to take more time for some reason. If so, let us know. An extension of **14 calendar days** is possible if you agree.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

Other Services

EXPEDITED (QUICK) APPEAL

A quick (expedited) appeal is available if your healthcare provider (doctor) feels you need immediate attention. This kind of appeal will be completed quickly in no more than 72 hours (3 calendar days) after we get the request.

STATE FAIR HEARINGS

What may I do if I am unhappy with Molina's Appeal decision?

If you are unhappy with our decision on your Appeal, or we cannot make a decision on your Appeal as soon as Medicaid wants us to, this is what you may do. You, your authorized representative, or your doctor may ask for a State fair hearing with Medicaid.

In this case, we will tell you in a letter that you may request a State fair hearing. The letter will tell you how and when to request the State fair hearing. We will also give you the form to use if you want to request a State fair hearing. You must mail this request to the address on the form within 30 days of the date on the letter.

COMPLAINTS/GRIEVANCES

What if I have a complaint about Molina?

If you have a complaint about anything other than an action (see above), this is called a grievance. A few examples of grievances include the quality of care or services given to you, rudeness of a doctor, or a Molina staff person not respecting your rights.

How do I file a grievance?

You, your authorized representative, or your doctor may file a grievance. You can file a grievance by doing any one of the following:

- You may call Member Services at **1-888-483-0760** and tell us about your grievance, or
- Make an appointment with our Member Services so you can talk with us in person,

Or

- File your grievance in writing at:
Molina Healthcare of Utah
ATTN: Member Services
7050 S. Union Park Avenue, Suite 200
Midvale, Utah 84047

When will Molina Healthcare tell me the decision about my grievance?

We try to make a decision about your grievance right away; sometimes we can resolve the problem while you are on the phone. If not, we will give you a decision within **45 calendar days** after we get your grievance. We will either talk to you about our decision, or we will send you a letter. If you gave us your grievance in writing, we will send you a letter back about our decision.

Sometimes we may not be able to let you know our decision within **45 calendar days (for instance, we may need to get more information or talk to your doctor)** and we will ask for **14 more calendar days** to resolve your grievance. If this is the case, we will let you know in writing why we need more time. You may also want us to take more time for some reason. If so, let us know.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

APPEALING A COMPLAINT OR GRIEVANCE

If I do not agree with the decision, what are my rights?

You have the right to Appeal any decision that resulted in an adverse action (a decision that you disagree with). An example of this would be if you were told that you could not change doctors when you wanted to. In this case, you will get a Notice of Action letter, about your complaint, which will include an Appeal form and tell you what to do.

In some cases, you may not have the right to Appeal a grievance. For example, if your doctor was rude, there is no adverse action (a decision that you disagree with) to Appeal. Even so, we will follow-up on the grievance. In this case, we will let you know that an Appeal is not necessary.

When does an Appeal of a Grievance have to be filed?

Your Notice of Action letter will give you all the information on the Appeal process, including how soon you must tell us that you want to Appeal the action. You must let us know within **30 days of the date** on the Notice of Action letter.

Molina Healthcare will usually be able to give you a written decision within **15 calendar days** after we get your Appeal. Sometimes, we need more time to make the decision. We will let you know in writing if this is the case. YOU may also want us to take more time for some reason. If so, let us know.

EXPEDITED (QUICK) GRIEVANCE APPEAL

When you, your doctor or we think it is important to make a decision on your Grievance Appeal quickly, this is called an Expedited (quick) Grievance Appeal. We will usually make a decision within **72 hours (3 calendar days)**.

STATE FAIR HEARINGS

What may I do if I am unhappy with Molina's Appeal decision?

If you are unhappy with our decision on your Appeal, or we cannot make a decision on your Appeal as soon as Medicaid wants us to, this is what you may do. You, your authorized representative, or your doctor may ask for a State Fair hearing with Medicaid.

In this case, we will tell you in a letter that you may request a State Fair hearing. The letter will tell you how and when to request the State Fair hearing. We will also give you the form to use if you want to request a State Fair hearing. You must mail this request to the address on the form.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.
