# Welcome to Molina Complete Care

This provider directory lists the doctors and specialty physicians in your area who work with Molina Complete Care (MCC). These providers make up our network and serve Commonwealth Coordinated Care Plus members, including Medicaid Expansion members. We also list the names and locations of hospitals, clinics, pharmacies, laboratories and behavioral health providers. For each provider we will list affiliations, accommodations for people with disabilities, addresses, phone numbers, websites and whether they are accepting new patients.

We are always working to add new providers and facilities to our network. To see the most current list, use the Find a Provider or Pharmacy tool on our website at [www.MCCofVA.com](http://www.MCCofVA.com).

## Important phone numbers

Member Services	<p>1-800-424-4524 (TTY 711)</p> <p>We're here Monday through Friday from 8 a.m. to 8 p.m. local time.</p>
NurseLine & Behavioral Health Crisis Line	<p>1-800-424-4524 (TTY 711)</p> <p>24/7 access to nurses and behavioral health professionals to help answer questions you have about your physical and behavioral health.</p>

## Your primary care provider (PCP)

A PCP is a doctor chosen by you who meets state requirements and is trained to give you basic medical care. If you do not have a PCP, we can help you find one in your community. Your PCP could be a family practice provider, internal medicine provider or pediatrician (for children). Women can also choose to have an OB/GYN as their PCP.

If you do not select a PCP by the 25<sup>th</sup> of the month before the effective date of your coverage, MCC will automatically select one for you. You may call MCC's Member Services at any time to change your PCP. You may continue to see your current PCP for up to 30 days if he or she is not in our network. At the end of the 30-day period, if you do not choose a PCP in the MCC network, we will assign a PCP to you.

Make sure to call your PCP to set up your or your child's first appointment. Regular checkups each year help you stay healthy. Your PCP is also the first person to call when you're sick.

## **Network pharmacies**

These are drug stores that have agreed to fill prescriptions for MCC members. Unless you have an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help pay for them. You will find a list of network pharmacies in this directory. Please call Member Services for help finding a pharmacy near you.

## **Specialist visits**

Your PCP is who you should see for most of your healthcare needs. Sometimes you might need specialty care from a doctor who provides care for a specific disease or part of the body. Most specialist providers are in our network.

MCC does not require referrals to see specialist providers. However, some specialists that are in the network do require a referral from your PCP. The only time MCC would need a service to be prior authorized would be if the PCP is referring you to a non-participating provider.

## **Behavioral health services**

We know that staying healthy is not just about your body. Many people struggle with behavioral health challenges such as depression, anxiety or misuse of drugs and alcohol.

That's why we provide access to behavioral health services. Some behavioral health services are covered through Magellan of Virginia, the Behavioral Health Services Administrator (BHSA). Member Services can help you get the services you need, including those covered through the BHSA.

You can get help finding a behavioral health or substance abuse provider by calling Member Services. You can also find a list of behavioral health providers in this directory. You do not need a referral for substance abuse appointments. Through our Behavioral Crisis Line, someone is available to help you 24 hours a day, seven days a week.

## **Where to go for emergency care**

An emergency is a sudden or unexpected illness, severe pain, accident or injury that could cause serious injury or death if it is not treated right away.

If this happens to you or your child, call 911 or go to the closest emergency room right away. You do not need to call MCC first. You do not need to get pre-approval from us for emergency services. You can go to any hospital for emergency care, even if you are in another city or state. Tell them you are an MCC member and show them your member ID card.

## **Where to go for urgent care**

Urgently needed care is for a sudden illness, injury or condition that isn't an emergency, but needs care right away. For example, you may have an existing condition that worsens and needs treatment right away. Other examples of things you would get urgent care for are skin rashes, infection, flu, sprains and fever.

If you need urgent care during the work day, call your PCP. If you're not able to get an appointment with your PCP, or if it's after-hours, you can go to one of the urgent care centers we work with. There is a section in this directory that lists urgent care centers.

When you are outside the service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

## Emergency transportation

If you are having a medical emergency and need a ride, call 911. We will pay for emergency transportation.

## Get a ride to your covered services

Need a ride to your medical appointments? Please try to get a family member, friend or neighbor to help you get to your appointment. If you aren't able to find a ride, we'll help you get there. Call us at 1-800-424-4524 (TTY 711) to set up a ride. Please call at least 72 hours before your appointment.

## How to use this directory

There is information on each of the listings to help you decide what provider or facility is best for you. If you have any questions about the information, or need help, please call Member Services.

There are symbols that appear after each provider name. Here is what they mean:

♿	Disability Accessible.
◆	Accepting New Patients.
✓	Provider proficient in a language(s) in addition to English.

The following information is listed under each provider's name and address:

**NPI:** This is the National Provider Identifier number for Medicaid services.

**License number:** This is the provider's license number.

**Phone:** This is the phone number to reach the provider's office.

**URL:** This where to find the provider's website.

**Languages:** This tells you what languages the provider speaks.

**Hours:** This is a list of the provider's business hours throughout the week.

# Bienvenido a Molina Complete Care

Este directorio de proveedores enumera los médicos y médicos especializados en su área que trabajan con Molina Complete Care (MCC). Estos proveedores conforman nuestra red y prestan servicios a los miembros de Commonwealth Coordinated Care Plus, incluidos los miembros de Medicaid Expansion (Expansión de Medicaid). También enumeramos los nombres y ubicaciones de hospitales, clínicas, farmacias, laboratorios y proveedores de salud conductual. Para cada proveedor enumeraremos afiliaciones, adaptaciones para personas con discapacidades, direcciones, números de teléfono, sitios web y si aceptan nuevos pacientes.

Siempre trabajamos para agregar nuevos proveedores y centros a nuestra red. Para ver la lista más actualizada, use la herramienta Buscar un proveedor o farmacia (Find a Provider or Pharmacy) en nuestro sitio web, en [www.MCCofVA.com](http://www.MCCofVA.com).

## Números de teléfono importantes

Servicios al Miembro	1-800-424-4518 (TTY 711)  Trabajamos de lunes a viernes de 8 a. m. a 8 p. m. hora local
Línea para crisis de salud conductual y CareLine	1-800-424-4518 (TTY 711)  Acceso las 24 horas, los 7 días a la semana, a enfermeras y profesionales de la salud conductual para ayudarlo a responder preguntas sobre su salud física y conductual.

## Su proveedor de atención primaria (PCP)

Un PCP es un médico elegido por usted que cumple requisitos fijados por el Estado y está capacitado para brindarle atención médica básica. Si no tiene un PCP, le podemos ayudar a encontrar uno en su comunidad. Su PCP puede ser un proveedor de medicina familiar, un proveedor de medicina interna o un pediatra (para niños). Las mujeres también pueden elegir tener un obstetra/ginecólogo como su PCP.

Si no selecciona un PCP antes del día 25.º del mes anterior a la fecha de entrada en vigencia de su cobertura, MCC seleccionará automáticamente uno para usted. Puede llamar a Servicios al Miembro de MCC en cualquier momento para cambiar su PCP. Puede continuar viendo a su PCP actual por hasta 30 días si él o ella no está en nuestra red. Al final del período de 30 días, si no elige un PCP de la red de MCC, le asignaremos un PCP.

Asegúrese de llamar a su PCP para programar su primera cita o la de su hijo(a). Los chequeos regulares cada año lo ayudan a mantenerse saludable. Su PCP también es la primera persona a quien llamar cuando esté enfermo.

## **Farmacias de la red**

Estos son establecimientos de venta de medicamentos que han convenido en surtir medicamentos recetados a los miembros de MCC. A menos que tenga una emergencia, usted debe surtirse de sus medicamentos en una de nuestras farmacias de la red, si usted desea que nuestro plan le ayude a pagar por esos medicamentos. Encontrará una lista de farmacias de la red en este directorio. Llame a Servicios al Miembro para obtener ayuda para encontrar una farmacia cercana.

## **Consultas a especialistas**

Su PCP es la persona a quien debe consultar para la mayoría de sus necesidades de atención médica. A veces puede necesitar atención especializada de un médico que brinda atención para una enfermedad específica o parte del cuerpo. La mayoría de los proveedores especialistas está en nuestra red.

MCC no requiere derivaciones para ver proveedores especializados. Sin embargo, algunos especialistas que están en la red requieren una derivación de su PCP. La única vez que MCC necesitaría que un servicio sea autorizado previamente sería si el PCP lo deriva a un proveedor no participante.

## **Servicios de salud conductual**

Sabemos que mantenerse saludable no es solo sobre su cuerpo. Muchas personas luchan con desafíos de salud conductual como la depresión, la ansiedad o el uso indebido de drogas y alcohol.

Es por eso que brindamos acceso a servicios de salud conductual. Algunos servicios de salud conductual están cubiertos a través de Magellan of Virginia, el administrador de servicios de salud conductual (Behavioral Health Services Administrator, BHSA). Servicios al Miembro puede ayudarlo a obtener los servicios que necesita, incluidos los cubiertos a través del BHSA.

Puede obtener ayuda para encontrar un proveedor de salud conductual o abuso de sustancias llamando a Servicios al Miembro. También puede encontrar una lista de proveedores de salud conductual en este directorio. No necesita una derivación para citas de abuso de sustancias. Alguien estará disponible para ayudarlo las 24 horas del día, los siete días de la semana a través de nuestra Línea de Crisis Conductual.

## **Dónde acudir para recibir atención de emergencia**

Una emergencia es una enfermedad, dolor intenso, accidente o lesión repentina o inesperada que podría causar lesiones graves o la muerte si no se trata inmediatamente.

Si esto le sucede a usted o a su hijo(a), llame al 911 o vaya a la sala de emergencias más cercana de inmediato. No debe llamar a MCC primero. No necesita obtener una aprobación previa de nosotros para los servicios de emergencia. Puede usar cualquier hospital en caso de emergencia incluso si está en otra ciudad o estado. Dígales que es miembro de MCC y muéstreles su tarjeta de identificación de miembro.

## Dónde acudir para recibir atención urgente

La atención que se necesita con urgencia es aquella que usted obtiene para tratar una enfermedad repentina, una lesión o una condición que no es una emergencia pero que necesita atención de manera inmediata. Por ejemplo, puede tener una afección existente que empeora y necesita tratamiento de inmediato. Otros ejemplos de cosas por las que recibiría atención urgente son erupciones en la piel, infección, gripe, esguinces y fiebre.

Si necesita atención urgente durante el día laboral, llame a su PCP. Si no puede obtener una cita con su PCP, o si es fuera del horario de atención, puede ir a uno de los centros de atención urgente con los que trabajamos. Hay una sección en este directorio que enumera los centros de atención urgente.

Cuando se encuentre fuera del área de servicio, usted podría no recibir atención por parte de un proveedor de la red. En ese caso, nuestro plan cubrirá la atención que se necesita con urgencia que reciba de cualquier proveedor.

## Transporte en caso de emergencia

Si está ante una situación de emergencia médica y necesita transporte, llame al 911. Nosotros pagaremos el transporte en caso de emergencia.

## Obtenga transporte para sus servicios cubiertos

¿Necesita ir a sus citas médicas? Intente conseguir un familiar, amigo o vecino que lo ayude a llegar a su cita. Si no puede encontrar a alguien que lo lleve, nosotros le ayudaremos. Llámenos al 1-800-424-4518 (TTY 711) para programar un viaje. Llame con al menos 72 horas de anticipación a su cita.

## Cómo utilizar este directorio

Hay información en cada uno de los listados para ayudarlo a decidir qué proveedor o establecimiento es mejor para usted. Si tiene alguna pregunta sobre la información o necesita ayuda, llame a Servicios al Miembro.

Hay símbolos que aparecen después de cada nombre de proveedor. Esto es lo que quieren decir:

	Discapacidad accesible.
	Acceptando Nuevos pacientes.
	Proveedor competente en un idioma (s) además del inglés.

La siguiente información se incluye bajo el nombre y dirección de cada proveedor:

**NPI:** Este es el número de Identificador Nacional del Proveedor para los servicios de Medicaid.

**Número de licencia:** Este es el número de licencia del proveedor.

**Teléfono:** Este es el número de teléfono para comunicarse con el consultorio del proveedor.

**URL:** Aquí es donde encontrará el sitio web del proveedor.

**Idiomas:** Esto le indica los idiomas en los que habla el proveedor.

**Horario de atención:** Esta es una lista de horarios de atención del proveedor a lo largo de la semana.
