The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit our website at <u>MolinaMarketplace.com</u> or call 1-888-858-3492. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 1-800-318-2596 to request a copy.

| What is the overall deductible?                                      | \$8,000/Individual or \$16,000/Family <u>Deductible applies to Emergency room care, Prescription Drugs outpatient facilities and inpatient settings.</u>                            | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .                                                                                                                                                               |
| Are there services covered before you meet your deductible?          | Yes. Preventive care, Family Planning, Pediatric Vision, Hospice, Home Healthcare services and Formulary Preventive Prescription Drugs are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                     |
| Are there other deductibles for specific services?                   | No.                                                                                                                                                                                 | You don't have to meet <u>deductibles</u> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For <u>network providers</u> \$8,150 individual / \$16,300 family; for <u>out-of-network</u> <u>providers</u> there is no coverage unless Prior Authorized by Molina Healthcare.    | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.                                                                                                                                                                                                                                                                              |
| What is not included in the <u>out-of-pocket limit?</u>              | Premiums, balance-billing charges, and health care this plan doesn't cover.                                                                                                         | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See MolinaMarketplace.com or call 1-888-858-3492 for a list of network providers.                                                                                              | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist?                          | No.                                                                                                                                                                                 | You can see the specialist you choose without a referral.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

## **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
