Molina Dual Options STAR+PLUS MMP's Quality Improvement Plan and Program

Your health is important to us. We want to hear how we are doing. That's why you may receive a survey about Molina Dual Options STAR+PLUS MMP and your health care services. One of these surveys is call CAHPS®. CAHPS® stands for the Consumer Assessment of Healthcare Providers and Systems. This survey asks questions about your health care. It asks about the care and services you receive from us. We may send you a few questions about how we are doing. We want to know what is important to you. Please take the time to complete the survey if you receive it. We review the past year of service to check our progress. We may send you a survey to get your opinion.

We also use another tool called HEDIS® to improve care. HEDIS® stands for Healthcare Effectiveness Data and Information Set. HEDIS® is used every year to measure quality. We collect information on services that you may have received. This includes clinical and non-clinical care. These services include:

- Annual exams
- Diabetes care
- Mammogram screenings (x-rays of the breast)
- Medication management
- Pap tests

- Making sure you get prenatal care and after-delivery care if you are pregnant
- Remind you to get Pap tests and mammogram screenings if needed
- Addressing any member complaints

How We Work with Providers to Make Choices About Your Care

Some medical services require approval, or authorization, for us to cover the cost. We work with your provider to determine whether you need these services. Making choices about your care based on your need and benefits is called Utilization Management (UM). We do not reward providers or others to deny coverage for services you need. We do not pay extra to providers or Molina Dual Options STAR+PLUS MMP UM staff to make choices that result in giving less care. For members with Long Term Services and Supports (LTSS) needs, someone with LTSS experience, training and education makes decisions about services.

If you have a question about our UM process or rulings, call Member Services at (866) 856-8699, TTY: 711,

Monday - Friday, 8 a.m. to 8 p.m., local time, except holidays. We can accept collect calls. If you need help in your language, a bilingual staff member or interpreter is available at no cost to you. We also offer TTY services for members with hearing or speech disabilities. Please leave a message including your phone number if you call after 5 p.m. or during the weekend. We will return your call within one business day. Member Services may also call to talk about UM issues. If Member Services calls you, they will use their name, title, and Molina Dual Options STAR+PLUS MMP name.

Your Right to an Advance Directive

All Molina Dual Options STAR+PLUS MMP members have the right to accept or refuse treatment offered by a provider. But what if you are not able to tell the provider what you want? To avoid decisions that may be made against your will, it is important to have an Advance Directive.

An Advance Directive is a legal form that tells medical providers the kind of care you want if you cannot speak for yourself. You can write an Advance Directive before you have an emergency. This keeps other people from making important health decisions for you if you are not well enough to make your own. There are different types of Advance Directive forms. Some examples are:

- Power of Attorney for Health Care
- Living Will

It is your choice to complete an Advance Directive. No one can deny you care based on whether or not you have an Advance Directive. For help making decisions about your care, talk with someone you trust, like a family member or friend. You can also talk with your lawyer or PCP if you have questions or would like to complete an Advance Directive form.

Call Member Services at (866) 856-8699, TTY: 711 for details on how to obtain Advance Directive forms that comply with applicable state laws.

If you have signed an Advance Directive and you believe the provider has not followed your instructions, you may file a complaint. Visit [MolinaHealthcare.com/Duals](https://www.molinahealthcare.com/Duals) or call Member Services for details.
