# Welcome to Molina Healthcare

Thank you for choosing Molina Healthcare! Ever since our founder, Dr. C. David Molina, opened his first clinic in 1980, it has been our mission to provide quality health care to everyone. We are here for you. And today, as always, we treat our members like family.

This provider directory lists the providers in Molina Healthcare's network. It is important to remember that you must receive all health care services covered by Molina Healthcare from in-network providers.

- Our network provider's name(s), phone numbers, addresses, gender, board certification, specialty, hospital affiliations, medical group affiliations, languages spoken by the physician or clinical staff and if accepting new patients
- Primary care providers, specialists, urgent care centers and hospitals
- Dentists

## Find Your Doctor

Your Primary Care Provider (PCP) knows you well and takes care of all your medical needs. It's important to have a doctor who makes you feel comfortable. It's easy to choose one with our Provider Directory, which is a list of doctors. You can pick a doctor for you and another for other Molina members in your family, or one who sees all of you.

Schedule your first visit to get to know your doctor. Call Molina Healthcare at (888) 999-2404 if you need help making an appointment or finding a doctor. If you do not choose a doctor, Molina will do it for you. Molina will choose a doctor based on your address, preferred language and doctors your family has seen in the past.

## How to Choose a Primary Care Provider (PCP)

It is important to choose a Primary Care Provider (PCP) to manage all your health care. You can choose one from the list of doctors accepting new patients, as marked in the Molina Healthcare Provider Directory. HMO doctors are sensitive to the needs of many cultures. Visit MyMolina.com to choose your PCP, or call Member Services for help.

When you need care, call your PCP first. Your PCP will help you decide if you need to see another doctor or specialist. If needed, your PCP will give you a referral. Remember, you should get approval from your PCP before you see another doctor.

Women may choose a women's health specialist, such as an Obstetrician or Gynecologist (OB/GYN) or nurse midwife, without a referral from their PCP. Women may also choose one of these women's health specialists as their PCP.

## **What if I Want to Change my Primary Care Provider?**

If for any reason you want to change your primary doctor, go to MyMolina.com. You can also call Member Services at (888) 999-2404.

## **How to Get Specialty Care and Referrals**

If you need care that your PCP cannot give, he or she will refer you to a specialist who can. Talk with your PCP to be sure you know how referrals work. If you think a specialist does not meet your needs, talk to your PCP. Your PCP can help you if you need to see a different specialist. There are some treatments and services that your PCP must ask Molina Healthcare to approve before you can get them. That is called a "pre-authorization." Your PCP will be able to tell you what services require this approval.

If we do not have a specialist in Molina Healthcare who can give you the care you need, we will get you the care you need from a specialist outside Molina Healthcare. Getting a referral from your PCP ensures your health care is coordinated and all your providers know your health care goals and plans.

For members requesting care from a specialist outside the network, your PCP or the specialist you are seeing needs to request prior approval of specialty care or services from Molina Healthcare via fax or phone call. This request for prior approval must be done before any treatments or tests take place. If a request for specialty care is denied by Molina Healthcare, we will send you a letter within three days of the denial. You or your PCP can appeal our decision. If your PCP or Molina Healthcare refers you to a provider outside our network, you are not responsible for any of the costs. Molina Healthcare will pay for these services.

## **Urgent Care**

Urgent care is care you need sooner than a routine doctor's visit, but it is not emergency care. Do not go to a hospital emergency room for urgent care unless your doctor tells you to go there. Some examples are:

- Bruises
- Minor burns
- Minor cuts
- Most broken bones
- Most drug reactions
- Bleeding that is not severe
- Sprains

You must get urgent care from Molina Healthcare doctors unless you get our approval to see a non-Molina doctor. Do not go to a hospital emergency room for urgent care unless you get approval from Molina Healthcare first. If you need urgent care, call Member Services.

## **What is an Emergency?**

An emergency needs to be taken care of right away. You don't need approval for an emergency. If you need emergency care, try to go to a Molina Healthcare provider for help. If your condition cannot wait, go to the nearest

provider (hospital, doctor, or clinic). If the emergency is very severe and you're unable to get to the nearest provider, call 911 or your local police or fire department emergency services.

If you must go to a non-Molina hospital or provider tell Molina Healthcare what happened as soon as you can. Remember, hospital emergency rooms are for true emergencies only. Unless you have a true emergency, call your doctor or our 24-Hour Nurse Advice Line number at (888) 275- 8750 or (866) 648-3537 (Español), (TTY: 711). Your PCP or advice nurse can talk to you about your medical problem. We will tell you where you can get care.

If you are not sure whether you need to go to the emergency room, call your PCP or Molina Healthcare's 24-Hour Nurse Advice Line at (888) 275-8750 or (866) 648-3537 (Español), (TTY for the hearing impaired: (800) 947-3530). Your PCP or the Molina Healthcare Nurse Advice Line can talk to you about your medical problem and give you advice on what you should do.
