These ratings were based on information collected from health plans in 2021.

The information was reviewed for accuracy by independent auditors.

Health plan performance scores were not adjusted for differences in their member populations or service regions.

Performance area definitions

Getting care

- Members have access to a doctor
- Members report they get the care they need, when they need it

Keeping kids healthy

- Children in the plan get regular checkups
- Children get important immunizations
- Children get the appropriate level of care when they are sick

Keeping women and mothers healthy

- Women get important health screenings, such as cervical cancer screenings
- New and expecting mothers get the care they need

Preventing and managing illness

- The plan helps its members keep long-lasting illness under control, such as asthma, high blood pressure or diabetes
- The plan helps prevent illnesses with screenings and appropriate care

Ensuring appropriate care

- Members receive the most appropriate care and treatment for their condition

Satisfaction with care provided to children

- Members report high ratings for doctors, specialists and overall health care

Satisfaction with plan for children

- Members report high ratings for the plan's customer service and the plan overall
