Important update from Molina Healthcare –

Good Morning,

This is a reminder to regularly review the AHCCCS Exclusion List before hiring, contracting, or partnering with any individual or organization providing services to AHCCCS members.

AHCCCS will deny prior authorizations and claims if they involve an excluded entity or individual. To avoid any issues, please ensure compliance by checking the exclusion list frequently.

Sec. 36-2930.05(E), exclusion means that items and services furnished, ordered, or prescribed by the excluded entity will not be reimbursed by AHCCCS, its contractors, or agents.

For full details on exclusions, please review A.A.C. R9-22-1802.
