As of November 1, 2009 the Healthy Families co-payments have increased for subscribers with household incomes above 150 percent of the Federal Poverty Level. (Premium Categories B and C) as listed below:

- \$5 to \$10 for applicable covered services, excluding Emergency Health Care Services and Prescription Drugs.
- \$5 to \$10 for Generic Prescription Drugs
- \$5 to \$10 for Brand Name Prescription Drugs, unless no generic is available or the brand name drug is medically necessary.
- \$5 to \$15 for Emergency Health Care Services (waived if the member is admitted to the hospital)

Copayments for Healthy Families Program subscribers with household incomes at or below 150 percent of the Federal Poverty Level remain at \$5 where copayments are required.
