

Physician and Staff Language Capabilities Form

The State of Californian has enacted guidelines to ensure that patients receive health care services in their preferred languages. For each member of your staff and for each language other than English spoken by that staff member, please complete the survey below. Please use the evaluation guidelines on this form to determine your level of fluency for each language in speaking, reading and writing.

If English is the only language spoken by you or your staff, please check here. ☐ **English Only**
