 - **Qualified face-to-face interpreter services** at medical appointments for complex care including: some medical or surgical procedures or tests, end-of-life care, cancer care, organ transplants, behavioral health appointments, initial physical therapy, hearing loss appointments, and other appointments as directed by a medical director.
 - **Qualified sign language interpreter services** at medical appointments to all deaf and hard of hearing members.
- Molina needs 3-5 working days' notice to identify a qualified sign language or face-to-face preferred language interpreter.
- Molina cannot guarantee the availability of an interpreter at all times, however we will try our best to have an interpreter at the member's appointment.

Affordable Care Act (ACA) Section 1557 Compliance

- Section 1557 of the ACA requires that all limited English proficient (LEP) beneficiaries' language access needs be met for all medical appointments.
- To refuse an LEP beneficiary access to language services is a violation of that individual's civil rights.
- The ACA also prohibits providers from requesting a beneficiary to provide his or her own interpreter or rely on a staff member who is not qualified to communicate directly with the LEP individual.
- Please remember it is never permissible to ask a minor, family member, or friend to interpret.
- Molina complies with the guidance set forth in the final rule for Section 1557 of the ACA, which includes instructions for accessing language services in significant member materials.
