COVID-19 Skilled Nursing Facilities Guidance

This is an advisory notification to Molina Healthcare of California (MHC) network providers regarding COVID-19 Skilled Nursing Facilities Guidance.

California Department of Public Health (CDPH) provides Skilled Nursing Facilities (SNF) with expectations to implement Coronavirus Disease 2019 (COVID-19) interim guidance for all residents. Elderly persons and those with chronic medical conditions may be at higher risk for severe illness and death from COVID-19.

All California SNFs should take steps to:

1. Prevent introduction of COVID-19 into their facility;
2. Detect COVID-19 in their facility;
3. Receive residents with suspected or confirmed COVID-19 infection;
4. Care for residents with suspected or confirmed COVID-19 infection; and
5. Prevent spread of COVID-19 within their facility.

Please reference CDPH All Facilities Letter (AFL) 20-25.1 for preparing for COVID-19 in SNF released on March 20, 2020 at:

<https://www.cdph.ca.gov/Programs/CHCQ/LCP/Pages/AFL-20-25-1.aspx>.

SNFs should also reference the interim guidance for transfer of residents with suspected or confirmed COVID-19 provided by CDPH AFL 20-33 released on April 1, 2020 at:
