

Authorization Process Change to Molina Healthcare of Florida, Inc.

J-Code Authorization Policy

Dear Participating Provider:

Effective April 1, 2019, Molina Healthcare of Florida, Inc. will require prior authorization for J-codes for all participating providers via different form and fax number.

Please fax a completed J-Code Prior Authorization Request Form along with any supporting clinical documentation to fax number: 1-866-236-8531. Please be advised that additional CPT codes may require a separate Prior Authorization through the Utilization Management Department via Pre-Service Request Form. Our prior authorization forms can be found on our website: MolinaHealthcare.com.

Medications/services that will continue to be submitted to the Utilization Management Department via Pre-Service Request Form are:

- Heparin Sodium
- Thyrogen
- Lexiscan
- Immunizations
- IUD Contraceptives
- Inpatient requests or 23-hour Observation Infusion Therapy
- Medications that are used for Testing/Diagnostic/Stimulation Tests/Operational Procedures

Prior authorization is required to be submitted via J-Code Prior Authorization Request Form before services are rendered for the following (but not limited to) J-Codes:
