## **Changes to Claim Submission Process for All Elective/Emergent Abortion Procedures**

Molina Healthcare of Illinois (Molina) is informing providers of changes to the claim submission process for abortion services.

All abortion services for managed care participants will be state-only funded beginning November 1, 2019. With this change, **all** claims with a date of service of November 1, 2019 and after, that contain abortion procedures must be billed directly to the Illinois Department of Health and Family Services (HFS). This applies to claims submitted for participants covered under a HealthChoice Illinois managed care plan, as well as traditional fee-for-service.
