By requesting prior authorization, the provider is affirming that the services are medically necessary; a covered benefit under the Medicare and/or Medicaid Program(s), and the servicing provider is enrolled in those programs as eligible for reimbursement. As a condition of authorization, for services that are primary to Medicare, the out-of-network provider agrees to accept no more than 100 percent of an amount equivalent to the Medicare Fee-For-Service Program allowable payment rates (adjusted for place of service or geography) set forth by CMS in effect on the Date(s) of Service, and any portion, if any, that the Medicaid agency or Medicaid managed care plan would have been responsible for paying if the Member was enrolled in the Medicare Fee-For-Service Program. The Medicare Fee-For-Service Program allowable payment rate deducts any cost sharing amounts, including but not limited to co-payments, deductibles, co-insurance, or amounts paid or to be paid by other liable third parties that would have been deducted if the Member was enrolled in the Medicare Fee-For-Service Program. If the service is primary to Medicaid, the out-of-network agrees to accept no more than the amount equivalent to the Medicaid Fee-For-Service Program allowable payment rates set forth by the State of Illinois in effect on the Date(s) of Service, less any applicable Member co-payments, deductibles, co-insurance, or amounts paid or to be paid by other liable third parties, if any. Molina Healthcare will not reimburse providers for services that are not deemed medically necessary. Servicing providers also recognize that Molina Healthcare members are not to be balanced billed for any uncollected monies for covered services pursuant to Medicare and Medicaid billing guidelines.
