Provider Memorandum

Ambulance Billing Effective January 1, 2020

Beginning January 1, 2020, Molina Healthcare of Illinois (Molina) transportation providers will be required to bill ambulance claims directly to Molina instead of Secure Transportation.

Ambulance Claims
All ambulance claims (emergent or non-emergent) with dates of service on or after January 1, 2020, should be billed to Molina for processing. This change is specific to ambulance (PT 70) claims only.

Non-Ambulance Transportation Claims
Transportation providers with a Medicar (PT 71) NPI, taxicab (PT 72) or other transportation (PT 73) code should bill Secure Transportation for all services.

Watch for More Information
Prior to January 1, 2020, we'll be posting additional memos with details on claim submission and more important information.
