

Provider Memorandum

Important Updates to Prior Authorization Requirements

Molina Healthcare of Illinois (Molina) will begin requiring prior authorization for all services relating to sleep studies, effective April 1, 2018. Previously, Molina allowed one sleep study per calendar year without authorization.

The following sections within the codification list have the following addition of codes and will require a prior authorization effective April 1, 2018

Code Category	Require prior authorization effective April 1, 2018
Sleep Studies (Medicare/Medicaid)	95800, 95801, 95805, 95806, 95807, 95808, 95810, 95811
Sleep Studies (Medicare)	95803

Prior authorization may be required for certain services before Members are able to receive services, except in the case of emergency. Providers may review the Prior Authorization Codification List for a comprehensive listing of Healthcare (HCPCS) codes that require a prior authorization. Providers may access the Prior Authorization Codification List by visiting www.MolinaHealthcare.com and clicking on "I'm a Health Care Professional" and then searching the "Frequently Used Forms" section. Providers filling out prior authorization forms should include all pertinent information and medical notes if applicable.

Providers who have questions, concerns or would like more information on prior authorizations may contact their Provider Network Manager or the Provider Network Manager Department at (630) 203-3965 or via email at IllinoisProviders@MolinaHealthcare.com.
