From: Passport Health Plan by Molina Healthcare  
Date: January 6, 2021  
To: Passport Providers

### **Background:**

Effective January 1, 2021, Passport Health Plan by Molina Healthcare (Passport) is changing its medical and behavioral health claims payment system to improve the delivery of our services.

Beacon Health Options will no longer be used for behavioral health services on or after January 1, 2021. For behavioral health acute inpatient claims (revenue codes 114, 124, 134, 144, 154 or 116, 126, 136, 146, 156), if the **admit date is prior to January 1, 2021** but crosses over, you will need to bill services on a single claim form and submit to [Beacon](#). For claims with **dates of service with admission beginning January 1, 2021 and after**, please follow the action request below.

### **Provider Action Needed:**

Passport's **Payer ID 61325** will not change for claims submissions, however, for eligibility and claims inquiry, for dates of service on or after January 1, 2021, the ID has changed:
