

Just the Fax

A fax bulletin from Molina Healthcare of Michigan (MHM) December 18, 2018

New Prescriptions Required for Molina Healthcare - Members who use Tronvite, Taliva, Lorid, or Folika-T -

Molina Healthcare will no longer cover Tronvite, Taliva, Lorid, or Folika-T.

Members who were receiving Tronvite, Taliva, Lorid, or Folika-T will require a new prescription for a Molina formulary option before they receive their next fill. Molina Healthcare covers the following alternative products:

- Vol-Care Rx
- Dialyvite
- Rena-Vite
- Vita-Bee/C
- Folbee Plus Tablet
- Nephro-Vite Tablet
- Nephro-Vite Rx Tablet
- Nephronex-SL Tablet
- Virt-Vite Plus Tablet
- Vitamin B Complex with Vitamin C

Please submit an electronic prescription or fax a new prescription to your patient's pharmacy. Molina covers the above list of products without an authorization.

Questions

If you have pharmaceutical-related questions, a pharmacy representative is available to assist you Monday through Friday, from 8 a.m. to 5 p.m. Call (888) 898-7969, press 1, and then select the pharmacy department. At the pharmacy menu, press 2 (Prior Authorizations or Claim Override), to talk to a representative.

Providers with other questions may contact their provider network managers or email the provider network management department at MHMProviderServicesMailbox@MolinaHealthCare.com
