

ADA ATTESTATION LETTER

Date:

Dear Contracted Provider:

The American Disabilities Act (ADA) requires providers to make reasonable access and accommodations for all persons with disabilities. Molina Healthcare has been visiting contracted primary care provider (PCP) and specialty care provider service locations to verify core elements of ADA compliance for the Medicare-Medicaid Alignment Initiative (MMAI), Integrated Care Program (ICP) and Family Health Plan (FHP) programs.

To assist with completing the assessments in time to publish ADA compliant provider service locations, Molina Healthcare is providing you with the opportunity to self-attest to the below ADA standards. **Please check the applicable box next to each standard, have the designated representative sign and return the attestation to Molina Healthcare within 15 days of receipt of this letter.**
