Should an unlisted or miscellaneous code be requested, medical necessity documentation and rationale must be submitted with the prior authorization request. Molina requires PA for all unlisted codes except 90999 does not require PA.

STERILIZATION NOTE: Federal guidelines require that at least 30 days have passed between the date of the individual's signature on the consent form and the date the sterilization was performed. The consent form must be submitted with claim.

IMPORTANT INFORMATION FOR MOLINA HEALTHCARE MEDICAID PROVIDERS

Information generally required to support authorization decision making includes:

- Current (up to 6 months), adequate patient history related to the requested services.
- Relevant physical examination that addresses the problem.
- Relevant lab or radiology results to support the request (including previous MRI, CT Lab or X-ray report/results)
- Relevant specialty consultation notes.
- Any other information or data specific to the request.

The Urgent / Expedited service request designation should only be used if the treatment is required to prevent serious deterioration in the member's health or could jeopardize the enrollee's ability to regain maximum function. Requests outside of this definition will be handled as routine / non-urgent.

- If a request for services is denied, the requesting provider and the member will receive a letter explaining the reason for the denial and additional information regarding the grievance and appeals process. Denials also are communicated to the provider by telephone, fax or electronic notification. Verbal, fax, or electronic denials are given within one business day of making the denial decision or sooner if required by the member's condition.
- Providers and members can request a copy of the criteria used to review requests for medical services.
- Molina Healthcare has a full-time Medical Director available to discuss medical necessity decisions with the requesting physician at 1 (888) 898-7969
