

Dear Provider,

Molina Healthcare of Mississippi is happy to announce a partnership with ProgenyHealth, a company which specializes in Neonatal Care Management Services throughout the first year of life. This is an exciting opportunity. ProgenyHealth's care management program will enhance services to our members and support our mission to make a lasting difference in our members' lives by improving their health and well-being.

Under the agreement that begins 7/1/2021, ProgenyHealth's Neonatologists, Pediatricians and Neonatal Nurse Care Managers will work closely with Molina Healthcare of Mississippi members, as well as attending physicians and nurses, to promote healthy outcomes for Molina Healthcare of Mississippi premature and medically complex newborns.

The benefits of this partnership to you:

- The support of a team who understands the complexity and stress of managing infants in the NICU and will work with you to achieve the best possible outcomes
- A collaborative and proactive approach to care management that supports timely and safe discharge to home
- A company that believes in sharing best practices and works with NICUs nationwide to improve the health outcomes of our next generation

Families will have a dedicated case manager who will give support and education to members in the program. Also, they will be able to access an extensive online library and an "on-call" staff member available 24/7. For our hospitals, ProgenyHealth will serve as a liaison for Molina Healthcare providing inpatient review services and assisting with the discharge planning process to ensure a smooth transition to the home setting.

Your process for notifying Molina Healthcare of Mississippi of infants admitted to a NICU or special care nursery will remain the same. Molina Healthcare of Mississippi will notify ProgenyHealth of admissions and their clinical staff will contact your designated staff to perform utilization management and discharge planning throughout the inpatient stay.
