

Molina Healthcare of Nebraska, Provider Notice

Introduction to Performant Healthcare Solutions

11/25/2025

Molina Healthcare of Nebraska has entered into an agreement with Performant Recovery, Inc. d/b/a Performant Healthcare Solutions conduct claim auditing of DME, Skilled Nursing Facilities, and Home Health providers

Provider audits are carried out to ensure that billing practices are appropriate, and the plan has been charged appropriately for covered services that are medically necessary. The audits are targeted to begin in the first quarter of 2026.

Performant Healthcare Solutions has a team of experienced auditors from various backgrounds, such as registered nurses, coding specialists, claims operations experts, network managers, quality experts and contract managers and more. They will work closely with your staff to create plans, strategies, and activities aimed at preventing errors and improving the claims payment process.

If you have general questions about this communication, please contact our Provider Relations Team at NEProviderRelations@MolinaHealthcare.com.
