

Molina Healthcare of Nebraska, Provider Notice

Inclusion of Providers in the Provider Directory

09/12/2025

Molina Healthcare of Nebraska is implementing changes to the process by which healthcare providers are selected for inclusion in the Provider Directory. This adjustment aligns with recent guidance issued by the Nebraska Department of Health and Human Services (DHHS) and supports our efforts to ensure transparency and equitable access to care for Medicaid recipients.

Effective immediately, Molina will list all participating providers in the Provider Directory with the following exceptions granted:

- Tribal Health entities
- Non-selectable provider roles such as: Hospitalists, Ambulance Services, Emergency Medicine, Anesthesiology, Radiology, Pathology, Critical Care
- Provider Types (license or specialty) that are not credentialed

Please note: **Roster submissions that indicate a provider wishes to “opt out” of the directory will no longer be honored.**

Providers may access the online directory by selecting “Find a Doctor or Pharmacy” at our website www.molinahealthcare.com/providers/ne/medicaid/home.aspx.

We appreciate your collaboration as we implement these updates to ensure compliance and improved member access.

If you have general questions about this communication, please contact our Provider Relations Team at NEProviderRelations@MolinaHealthcare.com.
