

**Molina Healthcare News Bulletin**  
**Billing for Telemedicine Services**

Providers (“distant sites”) and Recipients/Patients (“originating sites”) of Telemedicine Services:

Molina Healthcare of New Mexico, Inc. (Molina Healthcare) follows the Centers for Medicare and Medicaid (CMS) rules when billing for Telemedicine, and requires providers to bill accordingly. To help ensure that your Telemedicine claims are processed timely and accurately, it is important to use appropriate procedure codes and modifiers. Please follow these simple steps:

- Bill procedure code **Q3014** without a modifier for the facility fee (originating site); and
- Bill appropriate **procedure code** with modifier **GT** (examples **90833 GT, 99213 GT, etc.**) **appended** for all professional fees.

For more information regarding Telehealth Services, Molina Healthcare is including the CMS Rural Health Fact Sheet Series brochure in this Bulletin.

Please contact your dedicated Provider Service Representative toll free at (800) 377-9594 with any questions.
