

PROVIDER BULLETIN

A bulletin for the Molina Healthcare of Ohio provider networks

Restricted Medicaid Coverage Periods

A Restricted Medicaid Coverage Period (RMCP) is a period of time that Long-Term Care (LTC) services will not be paid for by Medicaid due to an improper transfer of assets on the part of the Medicaid recipient. For more information on RMCPs, please see Ohio Administrative Code ([OAC](#)) [5160:1-6-06.5 Medicaid: Restricted Medicaid Coverage period](#).

Effective June 1, 2018, in accordance with OAC regulations, Molina Healthcare will not authorize or pay claims for LTC services for a member that is placed under a RMCP for the duration of the restriction. These services include home and community based waiver services as well as Nursing Facility custodial stays.

Recipients who are placed under a RMCP will be notified by the County Department of Job and Family Services. Molina Healthcare is required to contact Molina Healthcare Medicaid or MyCare Ohio members placed under an RMCP to notify them of the restriction and to provide important information and resources the member can access during that time.

Any members placed under a RMCP should be referred to their local [County Department of Job and Family Services](#) at http://jfs.ohio.gov/County/County_Directory.stm for questions about their restriction.
