

- IMPORTANT NOTICES -

All Non-Par Providers require authorization regardless of services or codes.

Any exceptions included in this document apply to PAR Providers only.

These codes are for Out-Patient services only.

All In-Patient admits/services require Prior Authorization (PA), including: Elective, Acute Hospital, Skilled Nursing Facilities (SNF), Rehabilitation and Long Term Acute Care (LTAC) Facilities.

No PA required for office visits or office-based procedures at Participating Network Providers.

No PA required for emergency services.

Office visits to Network Specialists require a referral from a participating Primary Care Provider.

Some services listed may not be covered by the Centers for Medicare and Medicaid (CMS) or your local State Regulatory Agency.

The absence of a code from this list should not be used to determine whether a service is covered or not by your regulatory agency.

Refer to your regulatory agency for benefit coverage and non-covered codes.

PA is not a guarantee of payment for services. Payment is made in accordance with a determination of the member's eligibility on the date(s) of service, benefit limitations or exclusions and other applicable standards during the claim review, including the terms of any applicable provider agreement.
