Update: ODM Testing with MCPs to Prepare for PMF

Information for all Community Behavioral Health Center providers

The Ohio Department of Medicaid (ODM) and the Ohio Department of Mental Health and Addiction Services (OhioMHAS) will be discontinuing the Universal Roster soon and moving forward with using one system, Medicaid Information Technology System (MITS), as the primary source of provider enrollment and affiliation information.

It is imperative that Community Behavioral Health Center (CBHC) providers update MITS with accurate information so that it is shared with all Managed Care Plans (MCPs) via the daily Provider Master File (PMF). There are several steps CBHC providers should take in order to achieve the single system goal, including:

- View the ODM training presentation and webinar recordings for step-by-step instructions on how rendering practitioners can enroll in MITS, become affiliated with their employing agency and make changes to licenses, provider specialties and names.
- Review the online CBHC Practitioner Enrollment File for correct provider type, specialty and affiliation, and make any updates in MITS.

Update for providers with Dual Specialties: Providers with dual specialties should enroll in MITS with the higher scope or license as their primary specialty. The provider can then add the dual specialty using the 699 specialty to indicate a second enrollment.

Prior to discontinuing the Universal Roster, ODM will be performing testing with each of the MCP to ensure each plan is prepared to accept the PMF. ODM will communicate when the Universal Roster is officially discontinued and will provide additional guidance on next steps.

For additional information visit the ODM Behavioral Health (BH) website and under "MITS BITS & Newsletters" select "Testing with Managed Care Organizations to Prepare for PMF Only."

ODM DEA DATA 2000 Waiver Trainings

Information for all network providers

To help address the opioid crisis in the State of Ohio, the Ohio Department of Mental Health and Addiction Services (OhioMHAS) is offering free Drug Enforcement Administration (DEA) Drug Addiction Treatment Act (DATA) 2000 waiver trainings through April 2020.

This is a free 1.5-day training open to all physicians, nurse practitioners and physician assistants who hold an Ohio license and a current DEA number. Physicians who attend the 1.5-day training, obtain their waiver and fulfill reimbursement criteria will receive $1,300. Nurse practitioners and physician assistants who attend the 1.5-day training, complete an additional online component, obtain their waiver and fulfill reimbursement criteria will receive $750. All attendees will also receive free Continuing Medical Education (CMEs). Itinerary includes:

- Day 1: American Society of Addiction Medicine (ASAM) provides waiver training
- Day 2: Focus on implementation of Medication-Assisted Treatment (MAT) into practice that includes a waivered physician speaking on MAT

Behavioral Health Recoupment Process
Information for all Community Behavioral Health Center providers

Outstanding AR Advances Recoupment Process: In Feb. 2019, Molina made advance payments to CBHC, provider types 84 and 95, who were identified as having outstanding AR for denied claims submitted with July 2018 dates of service. On Nov. 1, 2019 Molina began first dollar claim recoupment of these advances until funds are recovered.

Contingency Funds Recoupment Process: In June 2018 advance payments were made available through the ODM and MCPs to CBHCs (provider types 84 and 95) that needed assistance to transition to managed care billing during the Behavioral Health (BH) Redesign and Integration.

ODM has been working with MCPs regarding the BH Redesign progress and claims payments. Based on this progress, ODM has continued working with providers and MCPs to finalize repayment plans for the remaining advance payments. ODM will continue to work with providers to develop individualized repayment plans. Recoupment will begin when agreement is reached with ODM and a date to begin recoupment is established.

For additional information visit the ODM BH website and under "MITS BITS & Newsletters" select "Medicaid Advance Payment Agreements and the Initiation of Repayment." For additional details on the advance payment in June 2018, select "Contingency Plan for Behavioral Health Providers – Medicaid Managed Care Advance Payment Agreements."

Opioid Treatment Program now a Medicare Part B benefit
Information for MyCare Ohio and Medicare network providers

Effective Jan. 1, 2020, Opioid Use Disorder (OUD) treatment services provided by Opioid Treatment Programs (OTPs) are now covered as a Medicare Part B benefit (Medical Insurance).

Centers for Medicare & Medicaid Services (CMS) and Molina Medicare will pay registered Opioid Treatment Programs through bundled payments for OUD treatment. For Molina MyCare Ohio members who get OUD services through Medicaid benefits now, Molina's Medicare portion of member benefits will be the primary payer for OUD services when rendered by CMS OTP registered providers.

In order to bill and receive payment for Medicare covered opioid use disorder treatment services at an OTP facility, the OTP provider must be:

1. Certified and accredited by SAMHSA and,
2. Enrolled in the Medicare program as a Medicare OTP provider

Behavioral Health Provider Manual

On Nov. 27, 2019, the Behavioral Health (BH) Provider Manual was updated by ODM and OhioMHAS. Visit the ODM BH website to view the updated manual.

Behavioral Health Timely Claim Submission
Information for all Community Behavioral Health Center providers

On July 1, 2019, CBHC providers passed the initial 365 days of claims being submitted to the MCP. Timely filing requirements may impact claims going forward. For additional information, please visit the ODM BH website and under "Provider," select "Overview" and "MITS Bits." Read "Reminder About Timely Claim Submission" to learn about:
- Claims Submitted to Medicaid Managed Care Plans
- "Fee-for-Service" Claims Submitted to MITS

Active Medicaid ID Number

In order to comply with federal rule 42 CFR 438.602, providers are required to have enrolled or applied for enrollment with ODM at both the group practice and individual levels by Jan. 1, 2019.

Providers without a Medicaid ID number will need to submit an application to ODM. Enrollment is available through the MITS portal or providers can start the process at https://medicaid.ohio.gov. Upon future notice by ODM, Molina will begin denying claims for providers that are not registered and known to the state.
