

Providers: Are you ready for value-based payments? Learn skills you'll use every day—and earn CME credit!

Molina Healthcare is excited to offer free online continuing medical education (CME) for Primary Care Providers who are contracted to provide services for Molina Medicare Members. Created in partnership with the University of California, Irvine, these courses will train you to properly document some of the Nation's most significant health conditions. The first module will address Diabetes Mellitus Documentation Training.

Sign up now to:

- Ensure your patients receive evidence-based care
- Accurately report HEDIS® measures more easily than ever
- Become an expert in approved documentation and improve HEDIS® scores
- Receive CME Credit and Maintenance of Certification (MOC, for Internal Medicine board certification) upon course completion

Interested? Have questions?

We're here with answers and to help you, fast.

To get started, send the following to **MedAffairsEdu@MolinaHealthcare.com**:

- Your first, middle and last name
- Preferred email address, state of practice/contract with Molina Healthcare, practice/group/business affiliation
