RE : MHPR RATE UPDATES

Greetings from the Molina Healthcare of Puerto Rico (MHPR) family. At Molina Healthcare PR we are committed to the health and wellbeing of our members as well as to our participating providers for the Government Health Plan.

Effective July 1st, 2018 all our provider rates have been revised and updated. This rate change follows MHPR's compliance with the Administracion de Seguros de Salud de Puerto Rico (ASES) contract with Molina Healthcare of Puerto Rico.

We urge all our participating providers to take a look at the updated rates, which will be shortly published. The final MHPR updated rate schedule will be electronically available on our provider web portal as on June 1, 2018.

For more information, you can call our Provider Call Center at (888) 558-5501, Monday through Friday from 7:00 a.m. to 7:00 p.m. Audio impaired people can call TTY (787) 522-8281. You can also send us your concerns at the following email: MHPRProvider@MolinaHealthcare.com.
