Su Grupo Medico Primario

Uno de los pasos más importantes para cuidar su salud es seleccionar un Grupo Medico Primario. Cuando usted elige un médico primario de cuidado de la salud (MCP), está eligiendo un centro de servicios médicos. El medico primario es el que le ayudará con la mayoría de sus necesidades médicas. Este puede ser un médico de familia o un pediatra. En caso de embarazadas, el obstetra es el medico primario.

Su médico primario le atenderá, aconsejará y lo referirá a un especialista cuando sea necesario. Es fundamental que escoja un proveedor primario que satisfaga sus necesidades y con quien se sienta cómodo.

Seleccionar un médico primario es importante. Cuando usted encuentra un buen médico primario, puede desarrollar una relación duradera que le ayudará a garantizar una alianza de cuidado de la salud durante años.

Cómo elegir un Médico de Cuidado Primario (MCP)

Cada beneficiario de Molina Healthcare of Puerto Rico debe elegir un médico primario del directorio de proveedores de Molina Healthcare of Puerto Rico. Este directorio incluye los proveedores contratados por Molina Healthcare of Puerto Rico. Puede visitar nuestras Oficinas Regionales o llamar al Departamento de Servicios al Beneficiario de Molina Healthcare of Puerto Rico al 1-877-335-3305 (TTY para personas con impedimentos auditivos: 1-787-522-8281 o 711) si necesita ayuda para seleccionar un médico primario. Uno de nuestros representantes le ayudará con mucho gusto.

Usted puede ver el directorio de proveedores de Molina Healthcare of Puerto Rico por Internet en www.psgMolinaHealthcare.com. ¿Sabía usted que puede usar la Internet de forma gratuita en la mayoría de las bibliotecas públicas? Incluso hay varias compañías que le permiten crear cuentas de correo electrónico gratis. Si necesita ayuda para aprender a usar la Internet, pídale al bibliotecario(a).

Si usted no elige un médico primario, se le seleccionará uno de manera automática; tomando en consideración su dirección residencial, su idioma y los proveedores que visitan los miembros de su familia. No obstante, es preferible que usted escoja su propio médico primario. Usted es quien mejor puede tomar esa decisión.

La información que se incluye en este directorio está actualizada al 1 de marzo de 2015. Esta información está sujeta a cambios. Si tiene alguna pregunta sobre el estatus de un proveedor en particular, comuníquese con el Departamento de Servicios al Beneficiario de Molina Healthcare of Puerto Rico al 1-877-335-3305 o (TTY) al 1-787-522-8281 o 711. Para ver la lista de proveedores más reciente, visite nuestro sitio web en www.psgMolinaHealthcare.com y haga clic en “Encontrar un proveedor”.

Luego de seleccionar un médico primario, debe programar una visita con su médico lo antes posible, aunque no esté enfermo. Durante la visita, tendrá la oportunidad de conocer a su médico primario y hacerle una serie de preguntas que le ayudarán a desarrollar una buena relación. Usted puede comunicarse con su médico primario a su oficina. El nombre y el número de teléfono de su médico primario aparecen en su tarjeta del plan de Molina Healthcare of Puerto Rico.

Verifique el médico primario que aparece en su tarjeta del plan para asegurarse de que esté correcto. Si el proveedor que aparece en su tarjeta no es el que usted visita, llámenos. Nos aseguraremos de que su proveedor sea participante de Molina Healthcare of Puerto Rico y le enviaremos una tarjeta actualizada. Si desea ver a otro proveedor que no es el que aparece en su tarjeta, llame al Departamento de Servicios al Beneficiario de Molina Healthcare of Puerto Rico y le ayudaremos a seleccionar un proveedor participante.

¿Cómo cambiar su médico primario?

Si por alguna razón desea cambiar su médico primario, puede visitar la Oficina Regional o llame al Departamento de Servicios al Beneficiario de Molina Healthcare of Puerto Rico para solicitar el cambio. Solo podrá cambiar su grupo médico primario (PMG) o su médico primario (PCP) durante los primeros 90 días a partir de la fecha en que recibió su tarjeta del plan de Molina Healthcare of Puerto Rico. Luego de este período de 90 días, solo podrá cambiar de grupo médico o de médico primario cada 12 meses.

El cambio de su médico primario o grupo médico primario entrará en vigor el próximo día laborable. Molina Healthcare of Puerto Rico le enviará una tarjeta nueva para informarle que su médico primario cambió y la fecha en que puede comenzar a visitar al nuevo médico primario.

Acceso a proveedores sin referido

Además de su médico primario, hay otros proveedores a los que puede visitar sin referido. Estos deben ser parte de la red de Proveedores Preferidos.

¿Qué es una Red de Proveedores Preferidos?

Una Red de Proveedores Preferidos es un grupo de especialistas, subespecialistas y centros de servicios de salud que tienen contrato con Molina Healthcare of Puerto Rico para proveer servicios bajo su grupo médico primario. Siempre que visite profesionales dentro de la Red de Proveedores Preferidos de su grupo médico primario, no necesitará un referido ni tendrá que hacer copagos.

Si tiene que ver a un proveedor que no está en su Red de Proveedores Preferidos, necesitará un referido de su médico primario o de su grupo médico primario.

La información que se incluye en este directorio está actualizada al 1 de marzo de 2015. Esta información está sujeta a cambios. Si tiene alguna pregunta sobre el estatus de un proveedor en particular, comuníquese con el Departamento de Servicios al Beneficiario de Molina Healthcare of Puerto Rico al 1-877-335-3305 o (TTY) al 1-787-522-8281 o 711. Para ver la lista de proveedores más reciente, visite nuestro sitio web en www.psgMolinaHealthcare.com y haga clic en “Encontrar un proveedor”.

A continuación se mencionan algunos de los médicos y proveedores que pueden pertenecer al Grupo Médico Primario y a la Red de Proveedores Preferidos de su elección. Esta lista no incluye todos los tipos de médicos y proveedores:

- Especialistas y subespecialistas (incluidos los cardiólogos, ortopedas, reumatólogos, endocrinólogos, urólogos, gastroenterólogos, oncólogos, siquiátras y otros proveedores de salud mental, entre otros).
- Proveedores de servicios complementarios: terapistas físicos, nutricionistas y patólogos del habla, entre otros.
- Laboratorios clínicos
- Pruebas diagnósticas especializadas
- Centros de imágenes
- Centros de cirugía cardiovascular y cateterización
- Hospitales

- Salas de emergencias

Otro beneficio que ofrece el Plan de Salud del Gobierno es que usted no necesita la aprobación de su médico primario para recetas ordenadas por un médico dentro de su Red de Proveedores Preferidos.

Necesitará una orden médica para recibir servicios de laboratorio y rayos X, pero no se requerirá la aprobación de su médico primario, siempre y cuando reciba los servicios en un laboratorio o centro de rayos X que pertenezca a la Red de Proveedores Preferidos.

Las redes de proveedores preferidos aseguran el acceso, la calidad y la disponibilidad de los servicios de salud que se proveen a los beneficiarios.
