

Initiation & Engagement of Alcohol & Other Drug Abuse or Dependence Treatment

MEASURE DESCRIPTION

The percentage of adolescent and adult patients 13 years of age and older with a new episode of alcohol or other drug (AOD) abuse or dependence with the following:

- **Initiation of AOD Treatment.** Initiate treatment through inpatient AOD admission, outpatient visit, intensive outpatient encounter or partial hospitalization, telehealth, or medication assisted treatment (MAT) **within 14 days of diagnosis.**
- **Engagement of AOD Treatment.** Initiated treatment and had two or more additional AOD services or MAT within 34 days of the initiation visit.

USING CORRECT BILLING CODES

Codes to Identify AOD Dependence

HOW TO IMPROVE HEDIS® SCORES

- ❑ Consider using screening tools or questions to identify substance abuse issues in patients.
- ❑ Document identified substance abuse in the patient chart and submit a claim with the appropriate codes, as described above.
- ❑ Avoid inappropriate use of diagnosis codes that are the result of alcohol or drug dependency (ex. Cirrhosis) as these also qualify patients for the measures.
- ❑ Schedule a follow-up visit within 14 days and at least two additional visits within 30 days, or refer immediately to a behavioral health provider when giving a diagnosis of alcohol or other drug dependence.
- ❑ Involve family members or others who the patient desires for support and invite their help in intervening with the patient diagnosed with AOD dependence.
- ❑ Provide patient educational materials and resources that include information on the treatment process and options.
- ❑ Work collaboratively with the Molina Care Manager if they contact you about a recent encounter with a patient for substance dependency to motivate the patient to initiate treatment.
- ❑ Continue ongoing discussions with patients about treatment to help increase their willingness to commit to the process as the timeframe for initiating treatment is 14 days.
- ❑ Ensure your patient has an understanding of the local community support resources and what to do in an event of a crisis.
