

Medicaid Prior Auth (PA) Code Matrix

Effective Q2, 2021

THIS MATRIX IS NOT TO BE UTILIZED TO MAKE BENEFIT COVERAGE DETERMINATIONS.

FOR ANY PA CHANGES DUE TO REGULATORY GUIDANCE RELATED TO COVID 19 – PLEASE SEE PROVIDER NOTIFICATIONS AND MOST CURRENT INFORMATION ON THE PROVIDER PORTAL

We attempt to provide the most current and accurate information on this PA Matrix. Prior Authorization is not a guarantee of payment for services. Payment is dependent on member eligibility at the time of service, benefit coverage and limitations, provider agreements, and submission of accurate claims. If there is still a question that Prior Authorization is needed, please refer to your Provider Manual or submit a PA Request Form.

This Matrix is for Out-Patient services only.

All Elective In-Patient Admissions to Acute Hospitals, Skilled Nursing Facilities (SNF), Rehabilitation Facilities (AIR), or Long Term Acute Care Hospitals (LTACH) require Prior Authorization.

No PA is required for office visits at Participating (PAR) Network Providers.

All NON-PAR Providers require authorization regardless of services provided or codes submitted, except for Emergency Services.
