• **Section 1. Contact Information**

Member Services Department

The Member Services Department handles all telephone and written inquiries regarding Member Claims, benefits, eligibility/identification, selecting or changing Primary Care Providers (PCP's) and Member complaints. Member Services Representatives are available 8:00am to 5:00pm Monday through Friday, excluding State holidays.

Molina Healthcare of Wisconsin, Inc
PO Box 242480
Milwaukee, WI 53224

Phone: (888) 999-2404

TTY: 711

IVR: (888) 999-2404

Provider Services Department

The Provider Services Department handles telephone and written inquiries from Providers regarding address and Tax ID- changes, Provider denied Claims review, contracting and training. The Department has Provider Service Representatives who serve all of Molina Healthcare of Wisconsin's Provider Network. Eligibility verifications can be conducted at your convenience via Molina's Provider Portal.

Molina Healthcare of Wisconsin
PO Box 242480
Milwaukee, WI 53224

Phone: (855) 326-5059

Fax: (877) 556-5863

TTY: 711

IVR: (888) 999-2404

Claims Department

Molina requires Participating Providers to submit Claims electronically (via a clearinghouse or Molina's Provider Portal).

- Access the Provider Portal (<https://provider.MolinaHealthcare.com>)
- EDI Payer ID ABRI1.

To verify the status of your Claims, please use Molina's Provider Portal. For other Claims questions contact Provider Services at 855-326-5059.

Claims Recovery Department:

Molina Healthcare of Wisconsin, Inc
P.O. Box 88539
Milwaukee WI 53288

Phone: (855) 326-5059

The Claims Recovery Department manages recovery for Overpayment and incorrect payment of Claims.

Credentialing Department

The Credentialing Department verifies all information on the Provider Application prior to contracting and re-verifies this information every three years. The information is then presented to the Professional Review Committee to evaluate a Provider's qualifications to participate in the Molina Healthcare network.

Molina Healthcare of Wisconsin, Inc
PO Box 242480
Milwaukee, WI 53224

Phone: (855) 326-5059

Fax: (877) 556-5863

Email: WisconsinCredentialing@MolinaHealthCare.Com

Nurse Advice Line

This telephone-based nurse advice line is available to all Molina Healthcare Members. Members may call anytime they are experiencing symptoms or need health care information. Registered nurses are available twenty-four (24) hours a day, seven (7) days a week to assess symptoms and help make good health care decisions.

Nurse Advice Line (HEALTHLINE) 24 hours per day, 365 days per year:

English Phone:(888) 275-8750

Spanish Phone:(866) 648-3537

TTY: 7-1-1 for the National Relay Service

Member Advocate

Members are able to contact a Member Advocate using the contact information below.

Compliance and Fraud AlertLine

If you suspect cases of fraud, waste, or abuse, you must report it to Molina. You may do so by contacting the Molina Healthcare AlertLine or submit an electronic complaint using the website listed below. For more information about fraud, waste and abuse, please see the Compliance Section of this Manual.

Molina Healthcare AlterLine: (866) 606-3889

Website: <https://MolinaHealthcare.alertline.com>

Health Management

Molina's Health Management includes weight management, motherhood matters, smoking cessation, and disease related programs. These services can be incorporated into the Member's treatment plan to address the Member's health care needs.

Weight Management and Smoking Cessations Programs

Phone: (866) 472-9483

Fax: (562) 901-1176

Health Management and Maternity Programs

Phone: (866) 891-2320

Fax: (800) 642-3691

Healthcare Services (HCS) Department

The Healthcare Services Department conducts inpatient review on inpatient cases and processes Prior Authorizations/Service Requests. The HCS Department also performs Care Management for Members who will benefit from Care Management services. Participating Providers are required to interact with Molina's HCS Department electronically whenever possible. Prior Authorizations/Service Requests and status checks can be easily managed electronically.

Managing Prior Authorizations/Service Requests electronically provides many benefits to Providers, such as:

- Easy to access 24/7 online submission and status checks
- Ensures HIPAA compliance
- Ability to receive real-time authorization status
- Ability to upload medical records
- Increased efficiencies through reduced telephonic interactions
- Reduces cost associated with fax and telephonic interactions

P.O. Box 2136
Milwaukee, WI 53201

• **Section 2. Benefits and Covered Services**

Molina Healthcare follows Medicaid rules except where there are rules specific to a physician network or Participating Provider. Some benefits may have limitations. Providers should refer to the most current benefits grid available from Molina Healthcare by visiting the website at <https://www.molinahealthcare.com> and choosing the provider tab for the State of Wisconsin. In 2019, Molina Healthcare of Wisconsin, Inc. Members have \$0 copayments for all Covered Services.

Prescription Drugs (Pharmacy and Supplies)

Pharmacy and disposable medical supplies (supplied by pharmacies) provided to Medicaid recipients are not administered through Molina Healthcare. This is a carved-out service that is handled through Fee-For-Service (FFS).

Specialty Drug Services

Many self-administered and office-administered injectable products require prior authorization. In some cases they will be made available through a vendor, designated by Molina. More information about our prior authorization process, including a link to the Prior Authorization Request Form, is available in the Healthcare Services section of this Manual. Physician administered drugs require the appropriate 11-digit NDC with the exception of vaccinations or other drugs as specified by CMS.

Family planning services related to the injection or insertion of a contraceptive drug or device are covered at no cost.

Injectable and Infusion Services

Many self-administered and office-administered injectable products require Prior Authorization (PA). In some cases they will be made available through a vendor, designated by Molina Healthcare. More information about our Prior Authorization process, can be obtained by contacting Molina Healthcare at (855) 326-5059.

Emergency Transportation

When a Member's condition is life-threatening and requires use of special equipment, life support systems, and close monitoring by trained attendants while in route to the nearest appropriate facility, emergency transportation is thus required. Emergency transportation includes, but is not limited to, ambulance, air or boat transports.

Non-Emergency Medical Transportation

Non-Emergency Medical Transportation (NEMT) services are currently coordinated by FFS for Wisconsin Medicaid or BadgerCare Plus members in both Fee-For-Service and Medicaid Health

Maintenance Organization (HMO) health plans. Members will need to call the vendor for all NEMT to covered appointments if they have no other way to get a ride. Non-emergency rides are rides to a Covered Service by common carrier, such as public transportation or specialized medical vehicles.

Members can call (866) 907-1493 or TTY (866) 288-3133 between 7:00 a.m. and 6:00 p.m., Monday through Friday.

Members will need to call at least two (2) days before a routine appointment to schedule a ride. If they do not call two (2) days before an appointment, they may have to reschedule their appointment.

If a Member has an urgent appointment and cannot wait two (2) days to go to an appointment, a ride may be scheduled within three (3) hours.

If a Member has regularly scheduled appointments three (3) or more times a week, the provider should talk with him/her. As the Member's doctor, the provider can work with the transportation vendor to help schedule his/her patient's regularly reoccurring rides.

Emergency Services

Emergency Services means: A) medical screening examination (as required under section 1867 of the Social Security Act, 42 U.S.C. 1395dd) that is within the capability of the emergency department of a hospital, including Ancillary Services routinely available to the emergency department to evaluate such emergency medical condition; and B) Such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the hospital, as are required under section 1867 of the Social Security Act (42 U.S.C. 1395dd) to stabilize the patient.

Emergent and urgent care Services are covered by Molina without an authorization. This includes non-contracted Providers inside or outside of Molina's service area.

Emergency Mental Health or Substance Abuse Services

Members are directed to call "911" or go to the nearest emergency room if they need Emergency Services mental health or substance abuse. Examples of emergency mental health or substance abuse problems are:

- Danger to self or others
- Not being able to carry out daily activities
- Things that will likely cause death or serious bodily harm

Out of Area Emergencies

Members having a behavioral health emergency who cannot get to a Molina approved Providers are directed to do the following:

- Go to the nearest hospital or facility
- Call the number on ID card
- Call Member's PCP and follow-up within twenty-four (24) to forty-eight (48) hours

For out-of-area Emergency Services, plans will be made to transfer Members to an in-network facility when Member is stable.

Chiropractic Services

Molina Healthcare of Wisconsin, Inc. does not cover chiropractic services. All Members receive chiropractic services through the Wisconsin Fee- For- Service (FFS) program.

Molina Healthcare of Wisconsin, Inc. Members who receive chiropractic coverage through Fee- For- Service (FFS) can go anywhere their ForwardHealth card is accepted. FFS claims are submitted and paid through the State of Wisconsin.

Vision Care

Molina Healthcare of Wisconsin, Inc. subcontracts with Herslof Optical Company, Inc. to provide routine vision services and hardware including any prior Authorization necessary and Claims payment.

Nurse Advice Line

Members may call the Nurse Advise Line anytime they are experiencing symptoms or need health care information. Registered nurses are available twenty-four (24) hours a day, seven (7) days a week, to assess symptoms and help make good health care decisions.

Nurse Advise Line, 24 hours per day, 365 days per year

Phone: (888) 275-8750

Spanish Phone: (866) 648-3537

TTY: 711

Molina is committed to helping our Members:

- Prudently use the services of your office
- Understand how to handle routine health problems at home
- Avoid making non-emergent visits to the emergency room (ER)

These registered nurses do not diagnose. They assess symptoms and guide the patient to the most appropriate level of care following specially designed algorithms unique to the Nurse Advice Line. The Nurse Advice Line may refer back to the PCP, a specialist, 911 or the ER. By educating patients, it reduces costs and over utilization on the health care system.

Behavioral Health: Mental Health and Substance Abuse Benefits

Molina Healthcare offers benefit programs to BadgerCare Plus and Medicaid SSI enrollees. The following levels of care are covered, provided that services are Medically Necessary, delivered by Participating Providers, and that the Authorization procedures are followed:

- Inpatient Detoxification
- Substance Abuse Rehabilitation
- Inpatient Mental Health
- Traditional Outpatient Mental Health Treatment
- Traditional Outpatient Substance Abuse Treatment
- Crisis Stabilization Bed
- Partial Hospital Program
- Intensive Outpatient Program
- Ambulatory Detoxification
- Psychological and Neuropsychological Testing
- In-Home Therapy for Children

Access to Behavioral Health Services

Members in need of Behavioral Services can be referred by their PCP for services or Members can self-refer by calling Molina's Behavioral Health Department at (888) 999-2404. Molina's Nurse Advice Line is available twenty-four (24) hours a day, seven (7) days a week for mental health or substance abuse needs. The services Members receive will be confidential. Additional detail regarding Covered Services and any limitations can be obtained in the Summary of Benefits linked above, or by contacting Molina.

Molina Healthcare of Wisconsin, Inc. provides all of its Members with behavioral health services. Please contact Molina Healthcare of Wisconsin, Inc. directly for Behavioral Health Services needs at (855) 326-5059.

Outpatient Benefits Access

Outpatient behavioral health treatment is an essential component of a comprehensive health care Delivery System. Members may access outpatient mental health and substance abuse services by self-referring to a Participating Provider, by calling Molina Healthcare, or by Referral through acute or emergency room encounters. Members may also access outpatient care by Referral from their PCPs. However, a PCP Referral is not required by Molina Healthcare-for behavioral health services. Additionally, providers may check the ForwardHealth website for updates regarding outpatient benefits.

Additional Benefit Information

Benefits do not include payment for health care services that are not Medically Necessary. Molina Healthcare is not responsible for the costs of investigational drugs or devices. Molina Healthcare is not responsible for the costs of non-health care services such as the costs of managing research or the costs of collecting data that is useful for the research project but not necessary for the Member's care.

Preventive Care

Preventive Care Guidelines are located on the Molina website. Please use the link below to access the most current guidelines:

<https://www.molinahealthcare.com/providers/common/marketplace/resource/Pages/hlthguide.aspx>

Last Updated: 01/2020

Page 19

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

We need your help conducting these regular exams in order to meet the targeted State and Federal standards. If you have questions or suggestions related to well child care, please call our Quality department at (855) 326-5059.

Immunizations

Adult Members may receive immunizations as recommended by the Centers for Disease Control and Prevention (CDC) and prescribed by the Member's PCP. Child Members may receive immunizations in accordance with the recommendations of the American Academy of Pediatrics (AAP) and prescribed by the child's PCP.

Immunization schedule recommendations from the American Academy of Pediatrics and/or the CDC are available at the following website:

<https://www.cdc.gov/vaccines/schedules/hcp/index.html>

Molina Healthcare covers immunizations not covered through Vaccines for Children (VFC).

Well Child Visits and EPSDT Guidelines

The Federal Early Periodic Screening Diagnosis and Treatment (EPSDT) benefit requires the provision of early and periodic screening services and well care examinations to individuals from birth until twenty-one (21) years of age, with diagnosis and treatment of any health or mental health problems identified during these exams. The standards and periodicity schedule generally follow the recommendations from the AAP and Bright Futures. Forward Health guidelines can be found here:

<https://www.forwardhealth.wi.gov/WIPortal/Subsystem/KW/Print.aspx?ia=1&p=1&sa=24&s=2&c=61&nt=>

The screening services include:

- Comprehensive health and developmental history (including assessment of both physical and mental health development)
- Immunizations in accordance with the most current Centers for Disease Control and Prevention Advisory Committee on Immunization Practices) Childhood Immunization Schedule, as appropriate
- Comprehensive unclothed physical exam
- Laboratory tests as specified by the AAP, including screening for lead poisoning
- Health education
- Vision services
- Hearing services
- Dental services

When a screening examination indicates the need for further evaluation, providers must provide diagnostic services or refer members when appropriate without delay. Providers must provide treatment or other measures (or refer when appropriate) to correct or ameliorate defects and physical and mental illness or conditions discovered by the screening services.

We need your help conducting these regular exams in order to meet the Quality targeted State standard. Providers must use correct coding guidelines to ensure accurate reporting for EPSDT

services. If you have questions or suggestions related to EPSDT or well child care, please call our Quality line at (855) 326-5059.

Prenatal Care

Stage of Pregnancy	How often to see the doctor
One (1) month – Six (6) months	One (1) visit a month
Seven (7) months – Eight (8) months	Two (2) visits a month
Nine (9) months	One (1) visit a week

Health Management Programs

Health Management

The tools and services described here are educational support for Molina Members. We may change them at any time as necessary to meet the needs of Molina Members.

Health Education/Disease Management

Molina offers programs to help our Members and their families manage a diagnosed health condition. You as a Provider also help us identify Members who may benefit from these programs. Members can request to be enrolled or dis-enrolled in these programs. Our programs include:

- Asthma management
- Diabetes management
- High blood pressure management
- Cardiovascular Disease (CVD) management/Congestive Heart Disease
- Chronic Obstructive Pulmonary Disease (COPD) management
- Depression management
- Obesity
- Weight Management
- Smoking Cessation
- Organ Transplant
- Serious and Persistent Mental Illness (SPMI) and Substance Use Disorder
- Maternity Screening and High-Risk Obstetrics

For more information about our programs, please call: Provider Services Department at (855) 326-5059 (TTY/TDD at 711 Relay). Visit www.MolinaHealthcare.com

Member Newsletters

Member Newsletters are posted on the www.MolinaHealthcare.com website at least (two) 2 times a year. The articles are about topics asked by Members. The tips are aimed to help Members stay healthy.

Member Health Education Materials

Members are able to access our easy-to-read materials are about nutrition, preventive services guidelines, stress management, exercise, cholesterol management, asthma, diabetes and other topics. To get these materials, Members are directed to ask their doctor or visit our website.

Program Eligibility Criteria and Referral Source

Health Management Programs are designed for Molina Members with a confirmed diagnosis. Members participate in programs for the duration of their eligibility with the plan's coverage or until the Member opts out. Identified Members will receive targeted outreach such as educational newsletters, telephonic outreach or other materials to access information on their condition. The program model provides an "opt-out" option for Members who contact Molina Member Services and request to be removed from the program.

Multiple sources are used to identify the total eligible population. These may include the following:

- Pharmacy Claims data for all classifications of medications
- Encounter Data or paid Claim with a relevant CMS accepted diagnosis or procedure code
- Member Services welcome calls made by staff to new Member households and incoming Member calls have the potential to identify eligible program participants. Eligible Members are referred to the program registry
- Member Assessment calls made by staff for the initial Health Risk Assessments (HRA) for newly enrolled Members
- Provider referral
- Nurse Advice Line referral
- Medical Case Management or Utilization Management; and
- Member self-referral due to general plan promotion of program through Member newsletter, the Nurse Advice Line or other Member communication

Provider Participation

Contracted Providers are notified as appropriate, when their patients are enrolled in a health management program. Provider resources and services may include:

- Annual Provider feedback letters containing a list of patients identified with the relevant disease
- Clinical resources such as patient assessment forms and diagnostic tools
- Patient education resources
- Provider Newsletters promoting the health management programs, including how to enroll patients and outcomes of the programs
- Clinical Practice Guidelines; and
- Preventive Health Guidelines

Additional information on health management programs is available from your local Molina HCS Department toll free at (888) 326-5059.

Lab Work

Any associated lab work allowed on Molina Healthcare of Wisconsin, Inc.'s in-office lab list may also be coded separately.

Multiple Procedures

Modifier 51 is required for Claim processing when multiple procedures are performed on the same date. If modifier 51 is not appended to the CPT's after the primary procedure then those CPT's will be denied.

Coordination of Benefits (COB)

Medicaid is the payer of last resort. Private and governmental carriers must be billed prior to billing Molina Healthcare or medical groups/IPAs. Provider shall make reasonable inquiry of Members to learn whether Member has health insurance, benefits or Covered Services other than from Molina Healthcare or is entitled to payment by a third party under any other insurance or plan of any type, and Provider shall immediately notify Molina Healthcare of said entitlement. In the event that coordination of benefits occurs, Provider shall be compensated based on the state regulatory COB methodology. Primary carrier payment information is required with the claim submission. Provider can submit claims with attachments, including EOBs and other required documents, by utilizing Molina's Provider Portal.

Timely Filing with Other Insurance

Timely filing for Participating Providers is sixty (60) days from the date on the remit from the primary payer unless otherwise stated in the provider's contract. The EOB from the primary payer is required with Claim submission.

• Section 3. Claims and Compensation

As a contracted Provider, it is important to understand how the Claims process works to avoid delays in processing your Claims. The following items are covered in this section for your reference:

- Hospital Acquired Conditions and Present on Admission Program
- Claim Submission
- Coordination of Benefits (COB)/Third Party Liability (TPL)
- Timely Claim Filing
- Claim Edit Process
- Claim Review
- Claim Auditing
- Corrected Claims

Hospital-Acquired Conditions and Present on Admission Program

The Deficit Reduction Act of 2005 (DRA) mandated that Medicare establish a program that would modify reimbursement for fee for service beneficiaries when certain conditions occurred as a direct result of a hospital stay that could have been reasonably been prevented by the use of evidenced-based guidelines. CMS titled the program “Hospital-Acquired Conditions and Present on Admission Indicator Reporting” (HAC and POA).

The following is a list of CMS Hospital Acquired Conditions. Effective October 1, 2008, CMS reduces payment for hospitalizations complicated by these categories of conditions that were not present on admission (POA):

- Foreign Object Retained After Surgery
- Air Embolism
- Blood Incompatibility
- Stage III and IV Pressure Ulcers
- Falls and Trauma
 - Fractures
 - Dislocations
 - Intracranial Injuries
 - Crushing Injuries
 - Burn
 - Other Injuries
- Manifestations of Poor Glycemic Control
 - Hypoglycemic Coma
 - Diabetic Ketoacidosis
 - Non-Ketotic Hyperosmolar Coma
 - Secondary Diabetes with Ketoacidosis
 - Secondary Diabetes with Hyperosmolarity
- Catheter-Associated Urinary Tract Infection (UTI)
- Vascular Catheter-Associated Infection
- Surgical Site Infection Following Coronary Artery Bypass Graft – Mediastinitis
- Surgical Site Infection Following Certain Orthopedic Procedures:
 - Spine
 - Neck
 - Shoulder
 - Elbow
- Surgical Site Infection Following Bariatric Surgery Procedures for Obesity
 - Laparoscopic Gastric Restrictive Surgery
 - Laparoscopic Gastric Bypass
 - Gastroenterostomy
- Surgical Site Infection Following Placement of Cardiac Implantable Electronic Device (CIED)

- Iatrogenic Pneumothorax with Venous Catheterization
- Deep Vein Thrombosis (DVT)/Pulmonary Embolism (PE) Following Certain Orthopedic Procedures
 - Total Knee Replacement
 - Hip Replacement

What this means to Providers:

- Acute IPPS Hospital claims will be returned with no payment if the POA indicator is coded incorrectly or missing; and
- No additional payment will be made on IPPS hospital claims for conditions that are acquired during the patient's hospitalization.

If you would like to find out more information regarding the Medicare HAC/POA program, including billing requirements, the following CMS site provide further information:

<http://www.cms.hhs.gov/HospitalAcqCond/>

Claim Submission

Participating Providers are required to submit Claims to Molina with appropriate documentation. Providers must follow the appropriate State and CMS Provider billing guidelines. Providers must utilize electronic billing through a clearinghouse or Molina's Provider Portal and use current HIPAA compliant ANSI X 12N format (e.g., 837I for institutional Claims, 837P for professional Claims, and 837D for dental Claims) and use electronic Payer ID number: ABRI1.

Claims that do not comply with Molina's electronic Claim submission requirements will be denied.

For Members assigned to a delegated medical group/IPA that processes its own Claims, please verify the Claim Submission instructions on the Member's Molina ID card.

Providers must bill Molina for services with the most current CMS approved diagnostic and procedural coding available as of the date the service was provided, or for inpatient facility Claims, the date of discharge.

Required Elements

The following information must be included on every claim:

- Member name, date of birth and Molina Member ID number
- Member's gender
- Member's address
- Date(s) of service
- Valid International Classification of Diseases diagnosis and procedure codes
- Valid revenue, CPT or HCPCS for services or items provided
- Valid Diagnosis Pointers
- Total billed charges
- Place and type of service code

- Days or units as applicable
- Provider tax identification number (TIN)
- National Provider Identifier (NPI)
- Rendering Provider name as applicable
- Provider name and billing address
- Place of service and type (for facilities)
- Disclosure of any other health benefit plans
- E-signature
- Service Facility Location

Inaccurate, incomplete, or untimely submissions and re-submissions may result in denial of the claim.

National Provider Identifier (NPI)

A valid NPI is required on all Claim submissions. Providers must report any changes in their NPI or subparts to Molina as soon as possible, not to exceed thirty (30) calendar days from the change.

Electronic Claims Submission

Molina requires Participating Providers to submit Claims electronically. Electronic Claims submission provides significant benefits to the Provider including:

- Helps to reduce operation costs associated with paper claims (printing, postage, etc.)
- Increases accuracy of data and efficient information delivery
- Reduces Claim delays since errors can be corrected and resubmitted electronically
- Eliminates mailing time and Claims reach Molina faster

Molina offers the following electronic Claims submission options:

- Submit Claims directly to Molina via the [Provider Portal](#)
- Submit Claims to Molina via your regular EDI clearinghouse using Payer ID ABRI1

Provider Portal:

Molina's Provider Portal offers a number of claims processing functionalities and benefits:

- Available to all Providers at no cost
- Available twenty-four (24) hours per day, seven (7) days per week
- Ability to add attachments to claims (Portal and clearinghouse submissions)
- Ability to submit corrected claims
- Easily and quickly void claims
- Check claims status
- Receive timely notification of a change in status for a particular claim

Clearinghouse:

Molina uses Change Healthcare as its gateway clearinghouse. Change Healthcare has relationships with hundreds of other clearinghouses. Typically, Providers can continue to submit Claims to their usual clearinghouse.

Molina accepts EDI transactions through our gateway clearinghouse for Claims via the 837P for Professional and 837I for institutional. It is important to track your electronic transmissions using your acknowledgement reports. The reports assure Claims are received for processing in a timely manner.

When your Claims are filed via a Clearinghouse:

- You should receive a 999 acknowledgement from your clearinghouse
- You should also receive 277CA response file with initial status of the claims from your clearinghouse
- You should contact your local clearinghouse representative if you experience any problems with your transmission

EDI Claims Submission Issues

Providers who are experiencing EDI Submission issues should work with their clearinghouse to resolve this issue. If the Provider's clearinghouse is unable to resolve, the Provider may call the Molina EDI Customer Service line at (866) 409-2935 or email us at EDI.Claims@MolinaHealthcare.com for additional support.

Paper Claim Submissions

Paper claims are not accepted by Molina. Claims submitted via paper will be denied.

Coordination of Benefits (COB) and Third Party Liability (TPL)

COB

Medicaid is the payer of last resort. Private and governmental carriers must be billed prior to billing Molina Healthcare or medical groups/IPAs. Provider shall make reasonable inquiry of Members to learn whether Member has health insurance, benefits or Covered Services other than from Molina Healthcare or is entitled to payment by a third party under any other insurance or plan of any type, and Provider shall immediately notify Molina Healthcare of said entitlement. In the event that coordination of benefits occurs, Provider shall be compensated based on the state regulatory COB methodology. Primary carrier payment information is required with the Claim submission. Providers can submit Claims with attachments, including EOBs and other required documents, by utilizing Molina's Provider Portal.

Third Party Liability

Molina Healthcare is the payer of last resort and will make every effort to determine the appropriate third party payer for services rendered. Molina Healthcare may deny Claims when Third Party has

been established and will process Claims for Covered Services when probable Third Party Liability (TPL) has not been established or third party benefits are not available to pay a Claim. Molina Healthcare will attempt to recover any third-party resources available to Members and shall maintain records pertaining to TPL collections on behalf of Members for audit and review.

Timely Claim Filing

Provider shall promptly submit to Molina Claims for Covered Services rendered to Members. All Claims shall be submitted in a form acceptable to and approved by Molina and shall include any and all medical records pertaining to the Claim if requested by Molina or otherwise required by Molina's policies and procedures. Claims must be submitted by Provider to Molina within 180 calendar days after the discharge for inpatient services or the Date of Service for outpatient services. If Molina is not the primary payer under coordination of benefits or third party liability, Provider must submit Claims to Molina within 180 calendar days after final determination by the primary payer. Except as otherwise provided by Law or provided by Government Program requirements, any Claims that are not submitted to Molina within these timelines shall not be eligible for payment and Provider hereby waives any right to payment.

Reimbursement Guidance and Payment Guidelines

Providers are responsible for submission of accurate claims. Molina requires coding of both diagnoses and procedures for all claims. The required coding schemes are the International Classification of Diseases, 10th Revision, and Clinical Modification ICD-10-CM for diagnoses. For procedures, the Healthcare Common Procedure Coding System Level 1 (CPT codes), Level 2 and 3 (HCPCS codes) are required for professional and outpatient claims. Inpatient hospital claims require ICD-10-PCS (International Classification of Diseases, 10th Revision, and Procedure Coding System). Furthermore, Molina requires that all claims be coded in accordance with the HIPAA transaction code set guidelines and follow the guidelines within each code set.

Molina utilizes a claims adjudication system that encompasses edits and audits that follow Wisconsin and Federal requirements and also administers payment rules based on generally accepted principles of correct coding. Payment rules based on generally accepted principles of correct coding include, but are not limited to, the following:

- Manuals and RVU files published by the Centers for Medicare and Medicaid Services (CMS), including:
 - National Correct Coding Initiative (NCCI) edits, including procedure-to-procedure (PTP) bundling edits and Medically Unlikely Edits (MUEs). In the event a State benefit limit is more stringent/restrictive than a Federal MUE, Molina will apply the State benefit limit. Furthermore, if a professional organization has a more stringent/restrictive standard than a Federal MUE or Wisconsin the professional organization standard may be used
 - In the absence of State guidance, Medicare National Coverage Determinations (NCDs)
 - In the absence of State guidance, Medicare Local Coverage Determinations (LCDs)
 - CMS Physician Fee Schedule Relative Value File (RVU) indicators

- Current Procedural Technology (CPT) guidance published by the American Medical Association (AMA)
- ICD-10 guidance published by the National Center for Health Statistics
- Forward Health Processing guidelines
- Other coding guidelines published by industry-recognized resources
- Payment policies based on professional associations or other industry-recognized guidance for specific services. Such payment policies may be more stringent than Wisconsin and Federal guidelines
- Molina policies based on the appropriateness of health care and medical necessity
- Payment policies published by Molina

Fee Schedule Updates

Molina applies BadgerCare Plus and/or Medicaid SSI fee-for-service rates effective for the 1st of the month following the receipt by Molina of the fee-for-service rate file from WI DHS. Neither rates nor claims will be adjusted on a retrospective basis, regardless of whether DHS sets a retrospective rate. Molina does not retroactively load fee schedules with the exception of the New Year January fee schedule which will be dated to be effective for January 1 of that year.

General Coding Requirements

Correct coding is required to properly process claims. Molina requires that all claims be coded in accordance with the HIPAA transaction code set guidelines and follow the guidelines within each code set.

CPT and HCPCS Codes

Codes must be submitted in accordance with the chapter and code-specific guidelines set forth in the current/applicable version of the AMA CPT and HCPCS codebooks. In order to ensure proper and timely reimbursement, codes must be effective on the date of service (DOS) for which the procedure or service was rendered and not the date of submission.

Modifiers

Modifiers consist of two (2) alphanumeric characters and are appended to HCPCS/CPT codes to provide additional information about the services rendered. Modifiers may be appended only if the clinical circumstances justify the use of the modifier(s). For example, modifiers may be used to indicate whether a:

- Service or procedure has a professional component.
- Service or procedure has a technical component.
- Service or procedure was performed by more than one physician.
- Unilateral procedure was performed.
- Bilateral procedure was performed.
- Service or procedure was provided more than once.
- Only part of a service was performed.

For a complete listing of modifiers and their appropriate use, consult the AMA CPT and the HCPCS code books.

ICD-10-CM/PCS codes

Molina utilizes International Classification of Diseases, 10th Revision, Clinical Modification (ICD-10-CM) and International Classification of Diseases 10th Revision, Procedure Coding System (ICD-10-PCS) billing rules and will deny claims that do not meet Molina's ICD-10 Claim Submission Guidelines. To ensure proper and timely reimbursement, codes must be effective on the dates of service (DOS) for which the procedure or service was rendered and not the date of submission. Refer to the ICD-10 CM/PCS Official Guidelines for Coding and Reporting on the proper assignment of principal and additional diagnosis codes.

Place of Service (POS) Codes

Place of Service Codes (POS) are two-digit codes placed on health care professional claims (CMS 1500) to indicate the setting in which a service was provided. CMS maintains POS codes used throughout the health care industry. The POS should be indicative of where that specific procedure/service was rendered. If billing multiple lines, each line should indicate the POS for the procedure/service on that line.

Type of Bill

Type of bill is a four-digit alphanumeric code that gives three specific pieces of information after the first digit, a leading zero. The second digit identifies the type of facility. The third classifies the type of care. The fourth indicates the sequence of this bill in this particular episode of care, also referred to as a "frequency" code. For a complete list of codes, reference the National Uniform Billing Committee's (NUBC's) Official UB-04 Data Specifications Manual.

Revenue Codes

Revenue codes are four-digit codes used to identify specific accommodation and/or ancillary charges. There are certain revenue codes that require CPT/HCPCS codes to be billed. For a complete list of codes, reference the NUBC's Official UB-04 Data Specifications Manual.

Diagnosis Related Group (DRG)

Facilities contracted to use DRG payment methodology submit claims with DRG coding. Claims submitted for payment by DRG must contain the minimum requirements to ensure accurate claim payment.

Molina processes DRG claims through DRG software. If the submitted DRG and system-assigned DRG differ, the Molina-assigned DRG will take precedence. Providers may appeal with medical record documentation to support the ICD-10-CM principal and secondary diagnoses (if applicable) and/or the ICD-10-PCS procedure codes (if applicable). If the claim cannot be grouped due to insufficient information, it will be denied and returned for lack of sufficient information.

Provider Preventable Conditions

Molina Healthcare of Wisconsin does not make payment for provider preventable conditions in alignment with Medicaid contract requirements.

Molina Healthcare shall mandate provider identification of provider preventable conditions as a condition of payment, as well as, the prohibition against payment for provider-preventable conditions

as set forth in 42 CFR s.434.6(a)(12) and 42 CFR s. 447.26. Molina Healthcare will report all identified provider-preventable conditions through its encounter data.

Health care acquired conditions for non-payment include hospital-acquired conditions as identified by Medicaid other than Deep Vein Thrombosis(DVT)/Pulmonary Embolism (PE) with total knee replacement surgery in pediatric and obstetric patients.

Other provider-preventable conditions for non-payment are identified as:

- Wrong surgical invasive procedure performed on the wrong body part
- Surgical or other invasive procedure performed on the wrong patient

NDC

The 11 digit National Drug Code Number (NDC) must be reported on all professional and outpatient claims when submitted on the CMS-1500 claim form, UB-04 or its electronic equivalent.

Providers will need to submit claims with both HCPCS and NDC codes with the exact NDC that appears on the medication packaging in the 5-4-2 digit format (i.e. xxxxx-xxxx-xx) as well as the NDC units and descriptors. Claims submitted without the NDC number will be denied.

Coding Sources

Definitions

CPT – Current Procedural Terminology 4th Edition; an American Medical Association (AMA) maintained uniform coding system consisting of descriptive terms and codes that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. There are three types of CPT codes:

- Category I Code – Procedures/Services
- Category II Code – Performance Measurement
- Category III Code – Emerging Technology

HCPCS – HealthCare Common Procedural Coding System; a CMS maintained uniform coding system consisting of descriptive terms and codes that are used primarily to identify procedure, supply and durable medical equipment codes furnished by physicians and other health care professionals.

ICD-10-CM – International Classification of Diseases, 10th revision, Clinical Modification ICD-10-CM diagnosis codes are maintained by the National Center for Health Statistics, Centers for Disease Control (CDC) within the Department of Health and Human Services (HHS).

ICD-10-PCS - International Classification of Diseases, 10th revision, Procedure Coding System used to report procedures for inpatient hospital services.

Claim Auditing

Molina shall use established industry claims adjudication and/or clinical practices, Commonwealth, and Federal guidelines, and/or Molina's policies and data to determine the appropriateness of the billing, coding and payment.

Provider acknowledges Molina's right to conduct post-payment billing audits. Provider shall cooperate with Molina's audits of Claims and payments by providing access at reasonable times to requested Claims information, all supporting medical records, Provider's charging policies, and other related data. Molina shall use established industry Claims adjudication and/or clinical practices, State, and Federal guidelines, and/or Molina's policies and data to determine the appropriateness of the billing, coding, and payment.

In reviewing medical records for a procedure, Molina may select a statistically valid random sample, or smaller subset of the statistically valid random sample. This sample gives an estimate of the proportion of claims Molina paid in error. The estimated proportion, or error rate, may be projected across all claims to determine the amount of overpayment.

Provider audits may be telephonic, an on-site visit, internal claims review, client-directed/regulatory investigation and/or compliance reviews and may be vendor assisted. Molina asks that you provide us, or our designee, during normal business hours, access to examine, audit, scan and copy any and all records necessary to determine compliance and accuracy of billing.

Molina shall use established industry Claims adjudication and/or clinical practices, State, and Federal guidelines, and/or Molina's policies and data to determine the appropriateness of the billing, coding, and payment.

If Molina's Special Investigations Unit suspects that there is fraudulent or abusive activity, we may conduct an on-site audit without notice. Should you refuse to allow access to your facilities, Molina reserves the right to recover the full amount paid or due to you.

Corrected Claims

Corrected Claims are considered new Claims for processing purposes. Corrected Claims must be submitted electronically with the appropriate fields on the 837I or 837P completed. Molina's Provider Portal includes functionality to submit corrected Institutional and Professional claims. Corrected claims must include the correct coding to denote if the claim is Replacement of Prior Claim or Corrected Claim for an 837I or the correct Resubmission Code for an 837P.

Claims submitted without the correct coding will be returned to the Provider for resubmission.

EDI (Clearinghouse) Submission:

837P

- In the 2300 Loop, the CLM segment (claim information) CLM05-3 (claim frequency type code) must indicate one of the following qualifier codes:
 - "1"-ORIGINAL (initial claim)

Last Updated: 01/2020

Page 32

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

- “7”–REPLACEMENT (replacement of prior claim)
- “8”-VOID (void/cancel of prior claim)
- In the 2300 Loop, the REF *F8 segment (claim information) must include the original reference number (Internal Control Number/Document Control Number ICN/DCN).

837I

- Bill type for UB claims are billed in loop 2300/CLM05-1. In Bill Type for UB, the “1” “7” or “8” goes in the third digit for “frequency”.
- In the 2300 Loop, the REF *F8 segment (claim information) must include the original reference number (Internal Control Number/Document Control Number ICN/DCN).

Timely Claim Processing

Claims processing will be completed for contracted Providers in accordance with the timeliness provisions set forth in the Provider’s contract. Unless the Provider and Molina or contracted medical group/IPA have agreed in writing to an alternate schedule, Molina will process the claim for service within 30 days after receipt of Clean Claims.

The receipt date of a Claim is the date Molina receives notice of the Claim.

Electronic Claim Payment

Participating Providers are required to enroll for Electronic Funds Transfer (EFT) and Electronic Remittance Advice (ERA). Providers who enroll in EFT payments will automatically receive ERAs as well. EFT/ERA services allow Providers to reduce paperwork, provides searchable ERAs, and Providers receive payment and ERA access faster than the paper check and RA processes. There is no cost to the Provider for EFT enrollment, and Providers are not required to be in-network to enroll. Molina uses a vendor to facilitate the HIPAA compliant EFT payment and ERA delivery. Additional information about EFT/ERA is available at [MolinaHealthcare.com](https://www.molinahealthcare.com) or by contacting our Provider Services Department.

Overpayments and Incorrect Payments Refund Requests

If, as a result of retroactive review of claim payment, Molina determines that it has made an Overpayment to a Provider for services rendered to a Member, it will make a claim for such Overpayment.

Payment of a Claim for Overpayment is considered made on the date payment was received or electronically transferred or otherwise delivered to Molina, or the date that the Provider receives a payment from Molina that reduces or deducts the Overpayment.

Claim Disputes

Providers disputing a Claim previously adjudicated must request such action within 90 days of Molina’s original remittance advice date. Regardless of type of denial/dispute (service denied, incorrect payment, administrative, etc.); all Claim disputes must be submitted on the Molina Appeals Form found on the Provider website and the Provider web-portal. *The form must be filled out*

Last Updated: 01/2020

Page 33

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

completely to be processed. Additionally, the item(s) being resubmitted should be clearly marked as an appeal and must include the following:

- Provider's name
- Date of service
- Date of billing
- Date of payment and/or Nonpayment
- Member's name
- Claim number- Services cannot be appealed without a claim on file
- BadgerCare Plus ID number
- The reason(s) the claim merits reconsideration. If the appeal relates to medical emergency, medical necessity and/or prior authorization, medical records or substantiating documentation must accompany your request for reconsideration
- The Claim number clearly marked on all supporting documents

Appeals MUST be submitted via fax, secure e-mail or the Provider Portal (preferred method). Paper appeals will be rejected and not processed.

Bulk appeals (10 claims or more for the same issue) must be e-mailed and include an excel spreadsheet that includes data for A-G, a completed appeal form and supporting documentation.

Provider Appeals:

Fax: (844) 251-1446

Secure Email: MWI.Appeals@MolinaHealthcare.com

Provider Portal: <https://provider.molinahealthcare.com/>

The Provider will be notified of Molina's decision in writing within 45 days of receipt of the Claims Dispute/Adjustment request.

All BadgerCare Plus providers must appeal first to the HMO and then to the Department of Health Services if they disagree with the HMO's payment or nonpayment of a Claim.

Appeals to the Department of Health Services (DHS) must be submitted using DHS form F12022 and all elements of the form must be completed at the time the form is submitted (i.e. Medical Records for Appeals regarding Medical Necessity). The form is available on the ForwardHealth Portal.

Appeals to DHS must be made within sixty (60) days of Molina Healthcare of Wisconsin Inc.'s final decision or in the case of no response, within sixty (60) days from the forty-five (45) day time allotted to Molina Healthcare of Wisconsin, Inc. to respond.

DHS Appeals should be mailed to:
Forward Health Managed Care Appeals
P.O. Box 6470
Madison, WI 53716-0470.

Last Updated: 01/2020

Page 34

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

DHS has thirty (30) days from the date of receipt of all written comments to inform the provider and Molina Healthcare of Wisconsin, Inc. of the final decision. If the decision of DHS is in the provider's favor, Molina Healthcare of Wisconsin, Inc. will pay the Claim within thirty (30) days of receipt of the final determination.

Billing the Member

- Providers contracted with Molina cannot bill the Member for any covered benefits. The Provider is responsible for verifying eligibility and obtaining approval for those services that require prior authorization.
- Providers agree that under no circumstance shall a Member be liable to the Provider for any sums owed by Molina to the Provider
- Provider agrees to accept payment from Molina as payment in full, or bill the appropriate responsible party
- Provider may not bill a Molina Member for any unpaid portion of the bill or for a claim that is not paid with the following exceptions:
 - The Member has been advised by the Provider that the service is not a covered benefit and the Provider has documentation.
 - The Member has been advised by the Provider that he/she is not contracted with Molina and has documentation.
 - The Member agrees in writing to have the service provided with full knowledge that they are financially responsible for payment.

Fraud and Abuse

Failure to report instances of suspected Fraud and Abuse is a violation of the Law and subject to the penalties provided by Law. Please refer to the Compliance section of this Provider Manual for more information.

Encounter Data

Each capitated Provider/organization delegated for Claims processing is required to submit Encounter data to Molina for all adjudicated Claims. The data is used for many purposes, such as regulatory reporting, rate setting and risk adjustment, hospital rate setting, the Quality Improvement program and HEDIS® reporting.

Encounter data must be submitted at least once per month, in order to meet State and CMS encounter submission threshold and quality measures. Encounter data must be submitted via HIPAA compliant transactions, including the ANSI X12N 837I – Institutional, 837P – Professional, and 837D -- Dental. Data must be submitted with Claims level detail for all non-institutional services provided. For institutional services, only those services covered by Molina should be reported.

Molina shall have a comprehensive automated and integrated Encounter data system capable of meeting these requirements.

Providers must correct and resubmit any encounters which are rejected (non-HIPAA compliant) or denied by Molina. Encounters must be corrected and resubmitted within fifteen (15) days from the rejection/denial.

Molina will create Molina's 837P, 837I, and 837D Companion Guides with the specific submission requirements available to Providers.

When your Encounters are filed electronically you should receive:

- For any direct submission to Molina you should receive a 999 acknowledgement of your transmission
- For Encounter submission you will also receive a 277CA response file for each transaction

• Section 4. Grievance and Appeals Process

Definitions

"Adverse Benefit Determination" means any of the following:

- The denial or limited authorization of a requested service, including determinations based on the type or level of service, requirements for medical necessity, appropriateness, setting, or effectiveness of a covered benefit.
- The reduction, suspension, or termination of a previously authorized service, unless the service was only authorized for a limited amount or duration and that amount, or duration has been completed.
- The denial, in whole or in part, of payment for a service.
- The failure to provide services in a timely manner.
- The failure of the Health Plan to act within the timeframes provided in 7.2.1 and 7.2.2 regarding the standard resolution of grievances and appeals
- For a resident of a rural area with only one Health Plan, the denial of a member's request to exercise his or her right, under 42 CFR § 438.52(b)(2)(ii), to obtain services outside the network.
- The denial of a member's request to dispute a financial liability, including cost sharing, copayments, premiums, deductibles, coinsurance, and other member financial liabilities.

Appeal means a review by the Health Plan of an adverse benefit determination.

Authorized Representative means an individual appointed by the member, including a provider or estate representative, who may serve as an authorized representative with documented consent of the member.

Grievance means an expression of dissatisfaction about any matter other than an adverse benefit determination. Grievances may include, but are not limited to, the quality of care or services provided, and aspects of interpersonal relationships such as rudeness of a provider or employee, or failure to respect the member's rights regardless of whether remedial action is requested. Grievance includes a member's right to dispute an extension of time proposed by the Health Plan to make an authorization decision. The member or authorized representative may file a grievance either orally or in writing.

State fair hearing means the process used by the Wisconsin Division of Hearing and Appeals to adjudicate member appeals of Health Plan adverse benefit determinations.

Last Updated: 01/2020

Page 36

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

Grievances and Appeals

All Grievances and Appeals, whether oral or written, are documented and logged by the Member Services Department in all appropriate systems. Members are notified of their Grievance and Appeals rights and the different levels of Grievances and Appeals through various general communications including, but not limited to, the Member Handbook, Member newsletters and Molina Healthcare's website: <https://www.molinahealthcare.com>

Members may identify an individual, including an attorney or provider, to serve as an Authorized Representative to act on their behalf at any stage during the Grievance and Appeals process. If under applicable law, a person has authority to act on behalf of a Member in making a decision related to health care or is a legal representative of the Member, Molina Healthcare of Wisconsin, Inc. will treat such person as an Authorized Representative.

Molina Healthcare will not take any punitive actions against any provider who represents a Member with regard to a filed Grievance or Appeal.

When needed, Members are given reasonable assistance in completing forms and taking other procedural steps, including translation services for Members with limited English proficiency or other limitations, e.g., hearing impaired, requiring communication support.

Members will continue receiving any and all benefits during the Grievance and Appeals process unless they have previously dis-enrolled.

Filing a Grievance

If a Member is unhappy with the service from Molina Healthcare or providers contracted with Molina Healthcare, he/she may file a Grievance by contacting Member Services toll-free at 888-999-2404. Members can also write to Molina Healthcare at:

Molina Healthcare of Wisconsin, Inc.
Attn: Grievance Coordinator
PO Box 242480
Milwaukee, WI 53224-9050

Fax: (844) 251-1445

Molina Healthcare of Wisconsin, Inc. has an organized Grievance process to ensure thorough, appropriate and timely resolution to Members' Grievances and to aggregate and trend reasons for Grievances to take action to reduce future occurrence. Grievance documentation will include the following factors:

- The substance of the Grievance and actions taken
- The investigation of the substance of the Grievance, including any aspects of clinical care involved
- The outcome/resolution
- The documentation of notification to the Member of the disposition of the Grievance and the right to appeal, as appropriate
- Written acknowledgement of a Grievance received is sent to the Member or his/her Authorized Representative within ten (10) days of receipt. A resolution letter is sent within thirty (30) days of initially receiving the Grievance unless the Member is notified in writing of the need for an additional fourteen (14) day extension, along with the reason for the delay

Last Updated: 01/2020

Page 37

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

The Member is notified of his/her right to request a hearing at Molina Healthcare and that the Member may attend or send representation for him/her to the hearing.

The Member is also notified that interpretation would be provided free of charge should he/she decide to exercise this option.

In the case of an Expedited Grievance, a determination is made, and the Member is notified within 72 hours.

Provider related Member Grievances

Each Molina Health Plan has a process in place to investigate Provider-specific complaints from Members upon their receipt. Molina evaluates both the specific complaint and the Provider's history of issues, if applicable. The history of complaints is evaluated for all Providers at least every six months.

Proposed Actions

When Members and providers are notified of Molina Healthcare's proposed Action in connection to a requested health care service or Claim for service, they are also notified of the following:

- The proposed Action Molina Healthcare has taken or intends to take
- The reasons for the Action
- Their right to appeal the decision
- The process by which the Appeals process is initiated
- The Molina Healthcare Member Services phone number where more information regarding the Appeals process can be obtained
- The circumstances under which an expedited review is available and how to request it
- The Member's right to have benefits continue pending resolution of the Appeal with Molina Healthcare, or with the State Fair Hearing, how to request the continuation of benefits, and the circumstances under which the Member may be required to pay for these benefits

Notifications of proposed Actions are mailed to Members as expeditiously as reasonably possible.

Adverse Action

Notifications of Adverse Actions will be sent to the Member in his/her primary language and will include the following information:

- The results and date of the Adverse Action
- The right to request a State Fair Hearing following the completion of an appeal with Molina Healthcare.
- The Member's right to continue benefits if an appeal is requested and how to do so
- Information on the circumstances under which the Member may be liable for the cost of continued benefits

Member Appeals

Standard appeals may be received orally or in writing within sixty (60) calendar days following the date of the notice of action. An Appeal may be filed by a Member, Member's Authorized Representative or a provider. The Member or Authorized Representative must be a party to all Appeals. If member is being represented in their appeal, Member must provide their written, signed consent for someone to act on their behalf.

Molina has contracted with eviCore Healthcare (eviCore) to manage preauthorization requests for the following specialized clinical services:

- Imaging and Special Tests
- Advanced Imaging (MRI, CT, PET, Select Ultrasounds)
- Cardiac Imaging
- Radiation Therapy
- Sleep Covered Services and Related Equipment
- Genetic Counseling and Testing

For member appeals of the above services, contact eviCore for 1st level pre-service appeals:

EviCore Healthcare
Attn: Clinical Appeals
400 Buckwalter Place Blvd
Bluffton, SC 29910

Fax: 1-(866) 699-8128

Or email: appeals@evicore.com

For all other Appeals, Appeals may be oral or written. Oral Appeals must be followed by a written request, except when a provider requests an Expedited Appeal. Written requests should be submitted to:

Member Appeals
Molina Healthcare of Wisconsin, Inc.
Attn: Grievance Coordinator
PO Box 242480
Milwaukee, WI 53224

Fax: (844) 251-1445

E-mail: MWIMemberAppeals@MolinaHealthcare.com

Written acknowledgement of an Appeal received is sent to the Member or his/her Authorized Representative within ten (10) business days of receipt. A resolution letter is sent within thirty (30) calendar days of initially receiving the Appeal unless the Member is notified in writing of the need for an additional fourteen (14) day extension, along with the reason for the delay. The Member is notified of his/her right to request a hearing at Molina Healthcare and that the Member may attend or send representation for him/her to the hearing. The Member is also notified that interpretation would be provided free of charge should he/she decide to exercise this option.

In the case of Expedited Appeals, a determination is made within 72 hours of appeal request and the Member is notified within two (2) business days.

If the appealing party is dissatisfied with the outcome of an Appeal, A State Fair Hearing may be requested.

State Fair Hearings

Members who are not satisfied with Molina Healthcare's final resolution of any Appeal may further appeal the decision to the State by requesting a State Fair Hearing. Requests for a hearing must be

Last Updated: 01/2020

Page 39

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

made in writing within ninety (90) calendar days from the date the notice of Adverse Action is mailed. Written requests should be submitted to the DHS at the following location:

Department of Administration
Division of Hearings and Appeals
P.O. Box 7875
Madison, WI 53707-7875
Fax: 608-264-9885

If you need a special arrangement for a disability or for language translation, please call 1-608-266-3096 (voice) or 1-608-264-9853 (hearing impaired).

Once requested, the Division of Hearings and Appeals will have 90 (90) calendar days to hold your hearing and issue a written decision, unless the member or their representative requested an expedited appeal from Molina Healthcare.

Record Retention

Molina will maintain all grievance and related appeal documentation on file for a minimum of ten (10) years. In addition to the information documented electronically via Call Tracking in QNXT or maintained in other electronic files, Molina will retain copies of any written documentation submitted by the Provider pertaining to the grievance/appeal process. Provider shall maintain records for a period not less than ten (10) years from the termination of the Model Contract and retained further if the records are under review or audit until the review or audit is complete. (Provider shall request and obtain Health Plan's prior approval for the disposition of records if Agreement is continuous.)

• Section 5. Credentialing and Re-credentialing

The purpose of the Credentialing Program is to assure the Molina Healthcare and its subsidiaries (Molina) network consists of quality Providers who meet clearly defined criteria and standards. It is the objective of Molina to provide superior health care to the community. Additional information is available in the Credentialing Policy and Procedure which can be requested by contacting your Molina provider services representative.

The decision to accept or deny a credentialing applicant is based upon primary source verification, secondary source verification and additional information as required. The information gathered is confidential and disclosure is limited to parties who are legally permitted to have access to the information under State and Federal Law.

The Credentialing Program has been developed in accordance with State and Federal requirements and the standards of the National Committee of Quality Assurance (NCQA®). The Credentialing Program is reviewed annually, revised, and updated as needed.

Non-Discriminatory Credentialing and Recredentialing

Molina does not make credentialing and recredentialing decisions based on an applicant's race, ethnic/national identity, gender, gender identity, age, sexual orientation, ancestry, religion, marital

status, health status, or patient types (e.g. Medicaid) in which the practitioner specializes. This does not preclude Molina from including in its network practitioners who meet certain demographic or specialty needs; for example, to meet cultural needs of Members.

Type of Practitioners Credentialed & Recredentialed

Practitioners and groups of practitioners with whom Molina contracts must be credentialed prior to the contract being implemented.

Practitioner types requiring credentialing include but are not limited to:

- Acupuncturists
- Addiction medicine specialists
- Audiologists
- Behavioral healthcare practitioners who are licensed, certified or registered by the state to practice independently
- Chiropractors
- Clinical Social Workers
- Dentists
- Doctoral or master's level psychologist
- Licensed/Certified Midwives (Non-Nurse)
- Massage Therapists
- Master's level clinical social workers
- Master's-level clinical nurse specialists or psychiatric nurse practitioners
- Medical Doctors (MD)
- Naturopathic Physicians
- Nurse Midwives
- Nurse Practitioners
- Occupational Therapists
- Optometrists
- Oral Surgeons
- Osteopathic Physicians (DO)
- Pharmacists
- Physical Therapists
- Physician Assistants
- Podiatrists
- Psychiatrists and other physicians
- Speech and Language Pathologists
- Telemedicine Practitioners

Credentialing Turn-Around Time

Molina must complete its credentialing review within no more than sixty (60) days from the receipt of a complete application.

If, by sixty (60) calendar days after receipt of the completed application, Molina has not received all of the information or verifications it requires from third parties, or date-sensitive information has expired, Molina shall issue a written notification, through standard mail, fax, or electronic mail, or other agreed upon writing, to the practitioner either closing or pending the application, and detailing Molina's attempts to obtain the information or verifications.

Incomplete Applications

Within ten (10) working days after receipt of an incomplete application, Molina shall notify the practitioner in writing of all missing or incomplete information or supporting documents. The notice will include:

- A complete and detailed description of all of the missing or incomplete information or documents that must be submitted in order for review of the application to continue.
- The name, address, and telephone number of a credentialing staff person who will serve as the contact person for the practitioner.

If the missing information or documents have not been received within forty-five (45) calendar days after initial receipt of the application or if date-sensitive information has expired, Molina shall close the application or delay final review, pending receipt of the necessary information. The practitioner will be informed of the closed or pending status of the application and, where applicable, the length of time the application will be pending.

If the information attested to conflicts with itself or is shown to be incorrect through primary source verification, then the application will not be deemed 'complete' until these items are resolved.

Criteria for Participation in the Molina Network

Molina has established criteria and the sources used to verify these criteria for the evaluation and selection of Practitioners for participation in the Molina network. This policy defines the criteria that are applied to applicants for initial participation, recredentialing and ongoing participation in the Molina network. To remain eligible for participation Practitioners must continue to satisfy all applicable requirements for participation as stated herein and in all other documentations provided by Molina.

Molina reserves the right to exercise discretion in applying any criteria and to exclude Practitioners who do not meet the criteria. Molina may, after considering the recommendations of the Professional Review Committee, waive any of the requirements for network participation established pursuant to these policies for good cause if it is determined such waiver is necessary to meet the needs of Molina and the community it serves. The refusal of Molina to waive any requirement shall not entitle any Provider to a hearing or any other rights of review.

Practitioners must meet the following criteria to be eligible to participate in the Molina network. The practitioner shall have the burden of producing adequate information to prove they meets all criteria for initial participation and continued participation in the Molina network. If the Practitioner fails to provide this information the credentialing application will be deemed incomplete and it will result in an administrative denial or termination from the Molina network. Practitioners who fail to provide proof of meeting these criteria do not have the right to submit an appeal.

- **Application** - Provider must submit to Molina a complete credentialing application either from CAQH ProView or other State mandated practitioner application. The attestation must be signed within one-hundred-twenty (120) days. Application must include all required attachments.
- **License, Certification or Registration** - Provider must hold a current and valid license, certification or registration to practice in their specialty in every State in which they will provide care and/or render services for Molina Members. Telemedicine practitioners are required to be licensed in the state where they are located and the State the member is located.
- **DEA or CDS Certificate** - Provider must hold a current, valid, unrestricted Drug Enforcement Agency (DEA) or Controlled Dangerous Substances (CDS) certificate. Provider must have a DEA or CDS in every State where the Provider provides care to Molina Members. If a practitioner has never had any disciplinary action taken related to his/her DEA and/or CDS and has a pending DEA/CDS certificate or chooses not to have a DEA and/or CDS certificate, the practitioner must then provide a documented process that allows another practitioner with a valid DEA and/or CDS certificate to write all prescriptions requiring a DEA number. If a practitioner does not have a DEA or CDS because it has been revoked, restricted or relinquished due to disciplinary reasons, the practitioner is not eligible to participate in the Molina network.
- **Specialty** – Providers will only be credentialed in the specialty in which they have adequate education and training. Providers must confine their practice to their credentialed area of practice when providing services to Molina Members.
- **Education** - Providers will only be credentialed in an area of practice in which they have adequate education. Provider must have graduated from an accredited school with a degree in their designated specialty.
- **Residency Training** - Provider must have satisfactorily completed a residency program from an accredited training program in the specialty in which they are practicing. Molina only recognizes residency training programs that have been accredited by the Accreditation Council of Graduate Medical Education (ACGME) and the American Osteopathic Association (AOA) in the United States or by the College of Family Physicians of Canada (CFPC), the Royal College of Physicians and Surgeons of Canada. Oral Surgeons must have completed a training program in Oral and Maxillofacial Surgery accredited by the Commission on Dental Accreditation (CODA). Training must be successfully completed prior to completing the verification. It is not acceptable to verify completion prior to graduation from the program. As of July 2013, Podiatric residencies are required to be three (3) years in length. If the podiatrist has not completed a three (3)-year residency or is not board certified, the podiatrist must have five (5) years of work history practicing podiatry.
- **Fellowship Training** - If the Provider is not board certified in the specialty in which they practice and has not completed a residency program in the specialty in which they practice they must have completed a fellowship program from an accredited training program in the specialty in which they are practicing.
- **Board Certification** - Board certification in the specialty in which the practitioner is practicing is not required. Initial applicants who are not board certified will be considered for participation if they have satisfactorily completed a residency program from an accredited

training program in the specialty in which they are practicing. Molina recognizes board certification only from the following Boards:

- American Board of Medical Specialties (ABMS)
- American Osteopathic Association (AOA)
- American Board of Foot and Ankle Surgery (ABFAS)
- American Board of Podiatric Medicine (ABPM)
- American Board of Oral and Maxillofacial Surgery
- American Board of Addiction Medicine (ABAM)
- College of Family Physicians of Canada (CFPC)
- Royal College of Physicians and Surgeons of Canada (RCPSC)
- Behavioral Analyst Certification Board (BACB)
- National Commission on Certification of Physician Assistants (NCCPA)
- **General Practitioners** – Practitioners who are not board certified and have not completed a training program from an accredited training program are only eligible to be considered for participation as a general practitioner in the Molina network. To be eligible, the practitioner must have maintained a primary care practice in good standing for a minimum of the most recent five (5) years without any gaps in work history. Molina will consider allowing a practitioner who is/was board certified and/or residency trained in a specialty other than primary care to participate as a general practitioner, if the practitioner is applying to participate as a Primary Care Physician, Urgent Care or Wound Care. General practitioners providing only wound care services do not require five (5) years of work history as a PCP.
- **Work History** - Provider must supply most recent five (5)-years of relevant work history on the application or curriculum vitae. Relevant work history includes work as a health professional. If a gap in employment exceeds six (6) months, the practitioner clarifies the gap verbally or in writing. The organization documents a verbal clarification in the practitioner's credentialing file. If the gap in employment exceeds one (1) year, the practitioner must clarify the gap in writing.
- **Malpractice History** - Provider must supply a history of malpractice and professional liability claims and settlement history in accordance with the application.
- **Professional Liability Insurance** – Provider must supply a history of malpractice and professional liability claims and settlement history in accordance with the application. Documentation of malpractice and professional liability claims, and settlement history is requested from the practitioner on the credentialing application. If there is an affirmative response to the related disclosure questions on the application, a detailed response is required from the practitioner.
- **State Sanctions, Restrictions on Licensure or Limitations on Scope of Practice** – Practitioner must disclose a full history of all license/certification/registration actions including denials, revocations, terminations, suspension, restrictions, reductions, limitations, sanctions, probations and non-renewals. Practitioner must also disclose any history of voluntarily or involuntarily relinquishing, withdrawing, or failure to proceed with an application in order to avoid an adverse action or to preclude an investigation or while under investigation relating to professional competence or conduct. If there is an affirmative response to the related disclosure questions on the application, a detailed response is required from the practitioner. Molina will also verify all licenses, certifications and registrations in every state where the

practitioner has practiced. At the time of initial application, the practitioner must not have any pending or open investigations from any state or governmental professional disciplinary body. This would include Statement of Charges, Notice of Proposed Disciplinary Action or the equivalent.

- **Medicare, Medicaid and other Sanctions and Exclusions** – Practitioner must not be currently sanctioned, excluded, expelled or suspended from any state or federally funded program including but not limited to the Medicare or Medicaid programs. Practitioner must disclose all Medicare and Medicaid sanctions. If there is an affirmative response to the related disclosure questions on the application, a detailed response is required from the practitioner. Practitioner must disclose all debarments, suspensions, proposals for debarments, exclusions or disqualifications under the non-procurement common rule, or when otherwise declared ineligible from receiving federal contracts, certain subcontracts, and certain federal assistance and benefits. If there is an affirmative response to the related disclosure questions on the application, a detailed response is required from the practitioner.
- **Medicare Opt Out** – Practitioners currently listed on the Medicare Opt-Out Report may not participate in the Molina network for any Medicare or Duals (Medicare/Medicaid) lines of business.
- **Social Security Administration Death Master File** – Practitioners must provide their Social Security number. That Social Security number should not be listed on the Social Security Administration Death Master File.
- **Medicare Preclusion List** – Practitioners currently listed on the Preclusion List may not participate in the Molina network for any Medicare or Duals (Medicare/Medicaid) lines of business.
- **Professional Liability Insurance** – Practitioner must have and maintain professional malpractice liability insurance with limits that meet Molina criteria. This coverage shall extend to Molina Members and the practitioners activities on Molina's behalf. Practitioners maintaining coverage under a federal tort or self-insured are not required to include amounts of coverage on their application for professional or medical malpractice insurance.
- **Inability to Perform** – Practitioner must disclose any inability to perform essential functions of a practitioner in their area of practice with or without reasonable accommodation. If there is an affirmative response to the related disclosure questions on the application, a detailed response is required from the practitioner.
- **Lack of Present Illegal Drug Use** – Practitioner must disclose if they are currently using any illegal drugs/substances.
- **Criminal Convictions** – Practitioner must disclose if they have ever had any criminal convictions. Practitioner must not have been convicted of a felony or pled guilty to a felony for a healthcare related crime including but not limited to healthcare fraud, patient abuse and the unlawful manufacture distribution or dispensing of a controlled substance.
- **Loss or Limitations of Clinical Privileges** – At initial credentialing, Practitioner must disclose all past and present issues regarding loss or limitation of clinical privileges at all facilities or organizations with which the practitioner has had privileges. If there is an affirmative response to the related disclosure questions on the application, a detailed response is required from the practitioner. At recredentialing, Practitioner must disclose past and present issues regarding loss or limitation of clinical privileges at all facilities or

organizations with which the practitioner has had privileges since the previous credentialing cycle.

- **Hospital Privileges** – Practitioners must list all current hospital privileges on their credentialing application. If the practitioner has current privileges, they must be in good standing.
- **NPI** – Practitioner must have a National Provider Identifier (NPI) issued by the Centers for Medicare and Medicaid Services (CMS).

Notification of Discrepancies in Credentialing Information & Practitioner Rights to Correct Erroneous Information

Molina will notify the practitioner immediately in writing in the event that credentialing information obtained from other sources varies substantially from that provided by the practitioner. Examples include but are not limited to actions on a license, malpractice claims history, board certification, sanctions or exclusions. Molina is not required to reveal the source of information if the information is not obtained to meet organization credentialing verification requirements or if disclosure is prohibited by law.

Practitioners have the right to correct erroneous information in their credentials file. Practitioner's rights are published on the Molina website in the Provider Manual.

The notification sent to the practitioner will detail the information in question and will include instructions to the practitioner indicating:

- Their requirement to submit a written response within ten (10) calendar days of receiving notification from Molina.
- In their response, the practitioner must explain the discrepancy, may correct any erroneous information and may provide any proof that is available.
- The practitioner's response must be sent to Molina Healthcare, Inc.

Attention: Credentialing Director at
PO Box 2470
Spokane, WA 99210

Upon receipt of notification from the practitioner, Molina will document receipt of the information in the practitioner's credentials file. Molina will then re-verify the primary source information in dispute. If the primary source information has changed, correction will be made immediately to the practitioner's credentials file. The practitioner will be notified in writing that the correction has been made to their credentials file. If the primary source information remains inconsistent with the practitioners' information, the Credentialing Department will notify the practitioner.

If the practitioner does not respond within ten (10) calendar days, their application's processing will be discontinued, and network participation will be administratively denied or terminated.

Practitioner's Right to Review Information Submitted to Support Their Credentialing Application

Practitioners have the right to review their credentials file at any time. Practitioner's rights are published on the Molina website in the Provider Manual.

The practitioner must notify the Credentialing Department and request an appointed time to review their file and allow up to seven (7) calendar days to coordinate schedules. A Medical Director and the Director responsible for Credentialing or the Quality Improvement Director will be present. The practitioner has the right to review all information in the credentials file except peer references or recommendations protected by Law from disclosure.

The only items in the file that may be copied by the practitioner are documents, which the practitioner sent to Molina (e.g., the application and any other attachments submitted with the application from the Practitioner. Practitioners may not copy any other documents from the credentialing file.

Practitioners Right to be Informed of Application Status

Practitioners have a right, upon request, to be informed of the status of their application. The Provider can request to be informed of the status of their application by telephone, email or mail. Practitioner's rights are published on the Molina website in the Provider Manual Molina will respond to the request within two working days. Molina may share with the Practitioners where the application is in the credentialing process to include any missing information or information not yet verified.

Notification of Credentialing Decisions

Initial credentialing decisions are communicated to practitioners via letter or email. This notification is sent by the Molina Medical Director within two (2) weeks of the decision. Under no circumstance will notifications letters be sent to the practitioners later than sixty (60) calendar days from the decision. Notification of recredentialing approvals are not required.

Recredentialing

Molina recredentials every practitioner at least every thirty-six (36) months.

Excluded Providers

Excluded Provider means an individual Provider, or an entity with an officer, director, agent, manager or individual who owns or has a controlling interest in the entity who has been convicted of crimes as specified in section 1128 of the SSA, excluded from participation in the Medicare or Medicaid program, assessed a civil penalty under the provisions of section 1128, or has a contractual relationship with an entity convicted of a crime specified in section 1128.

Pursuant to section 1128 of the SSA, Molina and its Subcontractors may not subcontract with an Excluded Provider/person. Molina and its Subcontractors shall terminate subcontracts immediately when Molina and its Subcontractors become aware of such excluded Provider/person or when Molina and its Subcontractors receive notice. Molina and its Subcontractors certify that neither it nor its Member/Provider is presently debarred, suspended, proposed for debarment, declared ineligible,

or voluntarily excluded from participation in this transaction by any Federal department or agency. Where Molina and its Subcontractors are unable to certify any of the statements in this certification, Molina and its Subcontractors shall attach a written explanation to this Agreement.

Ongoing Monitoring of Sanctions

Molina monitors the following agencies for Provider sanctions and exclusions between recredentialing cycles for all Provider types and takes appropriate action against Providers when occurrences of poor quality is identified. If a Molina Provider is found to be sanctioned or excluded, the Provider's contract will immediately be terminated effective the same date as the sanction or exclusion was implemented.

- **The United States Department of Health & Human Services (HHS), Office of Inspector General (OIG) Fraud Prevention and Detection Exclusions Program** – Monitor for individuals and entities that have been excluded from Medicare and Medicaid programs.
- **State Medicaid Exclusions** - Monitor for state Medicaid exclusions through each state's specific Program Integrity Unit (or equivalent).
- **Medicare Exclusion Database (MED)** - Molina monitors for Medicare exclusions through the Centers for Medicare & Medicaid Services (CMS) MED online application site.
- **Medicare Preclusion List** – Monitor for individuals and entities that are reported on the Medicare Preclusion List.
- **National Practitioner Database** - Molina enrolls all credentialed practitioners with the NPDB Continuous Query service to monitor for adverse actions on license, DEA, hospital privileges and malpractice history between credentialing cycles.
- **System for Award Management (SAM)** – Monitor for Providers sanctioned with SAM.

Molina also monitors the following for all Provider types between the recredentialing cycles.

- Member Complaints/Grievances
- Adverse Events
- Medicare Opt Out
- Social Security Administration Death Master File

• Section 6. Delegation

This section contains information specific to Molina's delegation criteria. Molina may delegate certain administrative responsibilities upon meeting all of Molina's delegation criteria. Molina is accountable for all aspects of the Member's health care delivery, even when it delegates specific responsibilities to sub-contracted entities. Molina's Delegation Oversight Committee (DOC), or other designated committee, must approve all delegation and sub-delegation arrangements.

If you have additional questions related to delegated functions, please contact your Molina Contract Manager.

Delegation Criteria

Molina is accountable for all aspects of the Member's health care delivery, even when it delegates specific responsibilities to sub-contracted IPAs, Medical Groups, or Vendors. Molina's Delegation Oversight Committee (DOC), or other designated committee, must approve all delegation and sub-delegation arrangements.

Credentialing

Credentialing functions may be delegated to entities which meet National Committee for Quality Assurance® (NCQA) criteria for credentialing functions. To be delegated for credentialing functions, Providers must:

- Pass Molina's credentialing pre-assessment, which is based on NCQA® credentialing standards.
- Have a multi-disciplinary Credentialing Committee who is responsible for review and approval or denial/termination of practitioners included in delegation.
- Have an Ongoing Monitoring process in place that screens all practitioners included in delegation against OIG and SAM exclusion lists a minimum of every thirty (30) days.
- Correct deficiencies within mutually agreed upon timeframes when issues of non-compliance are identified by Molina.
- Agree to Molina's contract terms and conditions for credentialing delegates.
- Submit timely and complete Credentialing delegation reports as detailed in the Delegated Services Addendum to the applicable Molina contact.
- Comply with all applicable Federal and State Laws.
- When key specialists, as defined by Molina, contracted with IPA or group terminate, provide Molina with a letter of termination according to Contractual Agreements and the information necessary to notify affected Members.

Note: If the Provider is an NCQA® Certified or Accredited organization, a modified pre-assessment audit may be conducted. Modification to the audit depends on the type of Certification or Accreditation entity has, but will always include evaluation of applicable State requirements and Molina business needs.

If the Provider sub-delegates Credentialing functions, the sub-delegate must be NCQA® accredited or certified in Credentialing functions, or demonstrate and ability to meet all Health Plan, NCQA®, and State and Federal requirements identified above. A written request must be made to Molina prior to execution of a contract, and a pre-assessment must be made on the potential sub-delegate, and annually thereafter. Evaluation should include review of Credentialing policies and procedures, Credentialing and Recredentialing files, and a process to implement corrective action if issues of non-compliance are identified.

An entity may request Credentialing delegation from Molina through Molina's Delegation Oversight Manager or through their Contract Manager. Molina will ask the potential delegate to submit policies and procedures for review and will schedule an appointment for pre-assessment. The results of the pre-assessment are submitted to the Delegation Oversight Committee (DOC) for review and

approval. Final decision to delegate Credentialing responsibilities is based on the entity's ability to meet Molina, State and Federal requirements for delegation.

Delegation Reporting Requirements

Delegated entities contracted with Molina must submit monthly and quarterly reports determined by the function(s) delegated to the identified Molina Delegation Oversight Staff within the timeline indicated by the Health Plan. For a copy of Molina's current delegation reporting requirements, please contact your Molina Contract Manager.

• Section 7. Risk Adjustment Management Program

What is Risk Adjustment?

Risk Adjustment is a process that helps accurately measure the health status of a plan's membership based on medical conditions and demographic information.

This process helps ensure health plans receive accurate payment for services provided to our Molina members and prepares for resources that may be needed in the future.

Why is Risk Adjustment Important?

- Allows Molina to focus on quality and efficiency
- Enables Molina to recognize and address current and potential health conditions early
- Identifies members for Case Management referral
- Ensures accurate payment for the acuity levels of Molina members
- Risk Adjustment allows Molina to have the resources to deliver the highest quality of care to Molina members

Your Role as a Provider

As a Provider your documentation in a member's medical record is critical to a member's quality of care.

For a complete and accurate medical record, all provider documentation must:

- Be compliant with CMS correct coding initiatives
- Use the correct ICD-10 code by coding the condition to the highest level of specificity
- Only submit codes for diagnoses confirmed during a face to face visit with the Member
- Contain a treatment plan
- Be clear and concise
- Have the physician's signature and credentials

RADV Audits

As part of the regulatory process, State and/or Federal agencies may conduct Risk Adjustment Data Validation (RADV) audits to ensure that the diagnosis data submitted by Molina is accurate. All

Last Updated: 01/2020

For questions about Molina's Risk Adjustment programs, please contact our team at:

RiskAdjustment.Programs@MolinaHealthcare.com

• **Section 8. Cultural Competency and Linguistic Services**

Background

Molina works to ensure all Members receive culturally competent care across the service continuum to reduce health disparities and improve health outcomes. The Culturally and Linguistically Appropriate Services in Health Care (CLAS) standards published by the US Department of Health and Human Services (HHS), Office of Minority Health (OMH) guide the activities to deliver culturally competent services. Molina complies with Title VI of the Civil Rights Act, the Americans with Disabilities Act (ADA) Section 504 of the Rehabilitation Act of 1973, Section 1557 of the Affordable Care Act (ACA) and other regulatory/contract requirements. Compliance ensures the provision of linguistic access and disability-related access to all Members, including those with Limited English Proficiency (LEP) and Members who are deaf, hard of hearing, non-verbal, have a speech impairment, or have an intellectual disability. Policies and procedures address how individuals and systems within the organization will effectively provide services to people of all cultures, races, ethnic backgrounds and religions as well as those with disabilities in a manner that recognizes values, affirms and respects the worth of the individuals and protects and preserves the dignity of each.

Additional information on cultural competency and linguistic services is available at MolinaHealthcare.com, from your local Provider Services Representative and by calling Molina Provider Services at 855- 326-5059.

Nondiscrimination of Healthcare Service Delivery

Molina complies with the guidance set forth in the final rule for Section 1557 of the ACA, which includes notification of nondiscrimination and instructions for accessing language services in all significant Member materials, physical locations that serve our Members, and all Molina website home pages. All Providers who join the Molina Provider network must also comply with the provisions and guidance set forth by the Department of Health and Human Services (HHS) and the Office for Civil Rights (OCR). Molina requires Providers to deliver services to Molina Members without regard to race, color, national origin, age, disability or sex. This includes gender identity, sexual orientation, pregnancy, and sex stereotyping. Providers must post a non-discrimination notification in a conspicuous location in their office along with translated non-English taglines in the top fifteen (15) languages spoken in the state to ensure Molina Members understand their rights, how to access language services, and the process to file a complaint if they believe discrimination has occurred.

Additionally, Participating Providers or contracted medical groups/Independent Physician Associations (IPAs) may not limit their practices because of a Member's medical (physical or mental) condition or the expectation for the need of frequent or high cost care.

Providers can refer Molina Members who are complaining of discrimination to the Molina Civil Rights Coordinator at: 866- 606-3889, or TTY, 711.

Members can also email the complaint to Civil.Rights@MolinaHealthcare.com.

Should you or a Molina Member need more information you can refer to the Health and Human Services website for more information: <https://www.Federalregister.gov/d/2016-11458>

Cultural Competency

Molina is committed to reducing healthcare disparities. Training employees, Providers and their staffs, and quality monitoring are the cornerstones of successful culturally competent service delivery. Molina integrates Cultural Competency training into the overall Provider training and quality monitoring programs. An integrated quality approach intends to enhance the way people think about our Members, service delivery and program development so that cultural competency becomes a part of everyday thinking.

Provider and Community Training

Molina offers educational opportunities in cultural competency concepts for Providers, their staff, and Community Based Organizations. Molina conducts Provider training during Provider orientation with annual reinforcement training offered through Provider Services or online/web-based training modules.

Training modules, delivered through a variety of methods, include:

1. Written materials
2. On-site cultural competency training
3. Online cultural competency provider training
4. Integration of cultural competency concepts and nondiscrimination of service delivery into Provider communications

Integrated Quality Improvement – Ensuring Access

Molina ensures Member access to language services such as oral interpretation, American Sign Language (ASL), and written translation. Molina must also ensure access to programs, aids, and services that are congruent with cultural norms. Molina supports Members with disabilities, and assists Members with Limited English Proficiency (LEP).

Molina develops Member materials according to Plain Language Guidelines. Members or Providers may also request written Member materials in alternate languages and formats (i.e. braille, audio,

large print), leading to better communication, understanding and Member satisfaction. Online materials found on [MolinaHealthcare.com](https://www.molinahealthcare.com) and information delivered in digital form meet Section 508 accessibility requirements to support Members with visual impairments.

Key Member information, including Appeals and Grievance forms, are also available in threshold languages on the Molina Member website.

Program and Policy Review Guidelines

Molina conducts assessments at regular intervals of the following information to ensure its programs are most effectively meeting the needs of its Members and Providers:

- Annual collection and analysis of race, ethnicity and language data from:
 - Eligible individuals to identify significant culturally and linguistically diverse populations within plan's membership and
 - Contracted Providers to assess gaps in network demographics.
- Revalidate data at least annually.
- Local geographic population demographics and trends derived from publicly available sources (Community Health Needs Assessment).
- Applicable national demographics and trends derived from publicly available sources.
- Assessment of Provider Network.
- Collection of data and reporting for the Diversity of Membership HEDIS measure.
- Annual determination of threshold languages and processes in place to provide Members with vital information in threshold languages.
- Identification of specific cultural and linguistic disparities found within the plan's diverse populations.
- Analysis of HEDIS® and CAHPS®/Qualified Health Plan Enrollee Experience Survey results for potential cultural and linguistic disparities that prevent Members from obtaining the recommended key chronic and preventive services.
- Comparison with selected measures such as those in Healthy People 2020.

24 Hour Access to Interpreter Services

Providers may request interpreters for Members whose primary language is other than English by calling Molina's Contact Center toll free at 888- 999-2404. If Contact Center Representatives are unable to interpret in the requested language, the Representative will immediately connect you and the Member to a qualified language service provider.

Molina Providers must support Member access to telephonic interpreter services by offering a telephone with speaker capability or a telephone with a dual headset. Providers may offer Molina Members interpreter services if the Members do not request them on their own. Please remember It is never permissible to ask a family member, friend or minor to interpret.

All eligible Members who are Limited English Proficient (LEP) are entitled to receive interpreter services. Under no circumstances are Molina Members responsible for the cost of such services. Written procedures are to be maintained by each office or facility regarding their process for obtaining such services. Molina is available to assist Providers with locating these services if needed.

Last Updated: 01/2020

Page 53

Documentation

As a contracted Molina Provider, your responsibilities for documenting Member language services/needs in the Member's medical record are as follows:

- Record the Member's language preference in a prominent location in the medical record. This information is provided to you on the electronic member lists that are sent to you each month by Molina.
- Document all Member requests for interpreter services.
- Document who provided the interpreter service. This includes the name of Molina's internal staff or someone from a commercial interpreter service vendor. Information should include the interpreter's name, operator code and vendor.
- Document all counseling and treatment done using interpreter services.
- Document if a Member insists on using a family member, friend or minor as an interpreter, or refuses the use of interpreter services after notification of his or her right to have a qualified interpreter at no cost.

Members who are Deaf or Hard of Hearing

Molina provides a TTY/TDD connection accessible by dialing 711. This connection provides access to Member & Provider Contact Center, Quality, Healthcare Services and all other health plan functions.

Molina strongly recommends that Provider offices make available assistive listening devices for members who are deaf and hard of hearing. Assistive listening devices enhance the sound of the provider's voice to facilitate a better interaction with the member.

Molina will provide face-to-face service delivery for ASL to support our members who are Deaf or Hard of Hearing. Requests should be made three (3) business days in advance of an appointment to ensure availability of the service. In most cases, members will have made this request via Molina Member Services.

Nurse Advice Line

Molina provides twenty-four (24) hours/seven (7) days a week Nurse Advice Services for members. The Nurse Advice Line provides access to twenty-four (24) hour interpretive services. Members may call Molina Healthcare's Nurse Advice Line directly (English line 888- 275-8750) or (Spanish line at 866-648-3537) or for assistance in other languages. The Nurse Advice TTY/TDD is 711. The Nurse Advice Line telephone numbers are also printed on membership cards.

• **Section 8. Enrollment and Eligibility**

Enrollment

Enrollment in Medicaid Programs

The Wisconsin Department of Health Services (DHS) implements Title XIX of the Social Security Act (Medicaid). DHS, through its Forward Health program takes applications and determines the eligibility of individuals and families for BadgerCare Plus and Medicaid SSI. Only individuals who are included in the eligible populations and living in counties with authorized health plans are eligible to enroll and receive services from Molina Healthcare. Molina Healthcare of Wisconsin, Inc. Participates in BadgerCare Plus and Medicaid SSI coverage programs.

To enroll with Molina Healthcare, an applicant, his/her representative, or his/her responsible parent or guardian must complete and submit an application through his/her county agency or through the DHS website called ACCESS. BadgerCare Plus or SSI can be applied for through any of the following:

- Online at: <https://access.wisconsin.gov/>
- Telephone by calling Enrollment Services Center at (800) 291-2002
- In person or by mail at his/her local county or tribal agency.
- Applicants can find the county location, by calling (800) 291-2002 or by going to dhs.wisconsin.gov/em/customerhelp

DHS will enroll all eligible applicants into the health plan of their choice. If the applicant does not choose a plan, DHS will assign the applicant and his/her family to a plan that services the area where the applicant resides.

Providers are allowed to educate/inform their patients about the BadgerCare Plus and Medicaid SSI HMOs with which they contract.

Providers are allowed to inform their patients of the benefits, services, and specialty care services offered through the BadgerCare Plus or Medicaid SSI HMOs in which they participate.

Providers are allowed to give a patient contact information for a particular BadgerCare Plus or Medicaid SSI HMO, but only at the patient's request.

Providers are allowed to assist potentially eligible individuals with enrollment in the BadgerCare Plus and/or Medicaid SSI programs by helping them:

- Apply online at the Access website: www.access.wisconsin.gov
- Complete the online form at: www.dhs.wisconsin.gov/forms/F1/F10182.pdf; or
- Call or go to their county IM agency or tribal agency to complete an application; for a map of the different IM agencies per county, go to: www.dhs.wisconsin.gov/forwardhealth/imagency/index.htm

Providers are allowed to assist potentially eligible individuals with the BadgerCare Plus express enrollment process, as described on the ForwardHealth Portal at www.forwardhealth.wi.gov, if they qualify.

Providers are allowed to refer patients with questions about the BadgerCare Plus and/or Medicaid SSI programs to an HMO Enrollment Specialist at (800) 291-2002. HMOs are allowed to conduct orientations, health fairs, or community baby showers for their members in a private setting at a provider's office.

D-SNP plans are allowed to have agreements with providers in connection with plan marketing activities as long as the activity is consistent with Medicare regulations. D-SNP plans may use providers/and or facilities to distribute plan marketing materials as long as the provider and/or the facility distributes marketing materials for all plans with which the provider participates.

Providers are prohibited from recommending one HMO over another HMO, offering patients incentives to select one HMO over another HMO, or assisting the patient in deciding to select a specific HMO.

Per the Medicare Marketing Guidelines, providers participating in D-SNP plans must remain neutral when assisting members with enrollment decisions to ensure that providers do not appear to be a D-SNP plan agent.

No eligible applicant shall be refused enrollment or re-enrollment, have his/her enrollment terminated, or be discriminated against in any way because of his/her health status, pre-existing physical or mental condition, including pregnancy, hospitalization or the need for frequent or high-cost care.

Newborn Enrollment

PCPs are required to notify Molina Healthcare via the Pregnancy Notification form immediately after the first prenatal visit and/or positive pregnancy test of any Member presenting herself for health care services. The Pregnancy Notification form can be accessed on Molina Healthcare's website using the following link: <http://www.MolinaHealthcare.com/providers/wi/medicaid/forms/PDF/pregnancy-notification-form.pdf>

Inpatient at time of Enrollment

Regardless of what program or health plan the Member is enrolled in at discharge, the program or plan the Member is enrolled with on the date of admission shall be responsible for payment of all covered inpatient facility and professional services provided from the date of admission until the date the Member is no longer confined to an acute care hospital.

Eligibility Verification

Medicaid Programs

The State of Wisconsin, through the DHS, determines eligibility for the Medicaid Programs. Payment for services rendered is based on eligibility and benefit entitlement. The contractual agreement

between providers and Molina Healthcare places the responsibility for eligibility verification on the provider of services.

Eligibility Listing for Medicaid Programs

Providers who contract with Molina Healthcare may verify a Member's eligibility and/or confirm PCP assignment by checking the following:

- Molina Healthcare Provider Web Portal: <https://provider.molinahealthcare.com/provider/login>
- Molina Healthcare of Wisconsin, Inc. at: (855) 326-5059
- Molina Healthcare of Wisconsin, Inc. Interactive Voice Response System (IVR) at: (888) 999-2404

Possession of a Medicaid ID Card does not mean a recipient is eligible for Medicaid services. A provider should verify a recipient's eligibility each time the recipient receives services. The verification sources can be used to verify a recipient's enrollment in a managed care plan.

ForwardHealth Medical Cards

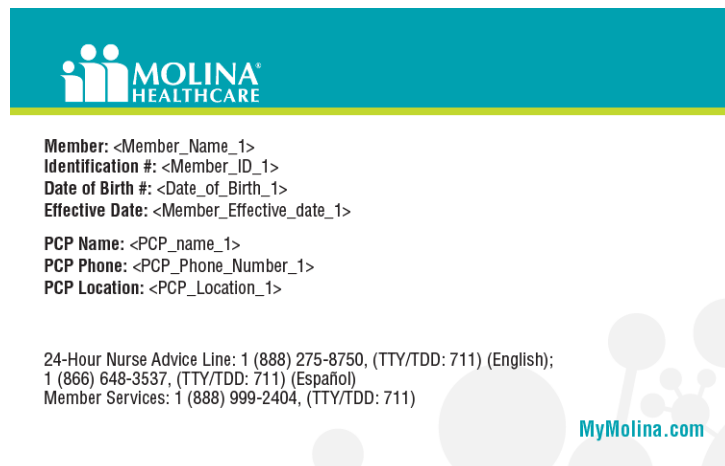

Members are reminded in their Member Handbooks to carry their ForwardHealth Medical ID cards with them when requesting medical services. It is the provider's responsibility to ensure Molina Healthcare Members are eligible for benefits and to verify PCP assignment, prior to rendering services.

Identification Cards

Molina Healthcare Members are issued one membership card. The card is not dated, nor is it returned when a Member becomes ineligible. Therefore, the presence of a card does not ensure that a person is currently enrolled or eligible with Molina Healthcare.

Molina Sample Member ID card

Card Front

Card Back

MEMBERS: If you have questions, visit our website at MolinaHealthcare.com or call Member Services at 1 (888) 999-2404, (TTY/TDD: 711).

24-HOUR NURSE ADVICE LINE: If you have questions about your health, call our 24-Hour Nurse Advice Line at 1 (888) 275-8750 or 1 (866) 648-3537 (Español). For hearing impaired, call TTY 711 or 1 (800) 947-3529.

EMERGENCY SERVICES: Call 911 (if available) or go to the nearest emergency room. If you are not sure whether you need to go to the emergency room, call your Primary Care Physician (PCP) at the number on the front of this card for help. Follow up with your PCP after all emergency room visits.

PRACTITIONERS/PROVIDERS/HOSPITALS: For prior authorizations, eligibility, claims or benefits visit the Molina Web Portal at MolinaHealthcare.com or call 1 (888) 999-2404.

MEMBER PHARMACY QUESTIONS: Call ForwardHealth Member Services at 1 (800) 362-3002.

PHARMACISTS: For pharmacy authorization questions, call ForwardHealth at 1 (800) 947-9627.

Claims Submission: PO BOX 22815, LONG BEACH, CA 90801

Molina Healthcare Address: PO Box 242480, MILWAUKEE, WI 53224-9931.

MolinaHealthcare.com

PCP Assignments

Molina Healthcare will offer each Member a choice of PCPs. After making a choice, each Member will have a single PCP. Molina Healthcare will assign a PCP to those Members who did not choose a PCP at the time

of enrollment with Molina Healthcare. Molina Healthcare will take into consideration the Member's last PCP (if the PCP is known and available in Molina Healthcare's contracted network), closest PCP to the Member's home address, ZIP code location, keeping children/adolescents within the same family together, age (adults versus children/adolescents) and gender (OB/GYN). Molina Healthcare will assign all Members that are reinstated after a temporary loss of eligibility of 60 days or less to the PCP who was treating them prior to loss of eligibility, unless the Member specifically requests another PCP, the PCP no longer participates in Molina Healthcare or is at capacity, or the Member has changed geographic areas.

PCP Changes

A Member may change his/her PCP at any time by contacting Molina Healthcare's Member Services Department at 888-999-2404.

• Section 9. Compliance

Fraud, Waste, and Abuse

Introduction

Molina is dedicated to the detection, prevention, investigation and reporting of potential health care fraud, waste, and abuse. As such, Molina's Compliance department maintains a comprehensive plan, which addresses how Molina will uphold and follow State and Federal statutes and regulations pertaining to fraud, waste and abuse. The plan also addresses fraud, waste and abuse prevention and detection along with and the education of appropriate employees, vendors, Providers and associates doing business with Molina.

Last Updated: 01/2020

Page 58

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

Molina's Special Investigation Unit (SIU) supports compliance in its efforts to deter and prevent fraud, waste, and abuse by conducting investigations aimed at identifying suspect activity and reporting these findings to the appropriate regulatory and/or Law enforcement agency.

Mission Statement

Molina regards health care fraud, waste and abuse as unacceptable, unlawful and harmful to the provision of quality health care in an efficient and affordable manner. Molina has therefore implemented a plan to prevent, investigate and report suspected health care fraud, waste and abuse in order to reduce health care cost and to promote quality health care.

Regulatory Requirements

Federal False Claims Act

The False Claims Act is a Federal statute that covers fraud involving any Federally funded contract or program. The act establishes liability for any person who knowingly presents or causes to be presented a false or fraudulent claim to the U.S. government for payment.

The term "knowing" is defined to mean that a person with respect to information:

- Has actual knowledge of falsity of information in the claim;
- Acts in deliberate ignorance of the truth or falsity of the information in a claim; or, Acts in reckless disregard of the truth or falsity of the information in a claim.

The act does not require proof of a specific intent to defraud the U.S. government. Instead, health care Providers can be prosecuted for a wide variety of conduct that leads to the submission of fraudulent claims to the government, such as knowingly making false statements, falsifying records, double-billing for items or services, submitting bills for services never performed or items never furnished or otherwise causing a false claim to be submitted.

Deficit Reduction Act

The Deficit Reduction Act ("DRA") aims to cut fraud, waste and abuse from the Medicare and Medicaid programs.

Health care entities like Molina who receive or pay out at least \$5 million dollars in Medicaid funds per year must comply with the DRA. As a contractor doing business with Molina, Providers and their staff have the same obligation to report any actual or suspected violation of Medicare/Medicaid funds either by fraud, waste or abuse. Entities must have written policies that inform employees, contractors, and agents of the following:

- The Federal False Claims Act and State Laws pertaining to submitting false Claims.
- How Providers will detect and prevent fraud, waste, and abuse.
- Employee protection rights as whistleblowers.

The Federal False Claims Act and State Medicaid False Claims Act have Qui Tam language commonly referred to as "whistleblower" provisions. These provisions encourage employees (current or former) and others to report instances of fraud, waste or abuse to the government. The government may then proceed to file a lawsuit against the organization/individual accused of violating the False Claims Act. The whistleblower may also file a lawsuit independently. Cases found

in favor of the government will result in the whistleblower receiving a portion of the amount awarded to the government.

Whistleblower protections state that employees who have been discharged, demoted, suspended, threatened, harassed or otherwise discriminated against due to their role in disclosing or reporting a false Claim are entitled to all relief necessary to make the employee whole including:

- Employment reinstatement at the same level of seniority.
- Two times the amount of back pay plus interest.
- Compensation for special damages incurred by the employee as a result of the employer's inappropriate actions.

Affected entities who fail to comply with the Law will be at risk of forfeiting all Medicaid payments until compliance is met. Molina will take steps to monitor Molina contracted Providers to ensure compliance with the Law.

Anti-Kickback Statute – Provides criminal penalties for individuals or entities that knowingly and willfully offer, pay, solicit, or receive remuneration in order to induce or reward business payable or reimbursable under the Medicare or other Federal health care programs.

Stark Statute – Similar to the Anti-Kickback Statute, but more narrowly defined and applied. It applies specifically to Medicare and Medicaid services provided only by physicians, rather than by all health care Providers.

Sarbanes-Oxley Act of 2002 – Requires certification of financial statements by both the Chief Executive Officer and the Chief Financial Officer. The Act states that a corporation must assess the effectiveness of its internal controls and report this assessment annually to the Securities and Exchange Commission.

Definitions

Fraud: means an intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to himself or some other person. It includes any act that constitutes fraud under applicable Federal or State Law. (42 CFR § 455.2)

Waste: means health care spending that can be eliminated without reducing the quality of care. Quality waste includes, overuse, underuse, and ineffective use. Inefficiency waste includes redundancy, delays, and unnecessary process complexity. An example would be the attempt to obtain reimbursement for items or services where there was no intent to deceive or misrepresent, however the outcome resulted in poor or inefficient billing methods (e.g. coding) causing unnecessary costs to the Medicaid program.

Abuse: means Provider practices that are inconsistent with sound fiscal, business, or medical practices, and result in unnecessary costs to the Medicaid program, or in reimbursement for services that are not Medically Necessary or that fail to meet professionally recognized standards for health care. It also includes recipient practices that result in unnecessary cost to the Medicaid programs. (42 CFR § 455.2)

Examples of Fraud, Waste and Abuse by a Provider

The types of questionable Provider schemes investigated by Molina include, but are not limited to the following:

- A Provider knowingly and willfully referring a Member to health care facilities in which or with which the Provider has a financial relationship. (Stark Law)
- Altering Claims and/or medical record documentation in order to get a higher level of reimbursement.
- Balance billing a Molina Member for Covered Services. This includes asking the Member to pay the difference between the discounted and negotiated fees, and the Provider's usual and customary fees.
- Billing and providing for services to Members that are not Medically Necessary.
- Billing for services, procedures and/or supplies that have not been rendered.
- Billing under an invalid place of service in order to receive or maximize reimbursement.
- Completing certificates of Medical Necessity for Members not personally and professionally known by the Provider.
- Concealing a Member's misuse of a Molina identification card.
- Failing to report a Member's forgery or alteration of a prescription or other medical document.
- False coding in order to receive or maximize reimbursement.
- Inappropriate billing of modifiers in order to receive or maximize reimbursement.
- Inappropriately billing of a procedure that does not match the diagnosis in order to receive or maximize reimbursement.
- Knowingly and willfully soliciting or receiving payment of kickbacks or bribes in exchange for referring patients.
- Not following incident to billing guidelines in order to receive or maximize reimbursement.
- Overutilization
- Participating in schemes that involve collusion between a Provider and a Member that result in higher costs or charges.
- Questionable prescribing practices.
- Unbundling services in order to get more reimbursement, which involves separating a procedure into parts and charging for each part rather than using a single global code.
- Underutilization, which means failing to provide services that are Medically Necessary.
- Upcoding, which is when a Provider does not bill the correct code for the service rendered, and instead uses a code for a like services that costs more.
- Using the adjustment payment process to generate fraudulent payments.

Examples of Fraud, Waste, and Abuse by a Member

The types of questionable Member schemes investigated by Molina include, but are not limited to, the following:

- Benefit sharing with persons not entitled to the Member's benefits.
- Conspiracy to defraud Medicaid.
- Doctor shopping, which occurs when a Member consults a number of Providers for the purpose of inappropriately obtaining services.
- Falsifying documentation in order to get services approved.
- Forgery related to health care.
- Prescription diversion, which occurs when a Member obtains a prescription from a Provider for a condition that they do not suffer from and the Member sells the medication to someone else.

Review of Provider Claims and Claims System

Molina Claims Examiners are trained to recognize unusual billing practices and to detect fraud, waste and abuse. If the Claims Examiner suspects fraudulent, abusive or wasteful billing practices, the billing practice is documented and reported to the Compliance department.

The Claims payment system utilizes system edits and flags to validate those elements of Claims are billed in accordance with standardized billing practices; ensure that Claims are processed accurately and ensure that payments reflect the service performed as authorized.

Molina performs auditing to ensure the accuracy of data input into the Claims system. The Claims department conducts regular audits to identify system issues or errors. If errors are identified they are corrected, and a thorough review of system edits is conducted to detect and locate the source of the errors.

Prepayment Fraud, Waste, and Abuse Detection Activities

Through implementation of Claims edits, Molina's Claims payment system is designed to audit Claims concurrently, in order to detect and prevent paying Claims that are inappropriate.

Molina has a pre-payment Claims auditing process that identifies frequent correct coding billing errors ensuring that Claims are coded appropriately according to State and Federal coding guidelines. Code edit relationships and edits are based on guidelines from specific State Medicaid Guidelines, Centers for Medicare and Medicaid Services (CMS), Federal CMS guidelines, AMA and published specialty specific coding rules. Code Edit Rules are based on information received from the National Physician Fee Schedule Relative File (NPFS), the Medical Medically Unlikely Edit table, the Medicaid National Correct Coding Initiative (NCCI) files and State-specific policy manuals and guidelines as specified by a defined set of indicators in the Medicare Physician Fee Schedule Data Base (MPFSDB).

Additionally, Molina may, at the request of a State program or at its own discretion, subject a Provider to prepayment reviews whereupon Provider is required to submit supporting source documents that justify an amount charged. Where no supporting documents are provided, or insufficient information is provided to substantiate a charge, the claim will be denied until such time that the Provider can provide sufficient accurate support.

Post-payment Recovery Activities

The terms expressed in this section of this Provider Manual are incorporated into the Provider Agreement, and are intended to supplement, rather than diminish, any and all other rights and remedies that may be available to Molina under the Provider Agreement or at Law or equity.

In the event of any inconsistency between the terms expressed here and any terms expressed in the Provider Agreement, the parties agree that Molina shall in its sole discretion exercise the terms that are expressed in the Provider Agreement, the terms that are expressed here, its rights under Law and equity, or some combination thereof.

Provider will provide Molina, governmental agencies and their representatives or agents, access to examine, audit, and copy any and all records deemed by Molina, in Molina's sole discretion, necessary to determine compliance with the terms of the Provider Agreement, including for the purpose of investigating potential fraud, waste and abuse. Documents and records must be readily

accessible at the location where Provider provides services to any Molina Members. Auditable documents and records include, but are not limited to, medical charts; patient charts; billing records; and coordination of benefits information. Production of auditable documents and records must be provided in a timely manner, as requested by Molina and without charge to Molina. In the event Molina identifies fraud, waste or abuse, Provider agrees to repay funds or Molina may seek recoupment.

If a Molina auditor is denied access to Provider's records, all of the claims for which Provider received payment from Molina is immediately due and owing. If Provider fails to provide all requested documentation for any claim, the entire amount of the paid Claim is immediately due and owing. Molina may offset such amounts against any amounts owed by Molina to Provider. Provider must comply with all requests for documentation and records timely (as reasonably requested by Molina) and without charge to Molina. Claims for which Provider fails to furnish supporting documentation during the audit process are not reimbursable and are subject to chargeback.

Provider acknowledges that HIPAA specifically permits a covered entity, such as Provider, to disclose protected health information for its own payment purposes (see 45 CFR 164.502 and 45 CFR 154.501). Provider further acknowledges that in order to receive payment from Molina, Provider is required to allow Molina to conduct audits of its pertinent records to verify the services performed and the payment claimed, and that such audits are permitted as a payment activity of Provider under HIPAA and other applicable privacy Laws.

Claim Auditing

Molina shall use established industry Claims adjudication and/or clinical practices, Commonwealth, and Federal guidelines, and/or Molina's policies and data to determine the appropriateness of the billing, coding, and payment.

Provider acknowledges Molina's right to conduct pre and post-payment billing audits. Provider shall cooperate with Molina's Special Investigations Unit and audits of claims and payments by providing access at reasonable times to requested claims information, all supporting medical records, Provider's charging policies, and other related data as deemed relevant to support the transactions billed. Providers are required to submit, or provide access to, medical records upon Molina's request. Failure to do so in a timely manner may result in an audit failure and/or denial, resulting in an overpayment.

In reviewing medical records for a procedure, Molina may select a statistically valid random sample, or smaller subset of the statistically valid random sample. This gives an estimate of the proportion of claims that Molina paid in error. The estimated proportion, or error rate, may be projected across all claims to determine the amount of overpayment.

Provider audits may be telephonic, an on-site visit, internal claims review, client-directed/regulatory investigation and/or compliance reviews and may be vendor assisted. Molina asks that you provide Molina, or Molina's designee, during normal business hours, access to examine, audit, scan and copy any and all records necessary to determine compliance and accuracy of billing.

Molina shall use established industry Claims adjudication and/or clinical practices, State, and Federal guidelines, and/or Molina's policies and data to determine the appropriateness of the billing, coding, and payment.

If Molina's Special Investigations Unit suspects that there is fraudulent or abusive activity, Molina may conduct an on-site audit without notice. Should you refuse to allow access to your facilities, Molina reserves the right to recover the full amount paid or due to you.

Provider Education

When Molina identifies through an audit or other means a situation with a Provider (e.g. coding, billing) that is either inappropriate or deficient, Molina may determine that a Provider education visit is appropriate.

Molina will notify the Provider of the deficiency and will take steps to educate the Provider, which may include the Provider submitting a corrective action plan (CAP) to Molina addressing the issues identified and how it will cure these issues moving forward.

Reporting Fraud, Waste and Abuse

If you suspect cases of fraud, waste, or abuse, you must report it by contacting the Molina AlertLine. AlertLine is an external telephone and web-based reporting system hosted by NAVEX Global, a leading Provider of compliance and ethics hotline services. AlertLine telephone and web-based reporting is available twenty-four (24) hours a day, seven (7) days a week, three-hundred-sixty-five (365) days a year. When you make a report, you can choose to remain confidential or anonymous. If you choose to call AlertLine, a trained professional at NAVEX Global will note your concerns and provide them to the Molina Compliance department for follow-up. If you elect to use the web-based reporting process, you will be asked a series of questions concluding with the submission of your report. Reports to AlertLine can be made from anywhere within the United States with telephone or internet access.

Molina AlertLine can be reached toll free at (866) 606-3889 or you may use the service's website to make a report at any time at <https://MolinaHealthcare.alertline.com>

You may also report cases of fraud, waste or abuse to Molina's Compliance department. You have the right to have your concerns reported anonymously without fear of retaliation.

Last Updated: 01/2020

Page 64

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

HIPAA Requirements and Information

HIPAA (The Health Insurance Portability and Accountability Act)

Molina's Commitment to Patient Privacy

Protecting the privacy of Members' personal health information is a core responsibility that Molina takes very seriously. Molina is committed to complying with all Federal and State Laws regarding the privacy and security of Members' protected health information (PHI).

Provider Responsibilities

Molina expects that its contracted Provider will respect the privacy of Molina Members (including Molina Members who are not patients of the Provider) and comply with all applicable Laws and regulations regarding the privacy of patient and Member PHI. Molina provides its Members with a privacy notice upon their enrollment in our health plan. The privacy notice explains how Molina uses and discloses their PHI and includes a summary of how Molina safeguards their PHI.

Telehealth/Telemedicine Providers: Telehealth transmissions are subject to HIPAA-related requirements outlined under State and Federal Law, including:

- 42 C.F.R. Part 2 regulations
- Health Information Technology for Economic and Clinical Health Act, ("HITECH Act")

Applicable Laws

Providers must understand all State and Federal health care privacy Laws applicable to their practice and organization. Currently, there is no comprehensive regulatory framework that protects all health information in the United States; instead there is a patchwork of Laws that Providers must comply with. In general, most health care Providers are subject to various Laws and regulations pertaining to privacy of health information, including, without limitation, the following:

1. Federal Laws and Regulations

- HIPAA
- The Health Information Technology for Economic and Clinical Health Act (HITECH)
- 42 C.F.R. Part 2
- Medicare and Medicaid Laws
- The Affordable Care Act

2. State Medical Privacy Laws and Regulations.

- 1) Providers should be aware that HIPAA provides a floor for patient privacy, but that State Laws should be followed in certain situations, especially if the State Law is more stringent than HIPAA. Providers should consult with their own legal counsel to address their specific situation.

Uses and Disclosure of PHI

Member and patient PHI should only be used or disclosed as permitted or required by applicable Law. Under HIPAA, a Provider may use and disclose PHI for their own treatment, payment, and health care operations activities (TPO) without the consent or authorization of the patient who is the subject of the PHI. Uses and disclosures for TPO apply not only to the Provider's own TPO activities,

but also for the TPO of another covered entity¹. Disclosure of PHI by one covered entity to another covered entity, or health care Provider, for the recipient's TPO is specifically permitted under HIPAA in the following situations:

1. A covered entity may disclose PHI to another covered entity or a health care Provider for the payment activities of the recipient. Please note that "payment" is a defined term under the HIPAA Privacy Rule that includes, without limitation, utilization review activities, such as preauthorization of services, concurrent review, and retrospective review of "services"².
2. A covered entity may disclose PHI to another covered entity for the health care operations activities of the covered entity that receives the PHI, if each covered entity either has or had a relationship with the individual who is the subject of the PHI being requested, the PHI pertains to such relationship, and the disclosure is for the following health care operations activities:
 - Quality improvement
 - Disease management
 - Case management and care coordination
 - Training Programs
 - Accreditation, licensing, and credentialing

Importantly, this allows Providers to share PHI with Molina for our health care operations activities, such as HEDIS® and Quality Improvement.

Confidentiality of Substance Use Disorder Patient Records

Federal Confidentiality of Substance Use Disorder Patients Records regulations apply to any entity or individual providing federally-assisted alcohol or drug abuse prevention treatment. Records of the identity, diagnosis, prognosis, or treatment of any patient which are maintained in connection with substance use disorder treatment or programs are confidential and may be disclosed only as permitted by 42 CFR Part 2. Although HIPAA protects substance use disorder information, the Federal Confidentiality of Substance Use Disorder Patients Records regulations are more restrictive than HIPAA and they do not allow disclosure without the Member's written consent except as set forth in 42 CFR Part 2.

Inadvertent Disclosures of PHI

Molina may, on occasion, inadvertently misdirect or disclose PHI pertaining to Molina Member(s) who are not the patients of the Provider. In such cases, the Provider shall return or securely destroy the PHI of the affected Molina Members in order to protect their privacy. The Provider agrees to not further use or disclose such PHI and further agrees to provide an attestation of return, destruction and non-disclosure of any such misdirected PHI upon the reasonable request of Molina.

Written Authorizations

Uses and disclosures of PHI that are not permitted or required under applicable Law require the valid written authorization of the patient. Authorizations should meet the requirements of HIPAA and

¹See, Sections 164.506(c) (2) & (3) of the HIPAA Privacy Rule.

² See the definition of Payment, Section 164.501 of the HIPAA Privacy Rule

applicable State Law. A sample Authorization for the Use and Disclosure of Protected Health Information is included at the end of this section.

Patient Rights

Patients are afforded various rights under HIPAA. Molina Providers must allow patients to exercise any of the below-listed rights that apply to the Provider's practice:

1. Notice of Privacy Practices

Providers that are covered under HIPAA and that have a direct treatment relationship with the patient should provide patients with a notice of privacy practices that explains the patient's privacy rights and the process the patient should follow to exercise those rights. The Provider should obtain a written acknowledgment that the patient received the notice of privacy practices.

2. Requests for Restrictions on Uses and Disclosures of PHI

Patients may request that a health care Provider restrict its uses and disclosures of PHI. The Provider is not required to agree to any such request for restrictions.

3. Requests for Confidential Communications

Patients may request that a health care Provider communicate PHI by alternative means or at alternative locations. Providers must accommodate reasonable requests by the patient.

4. Requests for Patient Access to PHI

Patients have a right to access their own PHI within a Provider's designated record set. Personal representatives of patients have the right to access the PHI of the subject patient. The designated record set of a Provider includes the patient's medical record, as well as billing and other records used to make decisions about the Member's care or payment for care.

5. Request to Amend PHI

Patients have a right to request that the Provider amend information in their designated record set.

6. Request Accounting of PHI Disclosures

Patients may request an accounting of disclosures of PHI made by the Provider during the preceding six (6) year period. The list of disclosures does not need to include disclosures made for treatment, payment, or health care operations or made prior to April 14, 2003.

HIPAA Security

Providers must implement and maintain reasonable and appropriate safeguards to protect the confidentiality, availability and integrity of Molina Member and patient PHI. As more Providers implement electronic health records, Providers need to ensure that they have implemented and maintain appropriate cybersecurity measures. Providers should recognize that identity theft – both financial and medical – is a rapidly growing problem and that their patients trust their health care Providers to keep their most sensitive information private and confidential.

Medical identity theft is an emerging threat in the health care industry. Medical identity theft occurs when someone uses a person's name and sometimes other parts of their identity – such as health

insurance information – without the person’s knowledge or consent to obtain health care services or goods. Medical identity theft frequently results in erroneous entries being put into existing medical records. Providers should be aware of this growing problem and report any suspected fraud to Molina.

HIPAA Transactions and Code Sets

Molina requires the use of electronic transactions to streamline health care administrative activities. Molina Providers must submit Claims and other transactions to Molina using electronic formats. Certain electronic transactions in health care are subject to HIPAA’s Transactions and Code Sets Rule including, but not limited to, the following:

- Claims and Encounters
- Member eligibility status inquiries and responses
- Claims status inquiries and responses
- Authorization requests and responses
- Remittance advices

Molina is committed to complying with all HIPAA Transaction and Code Sets standard requirements. Providers should refer to Molina’s website at www.MolinaHealthcare.com for additional information regarding HIPAA standard transactions.

1. Click on the area titled “I’m a Health Care Professional”
2. Click the tab titled “HIPAA”
3. Click on the tab titled “HIPAA Transactions” or “HIPAA Code Sets”

Code Sets

HIPAA regulations require that only approved code sets may be used in standard electronic transactions. For Claims with dates of service prior to October 1, 2015, ICD-9 coding must be used. For Claims with dates of service on or after October 1, 2015, Providers must use the ICD-10 code sets.

National Provider Identifier

Provider must comply with the National Provider Identifier (NPI) Rule promulgated under HIPAA. The Provider must obtain an NPI from the National Plan and Provider Enumeration System (NPPES) for itself or for any subparts of the Provider. The Provider must report its NPI and any subparts to Molina and to any other entity that requires it. Any changes in its NPI or subparts information must be reported to NPPES within thirty (30) days and should also be reported to Molina within thirty (30) days of the change. Providers must use their NPI to identify it on all electronic transactions required under HIPAA and on all Claims and Encounters submitted to Molina.

Additional Requirements for Delegated Providers

Providers that are delegated for Claims and Utilization Management activities are the “business associates” of Molina. Under HIPAA, Molina must obtain contractual assurances from all business associates that they will safeguard Member PHI. Delegated Providers must agree to various contractual provisions required under HIPAA’s Privacy and Security Rules.

Reimbursement for Copies of PHI

Molina does not reimburse Providers for copies of PHI related to our Members. These requests may include, although are not limited to, the following purposes:

**AUTHORIZATION FOR THE USE AND DISCLOSURE OF
PROTECTED HEALTH INFORMATION**

Member Name: _____ Member ID #: _____
 Member Address: _____ Date of Birth: _____
 City/State/Zip: _____ Telephone #: _____

I hereby authorize the use or disclosure of my protected health information as described below.

1. Name of persons/organizations authorized to make the requested use or disclosure of protected health information:

2. Name of persons/organizations authorized to receive the protected health information:

3. Specific description of protected health information that may be used/disclosed:

4. The protected health information will be used/disclosed for the following purpose(s):

5. The person/organization authorized to use/disclose the protected health information will receive compensation for doing so. Yes____ No____

6. I understand that this authorization is voluntary and that I may refuse to sign this authorization. My refusal to sign will not affect my eligibility for benefits or enrollment, payment for or coverage of services, or ability to obtain treatment, except as provided under numbers 7 and 8 on this form.

7. Molina may condition the provision of research related treatment on my provision of an authorization for the use or disclosure of PHI for such research.

8. If the purpose of this authorization is to disclose health information to another party based on health care that is provided solely to obtain such information, and I refuse to sign this authorization, Molina reserves the right to deny that health care.

9. I understand that I have a right to receive a copy of this authorization, if requested by me.

10. I understand that I may revoke this authorization at any time by notifying Molina in writing, except to the extent that:

- Action has been taken in reliance on this authorization; or,
- If this authorization is obtained as a condition of obtaining health care coverage, other Law provides the Health Plan with the right to contest a Claim under the benefits or coverage under the plan.

11. I understand that the information I authorize a person or entity to receive may be no longer protected by Federal Law and regulations.

12. This authorization expires on the following date or event*: _____

**If no expiration date or event is specified above, this authorization will expire 12 months from the date signed below.*

Signature of Member or Member's Personal Representative

Date

Printed Name of Member or Member's Personal Representative, if applicable

Relationship to Member or Personal Representative's Authority to act for the Member, if applicable

A copy of this signed form will be provided to the Member, if the authorization was sought by Molina

• **Section 10. Member Rights & Responsibilities**

Providers must comply with the rights and responsibilities of Molina Members as outlined in the Molina Member Handbook and on the Molina website. The Member Handbook that is provided to Members annually is hereby incorporated into this Provider Manual. The most current Member Rights and Responsibilities can be accessed via the following link:

<https://www.molinahealthcare.com/members/wi/en-US/mem/medicaid/badger/quality/Pages/rights.aspx>

Member Handbooks are available on Molina's Member Website. Member Rights and Responsibilities are outlined under the heading "Your Rights and Responsibilities" within the Member Handbook document.

State and Federal Law requires that health care Providers and health care facilities recognize Member rights while the Members are receiving medical care, and that Members respect the health care Provider's or health care facility's right to expect certain behavior on the part of the Members.

Molina Healthcare Member Rights & Responsibilities Statement

Members Have the Right to:

- Receive the facts about Molina Healthcare, its services and its contracted providers. Have privacy and be treated with respect and dignity
- Help make decisions about their health care. They may refuse treatment
- Request and receive a copy of their Medical Records or request an amendment or correction
- Openly discuss their treatment options in a way they can understand. It does not matter what the cost or benefit coverage
- Voice any Complaints or Appeals about Molina Healthcare or the care they were given. Use their Member rights without fear of negative results
- Receive their Member rights and responsibilities at least yearly. Suggest changes to these Member rights and responsibilities
- Ask for an interpreter and have one provided to them during any BadgerCare Plus and/or Medicaid SSI Covered Service
- Availability and accessibility of all Covered Services. When medically appropriate, services must be available twenty-four (24) hours a day, seven (7) days a week
- Be free from any form of restraint or seclusion used as a means of force, control, ease or reprisal. Receive information about their treatment options, including the right to receive a second opinion. An independent review of any final decisions regarding their health care made by Molina Healthcare
- Receive information in the Member Handbook in another language or another format. Receive health care services as provided for in Federal and State law
- Make decisions about their health care
- For additional information, please contact Molina Healthcare at (855) 326-5059. TTY users, please call 711

Second Opinions

If a Member does not agree with his/her provider's plan of care, he/she has the right to a second opinion from another provider, subject to Referral procedures approved by DHS. Members should call the Molina Healthcare of Wisconsin, Inc. Member Services Department to find out how to get a second opinion.

• Section 11. Health Care Services (HCS)

Introduction

Healthcare Services is comprised of Utilization Management and Care Management departments that work together to achieve an integrated model based upon empirically validated best practices that have demonstrated positive results. Research and experience show that a higher-touch, Member-centric care environment for at-risk Members supports better health outcomes. Molina provides care management services to Members using processes designed to address a broad spectrum of needs, including chronic conditions that require the coordination and provision of health care services. Elements of the Molina utilization management program include pre-service authorization review and inpatient authorization management that includes pre-admission, admission and concurrent review, medical necessity review, and restrictions on the use of out-of-network Providers.

Utilization Management (UM)

Molina's UM Department is designed to provide comprehensive health care management. This focus, from prevention through treatment, benefits the entire care delivery system by effectively and efficiently managing existing resources to ensure quality care. It also ensures that care is both medically necessary and demonstrates an appropriate use of resources based on the severity of illness and the site of service. Molina works in partnership with Members and Providers to promote a seamless delivery of health care services. The UM team works closely with the Care Management team to ensure Members receive the support they need when moving from one care setting to another or when complexity of care and services is identified. Molina's UM program ensures appropriate and effective utilization of services by managing benefits effectively and efficiently to ensure appropriate use of health care services.

- Identifying the review criteria, information sources, and processes that are used to review for medical necessity and appropriateness of the requested items and services.
- Coordinating, directing, and monitoring the quality and cost effectiveness of utilization practice patterns of Providers to identify over and under service utilization.
- Ensuring that services are available in a timely manner, in appropriate settings, and are planned, individualized, and measured for effectiveness.
- Reviewing processes to ensure care is safe and accessible.
- Ensuring that qualified health care professionals perform all components of the UM/CM processes while providing timely responses to Member appeals and grievances.
- Ensuring that UM decision tools are appropriately applied in determining medical necessity decisions.
- Identifying and assessing the need for Care Management through early identification of high or low service utilization, and high cost-chronic diseases.
- Promoting health care in accordance with local, state and national standards;

Last Updated: 01/2020

Page 72

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

- Processing authorization requests timely and with adherence to all regulatory and accreditation timeliness standards.

The table below outlines the key functions of the UM program. All prior authorizations are based on a specific standardized list of services.

Eligibility and Oversight	Resource Management	Quality Management
Eligibility verification	Prior Authorization and referral management	Satisfaction evaluation of the UM program using Member and Provider input
Benefit administration and interpretation	Pre-admission, Admission and Inpatient Review	Utilization data analysis
Ensure authorized care correlates to Member's medical necessity need(s) & benefit plan	Post service/post claim audits	Monitor for possible over- or under-utilization of clinical resources
Verifying current Physician/hospital contract status	Referrals for Discharge Planning and Care Transitions	Quality oversight
Delegation oversight	Staff education on consistent application of UM functions	Monitor for adherence to CMS, NCQA®, State and health plan UM standards

This Molina Provider Manual contains excerpts from Molina's Healthcare Services Program Description. For a complete copy of your state's Healthcare Services Program Description you can access the Molina website or contact the UM Department to receive a written copy. You can always find more information about Molina's UM program, including information about obtaining a copy of clinical criteria used for authorizations and how to contact a UM reviewer on Molina's website or by calling the UM Department.

Medical Groups/IPAs and delegated entities who assume responsibility for UM must adhere to Molina's UM Policies. Their programs, policies and supporting documentation are reviewed by Molina at least annually.

UM Decisions

A decision is any determination (e.g., an approval or denial) made by Molina or the delegated Medical Group/IPA or other delegated entity with respect to the following:

- Determination to authorize, provide or pay for services (favorable determination);
- Determination to deny payment of request (adverse determination);
- Discontinuation of a payment for a service;
- Payment for temporarily out-of-the-area renal dialysis services; and,
- Payment for Emergency Services, post stabilization care or urgently needed services.

Molina follows a hierarchy of medical necessity decision making with Federal and State regulations taking precedence. Molina covers all services and items required by State and Federal regulations.

Board certified licensed Providers from appropriate specialty areas are utilized to assist in making determinations of medical necessity, as appropriate. All utilization decisions must be made in a timely manner to accommodate the clinical urgency of the situation, in accordance with Federal regulatory requirements and NCQA® standards.

Requests for authorization not meeting criteria are reviewed by a designated Molina Medical Director or other appropriate clinical professional. Only a licensed physician or pharmacist, doctoral level clinical psychologist or certified addiction medicine specialist as appropriate may determine to delay, modify or deny services to a Member for reasons of medical necessity.

Providers can contact Molina's Healthcare Services department at (855) 326-5059 to obtain Molina's UM Criteria.

Medical Necessity

"Medically Necessary" or **"Medical Necessity"** means health care services that a physician, exercising prudent clinical judgment, would provide to a patient.

This is for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms. Those services must be deemed by Molina to be:

1. In accordance with generally accepted standards of medical practice;
2. Clinically appropriate and clinically significant, in terms of type, frequency, extent, site and duration. They are considered effective for the patient's illness, injury or disease; and,
3. Not primarily for the convenience of the patient, physician, or other health care Provider. The services must not be more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease.

For these purposes, "generally accepted standards of medical practice" means standards that are based on credible scientific evidence published in peer-reviewed medical literature. This literature is generally recognized by the relevant medical community, physician specialty society recommendations, the views of physicians practicing in relevant clinical areas and any other relevant factors.

The fact that a Provider has prescribed, recommended or approved medical or allied goods or services does not, in itself, make such care, goods or services medically necessary, a medical necessity or a covered service/benefit.

Medical Necessity Review

Molina only reimburses for services that are medically necessary. Medical necessity review may take place prospectively, as part of the inpatient admission notification/concurrent review, or retrospectively. To determine medical necessity, in conjunction with independent professional medical judgment, Molina uses nationally recognized evidence based guidelines, third party guidelines, CMS guidelines, state guidelines, guidelines from recognized professional societies, and advice from authoritative review articles and textbooks.

Levels of Administrative and Clinical Review

The Molina review process begins with administrative review followed by clinical review if appropriate. The administrative review includes verifying eligibility, appropriate vendor or Participating Provider, and benefit coverage.

- Verifying Member eligibility.
- Requested service is a covered benefit.
- Requested service is within the Provider's scope of practice.
- The requested covered service is directed to the most appropriate contracted specialist, facility or vendor.

The Clinical review includes medical necessity and level of care.

- Requested service is not experimental or investigation in nature.
- Servicing Provider can provide the service in a timely manner.
- The receiving specialist(s) and/or hospital is/are provided the required medical information to evaluate a Member's condition.
- Medical necessity criteria (according to accepted, nationally-recognized resources) is met.
- The service is provided at the appropriate level of care in the appropriate facility; e.g., outpatient versus inpatient or at appropriate level of inpatient care.
- Continuity and coordination of care is maintained.
- The PCP is kept apprised of service requests and of the service provided to the Member by other Providers.

All UM requests that may lead to a denial are reviewed by a healthcare professional at Molina (medical director, pharmacy director, or appropriately licensed health professional).

Molina's Provider training includes information on the UM processes and Authorization requirements.

Clinical Information

Molina requires copies of clinical information be submitted for documentation in all medical necessity determination processes. Clinical information includes but is not limited to; physician emergency department notes, inpatient history/physical exams, discharge summaries, physician progress notes, physician office notes, physician orders, nursing notes, results of laboratory or imaging studies, therapy evaluations and therapist notes. Molina does not accept clinical summaries, telephone summaries or inpatient case manager criteria reviews as meeting the clinical information requirements unless State or Federal regulations allows such documentation to be acceptable.

Prior Authorization

Molina requires prior authorization for specified services as long as the requirement complies with Federal or State regulations and the Molina Hospital or Provider Services Agreement. The list of services that require prior authorization is available in narrative form, along with a more detailed list by CPT and HCPCS codes. Molina prior authorization documents are customarily updated quarterly, but may be updated more frequently as appropriate, and are posted on the Molina website at www.MolinaHealthcare.com.

Last Updated: 01/2020

Page 75

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

Providers are encouraged to use the Molina prior authorization form provided on the Molina web site. If using a different form, the prior authorization request must include the following information:

- Member demographic information (name, date of birth, Molina ID number).
- Provider demographic information (referring Provider and referred to Provider/facility).
- Member diagnosis and ICD-10 codes.
- Requested service/procedure, including all appropriate CPT and HCPCS codes.
- Location where service will be performed.
- Clinical information sufficient to document the medical necessity of the requested service is required including:
 - Pertinent medical history (include treatment, diagnostic tests, examination data).
 - Requested length of stay (for inpatient requests).
 - Rationale for expedited processing.

Services performed without authorization may not be eligible for payment. Services provided emergently (as defined by Federal and State Law) are excluded from the prior authorization requirements. Prior Authorization is not a guarantee of payment. Payment is contingent upon medical necessity and member eligibility at the time of service.

Molina makes UM decisions in a timely manner to accommodate the urgency of the situation as determined by the member's clinical situation. The definition of expedited/urgent is when the situation where the standard time frame or decision making process could seriously jeopardize the life or health of the enrollee, or could jeopardize the enrollee's ability to regain maximum function. Supporting documentation is required to justify the expedited request.

For expedited request for authorization, a determination is made as promptly as the member's health requires and no later than seventy-two (72) hours after we receive the initial request for service in the event a provider indicates, or if we determine that a standard authorization decision timeframe could jeopardize a member's life or health. For a standard authorization request, Molina makes the determination and provides notification within fourteen (14) calendar days.

Providers who request prior authorization approval for patient services and/or procedures may request to review the criteria used to make the final decision. Molina has a full-time Medical Director available to discuss medical necessity decisions with the requesting Provider at (855) 326-5059.

Upon approval, the requestor will receive an authorization number. The number may be provided by telephone or fax. If a request is denied, the requestor and the Member will receive a letter explaining the reason for the denial and additional information regarding the grievance and appeals process. Denials also are communicated to the Provider by telephone if at all possible or by fax with confirmation of receipt if telephonic communication fails.

Requesting Prior Authorization

Provider Portal: Participating Providers are encouraged to use the Molina Provider Portal for prior authorization submissions whenever possible. Instructions for how to submit a prior authorization request are available on the Molina Provider Portal. The benefits of submitting your prior authorization request through the Provider Portal are:

- Create and submit Prior Authorization Requests.
- Check status of Authorization Requests.

- Receive notification of change in status of Authorization Requests.
- Attach medical documentation required for timely medical review and decision making.

Fax: The Prior Authorization Request Form can be faxed to Molina at: (877) 708-2117.

Phone: Prior authorizations can be initiated by contacting Molina's Healthcare Services Department at (855) 326-5059. It may be necessary to submit additional documentation before the authorization can be processed.

Mail: Prior authorization requests and supporting documentation can be submitted via U.S. Mail at the following address:

Molina Healthcare of Wisconsin
Attn: Healthcare Services Dept.
PO Box 242480
Milwaukee, WI 53224

Molina has contracted with eviCore Healthcare (eviCore) to manage preauthorization requests for the following specialized clinical services:

- Imaging and Special Test
 - Advanced Imaging (MRI, CT, PET, Selected Ultrasounds)
 - Cardiac Imaging
- Radiation Therapy
- Sleep Covered Services and Related Equipment
- Molecular and Genomic Testing

Please refer to the Molina Prior Authorization Code Matrix located on the www.MolinaHealthcare.com website and contact eviCore visit website: www.evicore.com and/or call phone number: (888) 333-8144

Emergency Services

Emergency Services means: health care services needed to evaluate, stabilize or treat an Emergency Medical Condition.

Emergency Medical Condition or Emergency means: means the acute onset of a medical condition or psychiatric condition that has acute symptoms of sufficient severity (including severe pain), such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect that the absence of immediate medical attention could result in:

- Placing the health of the Member in serious jeopardy,
- Serious impairment to bodily functions, or,
- Serious dysfunction of any bodily organ or part.

A medical screening exam performed by licensed medical personnel in the emergency department and subsequent Emergency Services rendered to the Member do not require prior authorization from Molina.

Emergency Services are covered on a twenty-four (24) hour basis without the need for prior authorization for all Members experiencing an Emergency Medical Condition.

Molina accomplishes this service by providing a twenty-four (24) hour Nurse Advise line for post business hours. In addition, the 911 information is given to all Members at the onset of any call to the plan.

For Members within our service area: Molina contracts with vendors that provide twenty-four (24) hour Emergency Services for ambulance and hospitals. An out of network emergency hospital stay will be covered until the Member has stabilized sufficiently to transfer to a participating facility. Services provided after stabilization in a non-participating facility are not covered and the Member will be responsible for payment.

Members over-utilizing the emergency department may be contacted by Molina Case Managers to provide assistance whenever possible and determine the reason for using Emergency Services.

Inpatient Management

Elective Inpatient Admissions

Molina requires prior authorization for all elective/scheduled inpatient admissions and procedures to any facility. Facilities are required to also notify Molina within 24 hours or by the following business day once the admission has occurred for concurrent review. Elective inpatient admission services performed without prior authorization may not be eligible for payment.

Emergent Inpatient Admissions

Molina requires notification of all emergent inpatient admissions within twenty-four (24) hours of admission or by the Following business day. Notification of admission is required to verify eligibility, authorize care, including level of care (LOC), and initiate concurrent review and discharge planning. Molina requires that notification includes Member demographic information, facility information, date of admission and clinical information sufficient to document the medical necessity of the admission. Emergent inpatient admission services performed without meeting notification, medical necessity requirements or failure to include all of the needed clinical documentation to support the need for an inpatient admission will result in a denial of authorization for the inpatient stay.

Inpatient at time of Termination of Coverage

If a Member's coverage with Molina terminates during a hospital stay, all services received after their termination of eligibility are not covered services.

Inpatient/Concurrent Review

Molina performs concurrent inpatient review to ensure medical necessity of ongoing inpatient services, adequate progress of treatment and development of appropriate discharge plans. Performing these functions requires timely clinical information updates from inpatient facilities. Molina will request updated clinical records from inpatient facilities at regular intervals during a Member's inpatient stay. Molina requires that requested clinical information updates be received by Molina from the inpatient facility within twenty-four (24) hours of the request. Failure to provide timely clinical

Last Updated: 01/2020

Page 78

information updates may result in denial of authorization for the remainder of the inpatient admission dependent on the Provider contract terms and agreements.

Molina will authorize hospital care as an inpatient, when the clinical record supports the medical necessity for the need for continued hospital stay. It is the expectation that observation has been tried in those patients that require a period of treatment or assessment, pending a decision regarding the need for additional care, and the observation level of care has failed. Upon discharge the Provider must provide Molina with a copy of Member's discharge summary to include demographic information, date of discharge, discharge plan and instructions, and disposition.

Inpatient Status Determinations

Molina's UM staff follow CMS guidelines to determine if the collected clinical information for requested services are "reasonable and necessary for the diagnosis or treatment of an illness or injury or to improve the functioning of malformed body member" by meeting all coverage, coding and medical necessity requirements (refer to the Medical Necessity Standards section of this manual).

Discharge Planning

The goal of discharge planning is to initiate cost-effective, quality-driven treatment interventions for post-hospital care at the earliest point in the admission.

UM staff work closely with the hospital discharge planners to determine the most appropriate discharge setting for our Members. The clinical staff review medical necessity and appropriateness for home health, infusion therapy, durable medical equipment (DME), skilled nursing facility and rehabilitative services.

Readmissions

Readmission review is an important part of Molina's Quality Improvement Program to ensure that Molina Members are receiving hospital care that is compliant with nationally recognized guidelines as well as Federal and State regulations.

Molina will conduct readmission reviews for participating hospitals when both admissions occur at the same acute inpatient facility within the state regulatory requirement dates. If it is determined that the subsequent admission is related to the first admission (readmission) and determined to be preventable, then a single payment may be considered as payment in full for both the first and second hospital admissions.

- A Readmission is considered potentially preventable if it is clinically related to the prior admission and includes the following circumstances:
 - Premature or inadequate discharge from the same hospital;
 - Issues with transition or coordination of care from the initial admission;
 - For an acute medical complication plausibly related to care that occurred during the initial admission.
- 2)
- Readmissions that are excluded from consideration as preventable readmissions include:
 - Planned readmissions associated with major or metastatic malignancies, multiple trauma, and burns.

- Certain chronic conditions for which subsequent Readmissions are often either not preventable or are expected to require significant follow-up care.
- Neonatal and obstetrical Readmissions.
- Initial admissions with a discharge status of “left against medical advice” because the intended care was not completed.
- Behavioral Health readmissions.

When a subsequent admission to the same facility with the same or similar diagnosis occurs within twenty-four (24) hours of discharge, the hospital will be informed that the readmission will be combined with the initial admission and will be processed as a continued stay.

Exceptions

1. The readmission is determined to be due to an unrelated condition from the first inpatient admission AND there is no evidence that premature or inadequate discharge, transition or coordination of care from the initial admission necessitated the second admission.
2. The readmission is part of a medically necessary prior authorized or staged treatment plan.
3. There is clear medical record documentation that the patient left the hospital AMA during the first hospitalization prior to completion of treatment and discharge planning.

Post Service Review

Failure to obtain authorization when required will result in denial of payment for those services. The only possible exception for payment as a result of post-service review is if information is received indicating the Provider did not know nor reasonably could have known that patient was a Molina Member or there was a Molina error, a Medical Necessity review will be performed. Decisions, in this circumstance, will be based on medical need, appropriateness of care guidelines defined by UM policies and criteria, regulation, guidance and evidence-based criteria sets.

Specific Federal or State requirements or Provider contracts that prohibit administrative denials supersede this policy.

Affirmative Statement about Incentives

All medical decisions are coordinated and rendered by qualified physicians and licensed staff unhindered by fiscal or administrative concerns. Molina and its delegated contractors do not use incentive arrangements to reward the restriction of medical care to Members.

Molina affirms that all UM decision making is based solely on appropriateness of care and service and existence of coverage for its Members, and not on the cost of the service to either Molina or the delegated group. Molina does not specifically reward Providers or other individuals for issuing denials of coverage or care.

Open Communication about Treatment

Molina prohibits contracted Providers from limiting Provider or Member communication regarding a Member’s health care. Providers may freely communicate with, and act as an advocate for their patients. Molina requires provisions within Provider contracts that prohibit solicitation of Members for alternative coverage arrangements for the primary purpose of securing financial gain. No

communication regarding treatment options may be represented or construed to expand or revise the scope of benefits under a health plan or insurance contract.

Molina and its contracted Providers may not enter into contracts that interfere with any ethical responsibility or legal right of Providers to discuss information with a Member about the Member's health care. This includes, but is not limited to, treatment options, alternative plans or other coverage arrangements.

Delegated Utilization Management Functions

Molina may delegate UM functions to qualifying Medical Groups/IPAs and delegated entities. They must have the ability to meet, perform the delegated activities and maintain specific delegation criteria in compliance with all current Molina policies and regulatory and certification requirements. For more information about delegated UM functions and the oversight of such delegation, please refer to the Delegation section of this Provider Manual.

Communication and Availability to Members and Providers

During business hours HCS staff is available for inbound and outbound calls through an automatic rotating call system triaged by designated staff by calling (855) 326-5059 during normal business hours, Monday through Friday (except for Holidays) from 8:00a.m. to 5:00p.m. All staff Members identify themselves by providing their first name, job title, and organization.

Molina offers TTY/TDD services for Members who are deaf, hard of hearing, or speech impaired. Language assistance is also always available for Members.

After business hours, Providers can also utilize fax and the Provider Portal for UM access.

Molina's Nurse Advice Line is available to Members and Providers twenty-four (24) hours a day, seven (7) days a week at (888) 275-8750. Molina's Nurse Advice Line handles urgent and emergent after-hours UM calls. Primary Care Physicians (PCPs) are notified via fax of all Nurse Advice Line encounters.

Out of Network Providers and Services

Molina maintains a contracted network of qualified health care professionals who have undergone a comprehensive credentialing process in order to provide medical care to Molina Members. Molina requires Members to receive medical care within the participating, contracted network of Providers unless it is for Emergency Services as defined by Federal Law. If there is a need to go to a non-contracted Provider, all care provided by non-contracted, non-network Providers must be prior authorized by Molina. Non-network Providers may provide Emergency Services for a Member who is temporarily outside the service area, without prior authorization or as otherwise required by Federal or State Laws or regulations.

Coordination of Care and Services

Molina HCS staff work with Providers to assist with coordinating referrals, services and benefits for Members who have been identified for Molina's Integrated Care Management (ICM) program via assessment, self-referral, provider referral, etc.. It is the responsibility of contracted Providers to

Last Updated: 01/2020

Page 81

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

assess Members and with the participation of the Member and/or their authorized representative(s), create an individualized care plan (ICP). The ICP is documented in the medical record and is updated as conditions, needs and/or health status change. In addition, the coordination of care process assists Molina Members, as necessary, in transitioning to other care when benefits end. The process includes mechanisms for identifying Molina Members whose benefits are ending and are in need of continued care.

Molina staff assists Providers by identifying needs and issues that may not be verbalized by Providers, assisting to identify resources such as community programs, national support groups, appropriate specialists and facilities, identifying best practice or new and innovative approaches to care. Care coordination by Molina staff is done in partnership with Providers, Members and/or their authorized representative(s) to ensure efforts are efficient and non-duplicative.

There are two (2) main coordination of care processes for Molina Members. The first occurs when a new Member enrolls in Molina and needs to transition current medical care to Molina contracted Providers. Mechanisms within the enrollment process identify the Members and the Member & Provider Contact Center (M&PCC) reach out to Members to assist in obtaining authorizations, transferring to contracted DME vendors, receiving approval for prescription medications, etc. The second coordination of care process occurs when a Molina Member's benefits will be ending and they need assistance in transitioning to other care. The process includes mechanisms for identifying Molina Members whose benefits are ending and are in need of continued care.

Continuity of Care and Transition of Members

It is Molina's policy to provide Members with advance notice when a Provider they are seeing will no longer be in-network. Members and Providers are encouraged to use this time to transition care to an in-network Provider. The Provider leaving the network shall provide all appropriate information related to course of treatment, medical treatment, etc. to the Provider(s) assuming care. Under certain circumstances, Members may be able to continue treatment with the out of network Provider for a given period of time and provide continued services to Members undergoing a course of treatment by a Provider that has terminated their contractual agreement if the following conditions exist at the time of termination.

- Acute condition or serious chronic condition – Following termination, the terminated Provider will continue to provide covered services to the Member up to ninety (90) days or longer if necessary for a safe transfer to another Provider as determined by Molina or its delegated Medical Group/IPA.
- High risk of second or third trimester pregnancy – The terminated Provider will continue to provide services following termination until postpartum services related to delivery are completed

For additional information regarding continuity of care and transition of Members, please contact Molina at (855) 326-5059.

Reporting of Suspected Abuse and/or Neglect

A vulnerable adult is a person who is receiving or may be in need of receiving community care services by reason of mental or other disability, age or illness; and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or

exploitation. When working with children one may encounter situations suggesting abuse, neglect and/or unsafe living environments.

Every person who knows or has reasonable suspicion that a child or adult is being abused or neglected must report the matter immediately. Specific professionals mentioned under the law as mandated reporters are:

- Physicians, dentists, interns, residents, or nurses
- Public or private school employees or child care givers
- Psychologists, social workers, family protection workers, or family protection specialists
- Attorneys, ministers, or law enforcement officers.

Suspected abuse and/or neglect should be reported as follows:

Child Abuse:

Brown County Department of Health and Human Services: (920) 448- 6035

Kenosha County Department of Human Services: (262) 697-4500

Division of Milwaukee Child Protective Services: (414) 220-7233

Ozaukee County Department of Human Services: (262) 238-8200

Racine County Human Services Department: (262) 638-7720

Waukesha County Department of Health and Human Services: (262) 548-7212

Washington County Human Services Department: (262) 335-4610

Adult Abuse:

Department on Aging, Elder Abuse Reporting: Phone: (866) 229-9695

Email: agewebinfo@milwaukeecountywi.gov

Molina's HCS teams will work with PCPs and Medical Groups/IPA and other delegated entities who are obligated to communicate with each other when there is a concern that a Member is being abused. Final actions are taken by the PCP/Medical Group/IPA, other delegated entities or other clinical personnel. Under State and Federal Law, a person participating in good faith in making a report or testifying about alleged abuse, neglect, abandonment, financial exploitation or self-neglect of a vulnerable adult in a judicial or administrative proceeding may be immune from liability resulting from the report or testimony.

Molina will follow up with Members that are reported to have been abused, exploited or neglected to ensure appropriate measures were taken, and follow up on safety issues. Molina will track, analyze, and report aggregate information regarding abuse reporting to the Healthcare Services Committee and the proper State agency.

Continuity and Coordination of Provider Communication

Molina stresses the importance of timely communication between Providers involved in a Member's care. This is especially critical between specialists, including behavioral health Providers, and the Member's PCP. Information should be shared in such a manner as to facilitate communication of urgent needs or significant findings.

Care Management

Molina Care Management includes Health Management (HM) and Case Management (CM) programs. Members may qualify for HM or CM based on confirmed diagnosis or specified criteria for the programs. These comprehensive programs are available for all Members that meet the criteria for services.

PCP Responsibilities in Care Management Referrals

The Member's PCP is the primary leader of the health team involved in the coordination and direction of services for the Member. The case manager provides the PCP with reports, updates, and information regarding the Member's progress through the Care Management plan. The PCP is responsible for the provision of preventive services and for the primary medical care of Members.

Case Manager Responsibilities

The case manager collaborates with the Member and all resources involved in the Member's care to develop an ICP that includes recommended interventions from Member's interdisciplinary care team (ICT). ICP interventions include links to appropriate institutional and community resources, to address medical and psychosocial needs and/or barriers to accessing care, care coordination to address Member's health care goals, health education to support self-management goals, and a statement of expected outcomes. Jointly, the case manager, Providers and the Member/authorized representative(s) are responsible for implementing the plan of care. Additionally, the case manager:

- Monitors and communicates the progress of the implemented plan of care to all involved resources.
- Serves as a coordinator and resource to team Members throughout the implementation of the plan and makes revisions to the plan as suggested and needed.
- Coordinates appropriate education and encourages the Member's role in self-help.
- Monitors progress toward the Member's achievement of treatment plan goals in order to determine an appropriate time for the Member's discharge from the CM program.

Health Management

The tools and services described here are educational support for Molina Members. We may change them at any time as necessary to meet the needs of Molina Members.

Health Education/Disease Management

Molina offers programs to help our Members and their families manage a diagnosed health condition. You as a Provider also help us identify Members who may benefit from these programs. Members can request to be enrolled or dis-enrolled in these programs. Our programs include:

- Asthma management
- Diabetes management
- High blood pressure management
- Cardiovascular Disease (CVD) management/Congestive Heart Disease
- Chronic Obstructive Pulmonary Disease (COPD) management
- Depression management
- Obesity

Any reference to Molina Members means Molina Medicaid Members.

- Weight Management
- Smoking Cessation
- Organ Transplant
- Serious and Persistent Mental Illness (SPMI) and Substance Use Disorder
- Maternity Screening and High Risk Obstetrics

Pregnancy Notification Process

The PCP shall submit to Molina the Pregnancy Notification Report Form (available at www.MolinaHealthcare.com) within one (1) working day of the first prenatal visit and/or positive pregnancy test. The form should be faxed to Molina at (877) 708-2117.

For more info about our programs, please call: Provider Services Department at (855) 326-5059 (TTY/TDD at 711 Relay).

Visit www.MolinaHealthcare.com

Member Newsletters

Member Newsletters are posted on the www.MolinaHealthcare.com website at least (two) 2 times a year. The articles are about topics asked by Members. The tips are aimed to help Members stay healthy.

Member Health Education Materials

Members are able to access our easy-to-read materials are about nutrition, preventive services guidelines, stress management, exercise, cholesterol management, asthma, diabetes and other topics. To get these materials, Members are directed to ask their doctor or visit our website.

Program Eligibility Criteria and Referral Source

Health Management Programs are designed for Molina Members with a confirmed diagnosis. Members participate in programs for the duration of their eligibility with the plan's coverage or until the Member opts out. Identified Members will receive targeted outreach such as educational newsletters, telephonic outreach or other materials to access information on their condition. The program model provides an "opt-out" option for Members who contact Molina Member Services and request to be removed from the program.

Multiple sources are used to identify the total eligible population. These may include the following:

- Pharmacy Claims data for all classifications of medications;
- Encounter Data or paid Claim with a relevant CMS accepted diagnosis or procedure code;
- Member Services welcome calls made by staff to new Member households and incoming Member calls have the potential to identify eligible program participants. Eligible Members are referred to the program registry;
- Member Assessment calls made by staff for the initial Health Risk Assessments (HRA) for newly enrolled Members;
- Provider referral;
- Nurse Advice referral;
- Medical Case Management or Utilization Management; and

Page 85

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

- Member self-referral due to general plan promotion of program through Member newsletter, the Nurse Advice Line or other Member communication

Provider Participation

Contracted Providers are notified as appropriate, when their patients are enrolled in a health management program. Provider resources and services may include:

- Annual Provider feedback letters containing a list of patients identified with the relevant disease;
- Clinical resources such as patient assessment forms and diagnostic tools;
- Patient education resources;
- Provider Newsletters promoting the health management programs, including how to enroll patients and outcomes of the programs;
- Clinical Practice Guidelines; and
- Preventive Health Guidelines;

Additional information on health management programs is available from your local Molina HCS Department toll free at (855) 326-5059.

Care Management (CM)

Molina provides a comprehensive ICM program to all Members who meet the criteria for services. The CM program focuses on procuring and coordinating the care, services, and resources needed by Members through a continuum of care. Molina adheres to Case Management Society of America Standards of Practice Guidelines in its execution of the program.

The Molina case managers may be licensed professionals and are educated, trained and experienced in the Care Management process. The CM program is based on a Member advocacy philosophy, designed and administered to assure the Member value-added coordination of health care and services, to increase continuity and efficiency, and to produce optimal outcomes. The ICM program is individualized to accommodate a Member's needs with collaboration and approval from the Member's PCP. The Molina case manager will arrange individual services for Members whose needs include ongoing medical care, home health care, rehabilitation services, and preventive services. The Molina case manager is responsible for assessing the Member's appropriateness for the ICM program and for notifying the PCP of the evaluation results, as well as making a recommendation for a treatment plan.

Referral to Care Management: Members with high-risk medical conditions and/or other care needs may be referred by their PCP or specialty care Provider to the CM program. The case manager works collaboratively with all Members of the integrated care team (ICT), including the PCP, hospital UM staff, discharge planners, specialist Providers, ancillary Providers, the local Health Department and other community resources. The referral source provides the case manager with demographic, health care and social data about the Member being referred.

Members with the following conditions may qualify for Care Management and should be referred to the Molina ICM Program for evaluation:

- High-risk pregnancy, including Members with a history of a previous preterm delivery
- Catastrophic medical conditions (e.g. neoplasm, organ/tissue transplants)
- Chronic illness (e.g. asthma, diabetes, End Stage Renal Disease)

- Preterm births
- High-technology home care requiring more than two weeks of treatment
- Member accessing Emergency Department services inappropriately
- Children with Special Health Care Needs

Referrals to the ICM program may be made by contacting Molina at:

Phone: (855) 326-5059

Fax: (877) 708-2117

• **Section 12. Provider Responsibilities**

Non-discrimination of Healthcare Service Delivery

Molina complies with the guidance set forth in the final rule for Section 1557 of the Affordable Care Act, which includes notification of nondiscrimination and instructions for accessing language services in all significant Member materials, physical locations that serve our Members, and all Molina Medicaid website home pages. All Providers who join the Molina Provider network must also comply with the provisions and guidance set forth by the Department of Health and Human Services (HHS) and the Office for Civil Rights (OCR). Molina requires Providers to deliver services to Molina Members without regard to race, color, national origin, age, disability, religion, genetic information, military status, ancestry, health status, sex, or need for health services. This includes gender identity, sexual orientation, pregnancy and sex stereotyping. Providers must post a non-discrimination notification in a conspicuous location of their office along with translated non-English taglines in the top fifteen (15) languages spoken in the State to ensure Molina Members understand their rights, how to access language services, and the process to file a complaint if they believe discrimination has occurred.

Additionally, Participating Providers or contracted medical groups/IPAs may not limit their practices because of a Member's medical (physical or mental) condition or the expectation for the need of frequent or high cost-care. Providers must not discriminate against enrollees based on their payment status and cannot refuse to serve Members because they receive assistance from a State Medicaid Program.

Section 1557 Investigations

All Molina Providers shall disclose all investigations conducted pursuant to Section 1557 of the Patient Protection and Affordable Care Act to Molina's Civil Rights Coordinator.

Molina Healthcare

Facilities, Equipment and Personnel

The Provider's facilities, equipment, personnel and administrative services must be at a level and quality necessary to perform duties and responsibilities to meet all applicable legal requirements including the accessibility requirements of the Americans with Disabilities Act (ADA).

Provider Data Accuracy and Validation

It is important for Providers to ensure Molina has accurate practice and business information. Accurate information allows us to better support and serve our Provider Network and Members.

Maintaining an accurate and current Provider Directory is a State and Federal regulatory requirement, as well as an NCQA© required element. Invalid information can negatively impact Member access to care, Member assignments and referrals. Additionally, current information is critical for timely and accurate Claims processing.

Providers must validate the Provider Online Directory (POD) information at least quarterly for correctness and completeness. Providers must notify Molina in writing (some changes can be made online) at least thirty (30) days in advance, of changes such as, but not limited to:

- Change in office location(s), office hours, phone, fax, or email
- Addition or closure of office location(s)
- Addition or termination of a Provider (within an existing clinic/practice)
- Change in practice name, Tax ID and/or National Provider Identifier (NPI)
- Opening or closing your practice to new patients (PCPs only)
- Any other information that may impact Member access to care

Please visit our Provider Online Directory at <https://providersearch.MolinaHealthcare.com> to validate and correct most of your information. A convenient Provider web form can be found on the POD and on the Provider Portal at <https://provider.MolinaHealthcare.com>. You can also notify your Provider Services Representative or email Molina at MHWIProvider.Services@MolinaHealthCare.com if your information needs to be updated or corrected.

Note: Some changes may impact credentialing. Providers are required to notify Molina of changes to credentialing information in accordance with the requirements outlined in the Credentialing section of this Provider Manual.

Molina is required to audit and validate our Provider Network data and Provider Directories on a routine basis. As part of our validation efforts, we may reach out to our Network of Providers through various methods, such as: letters, phone campaigns, face-to-face contact, fax and fax-back verification, etc. Molina also may use a vendor to conduct routine outreach to validate data that impacts its Provider Directory or otherwise impacts its membership or ability to coordinate member care. Providers are required to provide timely responses to such communications.

Molina Electronic Solutions Requirements

Molina requires Providers to utilize electronic solutions and tools whenever possible.

Molina requires all contracted Providers to participate in and comply with Molina's Electronic Solution Requirements, which include, but are not limited to, electronic submission of prior authorization requests, prior authorization status inquiries, health plan access to electronic medical records (EMR),

electronic Claims submission, electronic fund transfers (EFT), electronic remittance advice (ERA), electronic Claims Appeal and registration for and use of Molina's Provider Portal.

Electronic Claims include Claims submitted via a clearinghouse using the EDI process and claims submitted through the Molina Provider Portal.

Any Provider entering the network as a Contracted Provider will be required to comply with Molina's Electronic Solution Policy by enrolling for EFT/ERA payments and registering for Molina's Provider Portal within thirty (30) days of entering the Molina network.

Molina is committed to complying with all HIPAA Transactions, Code Sets, and Identifiers (TCI) standards. Providers must comply with all HIPAA requirements when using electronic solutions with Molina. Providers must obtain a National Provider Identifier (NPI) and use their NPI in HIPAA Transactions, including Claims submitted to Molina. Providers may obtain additional information by visiting Molina's [HIPAA Resource Center](#) located on our website at www.MolinaHealthcare.com.

Electronic Solutions/Tools Available to Providers

Electronic Tools/Solutions available to Molina Providers include:

- Electronic Claims Submission Options
- Electronic Payment: EFT with ERA
- Provider Portal

Electronic Claims Submission Requirement

Molina requires participating Providers to submit Claims electronically whenever possible. Electronic Claims submission provides significant benefits to the Provider including:

- Promotes HIPAA compliance.
- Helps to reduce operational costs associated with paper Claims (printing, postage, etc.).
- Increases accuracy of data and efficient information delivery.
- Reduces Claim processing delays as errors can be corrected and resubmitted electronically.
- Eliminates mailing time and enabling Claims to reach Molina faster.

Molina offers the following electronic Claims submission options:

- Submit Claims directly to Molina via the Provider Portal. See our Provider Portal Quick Reference Guide <https://provider.MolinaHealthcare.com> or contact your Provider Services Representative for registration and Claim submission guidance.
- Submit Claims to Molina through your EDI clearinghouse using Payer ID ABRI1, refer to our website www.MolinaHealthcare.com for additional information.

While both options are embraced by Molina, submitting Claims via Molina's Provider Portal (available to all Providers at no cost) offers a number of additional Claims processing benefits beyond the possible cost savings achieved from the reduction of high-cost paper Claims.

Provider Portal Claims submitting benefits include:

- Add attachments to Claims
- Submit corrected Claims
- Easily and quickly void Claims

- Check Claims status
- Receive timely notification of a change in status for a particular Claim
- Ability to Save incomplete/un-submitted Claims
- Create/Manage Claim Templates

For more information on EDI Claims submission, see the Claims and Compensation section of this Provider Manual.

Electronic Payment (EFT/ERA) Requirement

Participating Providers are required to enroll in Electronic Funds Transfer (EFT) and Electronic Remittance Advice (ERA). Providers enrolled in EFT payments will automatically receive ERAs as well. EFT/ERA services give Providers the ability to reduce paperwork, utilize searchable ERAs, and receive payment and ERA access faster than the paper check and remittance advice (RA) processes. There is no cost to the Provider for EFT enrollment, and Providers are not required to be in-network to enroll. Molina uses a vendor to facilitate the HIPAA compliant EFT payment and ERA delivery processes.

Below is the link to register with Change Healthcare ProviderNet to receive EFTs/ERAs. Additional instructions on how to register are available under the EDI/ERA/EFT tab on Molina's website: www.MolinaHealthcare.com.

Any questions during this process should be directed to Change Healthcare Provider Services at wco.provider.registration@changehealthcare.com or (877) 389-1160.

Provider Portal

Providers are required to register for and utilize Molina's Provider Portal. Molina's Provider Portal is an easy to use, online tool available to all of our Providers at **no cost**. The Provider Portal offers the following functionality:

- Verify and print Member eligibility
- View benefits, covered services and Member Health record
- View roster of assigned Molina members for PCP(s)
- Claims Functions
 - Professional and Institutional Claims (individual or multiple claims)
 - Receive notification of Claims status change
 - Correct Claims
 - Void Claims
 - Add attachments to previously submitted Claims
 - Check Claims status
 - Export Claims reports
 - Create and Manage Claim Templates
 - Open Saved Claims
- Prior Authorizations/Service Requests
 - Create and submit Prior Authorization/Service Requests
 - Check status of Authorization/Service Requests
 - Receive notification of change in status of Authorization/Service Requests
 - Create Authorization/Service Request Templates

- View HEDIS® Scores and compare to national benchmarks
- Appeals
 - Create and submit a Claim Appeal
 - Add Appeal attachments to Appeal
 - Receive Email Confirmation

Third Party Billers can access and utilize all Claim Functions. Third Party Billers no longer have to phone in to get Claim updates and to make changes. All Claim functionalities are now available for Third Party Billers online at Molina's Provider Portal.

Balance Billing

Providers contracted with Molina cannot bill the Member for any Covered Services beyond applicable copayments, deductibles, or coinsurance. The Provider is responsible for verifying eligibility and obtaining approval for those services that require prior authorization.

Providers agree that under no circumstance shall a Member be liable to the Provider for any sums owed by Molina to the Provider. Balance billing a Molina Member for services covered by Molina is prohibited. This includes asking the Member to pay the difference between the discounted and negotiated fees, and the Provider's usual and customary fees.

For additional information please refer to the Compliance and Claims and Compensation sections of this Provider Manual.

Member Rights and Responsibilities

Providers are required to comply with the Member Rights and Responsibilities as outlined in Molina's Member materials (such as Member Handbooks).

For additional information please refer to the Member Rights and Responsibilities section of this Provider Manual.

Member Information and Marketing

Any written informational or marketing materials directed to Molina Members must be developed and distributed in a manner compliant with all State and Federal Laws and regulations and approved by Molina prior to use.

Please contact your Provider Services Representative for information and review of proposed materials.

Member Eligibility Verification

Possession of a Molina ID card does not guarantee Member eligibility or coverage. Providers should verify eligibility of Molina Members prior to rendering services. Payment for services rendered is based on enrollment and benefit eligibility. The contractual agreement between Providers and Molina places the responsibility for eligibility verification on the Provider of services.

For additional information please refer to the Eligibility and Enrollment section of this Provider Manual.

Member Cost Share

Providers should verify the Molina Member's cost share status prior to requiring the Member to pay co-pay, co-insurance, deductible or other cost share that may be applicable to the Member's specific benefit plan. Some plans have a total maximum cost share that frees the Member from any further out of pocket charges once reached (during that calendar year).

Healthcare Services (Utilization Management and Care Management)

Providers are required to participate in and comply with Molina's Utilization Management and Care Management programs, including all policies and procedures regarding Molina's facility admission, prior authorization, and Medical Necessity review determination procedures. Providers will also cooperate with Molina in audits to identify, confirm, and/or assess utilization levels of covered services.

For additional information please refer to the Healthcare Services section of this Provider Manual.

In Office Laboratory Tests

Molina's policies allow only certain lab tests to be performed in a Provider's office regardless of the line of business. All other lab testing must be referred to an In-Network Laboratory Provider that is a certified, full service laboratory, offering a comprehensive test menu that includes routine, complex, drug, genetic testing and pathology. A list of those lab services that are allowed to be performed in the Provider's office is found on the Molina website at www.MolinaHealthcare.com.

For more information about In-Network Laboratory Providers, please consult the Molina Provider Online Directory (<https://providersearch.MolinaHealthcare.com>). For testing available through In-Network Laboratory Providers, For a list of In-Network Laboratory Provider patient service centers, please reach out to the In-Network Laboratory Provider.

Specimen collection is allowed in a Provider's office and shall be compensated in accordance with your agreement with Molina and applicable State and Federal billing and payment rules and regulations.

Claims for tests performed in the Provider's office, but not on Molina's list of allowed in-office laboratory tests will be denied.

Referrals

A referral is necessary when a Provider determines medically necessary services are beyond the scope of the PCP's practice or it is necessary to consult or obtain services from other in-network specialty health professionals unless the situation is one involving the delivery of Emergency Services. Information is to be exchanged between the PCP and specialist to coordinate care of the patient to ensure continuity of care. Providers need to document referrals that are made in the patient's medical record. Documentation needs to include the specialty, services requested, and diagnosis for which the referral is being made.

Providers should direct Molina Members to health professionals, hospitals, laboratories, and other facilities and Providers which are contracted and credentialed (if applicable) with Molina. In the case of Emergency Services, Providers may direct Members to an appropriate service including, but not limited to, primary care, urgent care and Emergency Services. There may be circumstances in which

Last Updated: 01/2020

Page 92

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

referrals may require an out-of-network Provider. Prior authorization will be required from Molina except in the case of Emergency Services. For additional information please refer to the Healthcare Services section of this Provider Manual.

PCPs are able to refer a Member to an in-network specialist for consultation and treatment without a prior authorization.

Treatment Alternatives and Communication with Members

Molina endorses open Provider-Member communication regarding appropriate treatment alternatives and any follow up care. Molina promotes open discussion between Provider and Members regarding Medically Necessary or appropriate patient care, regardless of covered benefits limitations. Providers are free to communicate any and all treatment options to Members regardless of benefit coverage limitations. Providers are also encouraged to promote and facilitate training in self-care and other measures Members may take to promote their own health.

Pharmacy Program

Providers are required to adhere to Molina's drug formularies and prescription policies. For additional information please refer to the Pharmacy section of this Provider Manual.

Participation in Quality Programs

Providers are expected to participate in Molina's Quality Programs and collaborate with Molina in conducting peer review and audits of care rendered by Providers. Such participation includes, but is not limited to:

- Access to Care Standards
- Site and Medical Record-Keeping Practice Reviews
- Delivery of Patient Care Information

For additional information please refer to the Quality section of this Provider Manual.

Compliance

Providers must comply with all State and Federal Laws and regulations related to the care and management of Molina Members.

Confidentiality of Member Health Information and HIPAA Transactions

Molina requires that Providers respect the privacy of Molina Members (including Molina Members who are not patients of the Provider) and comply with all applicable Laws and regulations regarding the privacy of patient and Member PHI. For additional information please refer to the Compliance section of this Provider Manual.

Participation in Grievance and Appeals Programs

Providers are required to participate in Molina's Grievance Program and cooperate with Molina in identifying, processing, and promptly resolving all Member complaints, grievances, or inquiries. If a Member has a complaint regarding a Provider, the Provider will participate in the investigation of the grievance. If a Member submits an appeal, the Provider will participate by providing medical records or statements if needed. This includes the maintenance and retention of Member records for a period

of not less than ten (10) years and retained further if the records are under review or audit until such time that the review or audit is complete.

For additional information please refer to the Complaints, Grievance and Appeals Process section of this Provider Manual.

Participation in Credentialing

Providers are required to participate in Molina's credentialing and re-credentialing process and will satisfy, throughout the term of their contract, all credentialing and re-credentialing criteria established by Molina and applicable accreditation, State and Federal requirements. This includes providing prompt responses to Molina's requests for information related to the credentialing or re-credentialing process.

Providers must notify Molina no less than thirty (30) days in advance when they relocate or open an additional office.

More information about Molina's Credentialing program, including Policies and Procedures, is available in the Credentialing section of this Provider Manual.

Delegation

Delegated entities must comply with the terms and conditions outlined in Molina's Delegation Policies and Delegated Services Addendum. Please see the Delegation section of this Provider Manual for more information about Molina's delegation requirements and delegation oversight.

• Section 13. Quality

Maintaining Quality Improvement Processes and Programs

Molina works with Members and to maintain a comprehensive Quality Improvement Program. You can contact the Molina QI Department toll free at (855) 326-5059 or fax (562) 499- 0776.

The address for mail requests is:

Molina Healthcare of Wisconsin, Inc.
Quality Improvement Department
PO Box 242480
Milwaukee, WI 53224

This Provider Manual contains excerpts from the Molina Quality Improvement Program. For a complete copy of Molina Healthcare of Wisconsin, Inc.'s Quality Improvement Program you can contact your Provider Services Representative or call the telephone number above to receive a written copy.

Molina Healthcare has established a Quality Improvement Program that complies with regulatory and accreditation guidelines. The Quality Improvement Program provides structure and outlines specific activities designed to improve the care, service and health of Members.

Molina Healthcare does not delegate Quality Improvement activities to medical groups/IPAs. However, Molina Healthcare requires contracted medical groups/IPAs to comply with the following core elements and standards of care:

- Have a Quality Improvement Program in place
- Comply with and participate in Molina's Quality Improvement Program including reporting of Access and Availability survey and activity results and provision of medical records as part of the HEDIS® review process and during Potential Quality of Care and/or Critical Incident investigations; and
- Allow access to Molina Quality personnel for site and medical record review processes

Patient Safety Program

Molina's Patient Safety Program identifies appropriate safety projects and error avoidance for Molina Members in collaboration with their PCPs. Molina continues to support safe personal health practices for our Members through our safety program, pharmaceutical management and case management/disease management programs and education. Molina monitors nationally recognized quality index ratings for facilities including adverse events and hospital acquired conditions as part of a national strategy to improve health care quality mandated by the Patient Protection and Affordable Care Act (ACA), Health and Human Services (HHS) to identify areas that have the potential for improving health care quality to reduce the incidence of events.

Quality of Care

Molina has an established and systematic process to identify, investigate, review and report any Quality of Care, Adverse Event/Never Event, Critical Incident (as applicable), and/or service issues affecting Member care. Molina will research, resolve, track and trend issues. Confirmed Adverse Events/Never Events are reportable when related to an error in medical care that is clearly identifiable, preventable and/or found to have caused serious injury or death to a patient. Some examples of never events include:

- Surgery on the wrong body part
- Surgery on the wrong patient
- Wrong surgery on a patient

Medical Records

Molina requires that medical records are maintained in a manner that is current, detailed and organized to ensure that care rendered to Members is consistently documented and that necessary information is readily available in the medical record. All entries will be indelibly added to the Member's record. PCPs should maintain the following components:

- Medical record confidentiality and release of medical records are maintained including behavioral health care records
- Medical record content and documentation standards are followed, including preventive health care
- Storage maintenance and disposal processes are maintained

- Process for archiving medical records and implementing improvement activities is outlined

Medical Record Keeping Practices

Below is a list of the minimum items that are necessary in the maintenance of the Member's Medical records:

- Each patient has a separate record
- Medical records are stored away from patient areas and preferably locked
- Medical records are available at each visit and archived records are available within twenty-four (24) hours
- If hardcopy, pages are securely attached in the medical record and records are organized by dividers or color-coded when thickness of the record dictates
- If electronic, all those with access have individual passwords
- Record keeping is monitored for Quality and HIPAA compliance
- Storage maintenance for the determined timeline and disposal per record management processes
- Process for archiving medical records and implementing improvement activities
- Medical records are kept confidential and there is a process for release of medical records including behavioral health care records

Content

Providers must remain consistent in their practices with Molina's medical record documentation guidelines. Medical records are maintained and should include the following information:

- Member name, date of birth, sex, marital status, address, employer, home and work telephone numbers, and emergency contact
- Legible signatures and credentials of provider and other staff members within a paper chart
- All providers who participate in the member's care
- Information about services delivered by these providers
- A problem list that describes the member's medical and behavioral health conditions
- Presenting complaints, diagnoses, and treatment plans, including follow-up visits and referrals to other providers
- Prescribed medications, including dosages and dates of initial or refill prescriptions
- Allergies and adverse reactions (or notation that none are known)
- Documentation that Advanced Directives, Power of Attorney and Living Will have been discussed with member, and a copy of Advance Directives when in place
- Past medical and surgical history, including physical examinations, treatments, preventive services and risk factors
- Treatment plans that are consistent with diagnosis
- A working diagnosis that is recorded with the clinical findings
- Pertinent history for the presenting problem
- Pertinent physical exam for the presenting problem

- Lab and other diagnostic tests that are ordered as appropriate by the practitioner
- Clear and thorough progress notes that state the intent for all ordered services and treatments
- Notations regarding follow-up care, calls or visits. The specific time of return is noted in weeks, months or as needed, included in the next preventative care visit when appropriate
- Notes from consultants if applicable
- Up-to-date immunization records and documentation of appropriate history
- All staff and provider notes are signed physically or electronically with either name or initials
- All entries are dated
- All abnormal lab/imaging results show explicit follow up plan(s)
- All ancillary services reports
- Documentation of all emergency care provided in any setting
- Documentation of all hospital admissions, inpatient and outpatient, including the hospital discharge summaries, hospital history and physicals and operative report
- Labor and Delivery Record for any child seen since birth
- A signed document stating with whom protected health information may be shared

Organization

- The Medical Record is legible to someone other than the writer
- Each patient has an individual record
- Chart pages are bound, clipped, or attached to the file
- Chart sections are easily recognized for retrieval of information
- A release document for each Member authorizing Molina to release medical information for facilitation of medical care

Retrieval

- The Medical Record is available to the practitioner/provider at each encounter
- The Medical Record is available to Molina Healthcare for purposes of quality improvement.
- The medical record is available to Department of Health Services and the External Quality Review Organization upon request
- The medical record is available to the Member upon their request
- A storage system for inactive member medical records which allows retrieval within twenty-four (24) hours, is consistent with State and Federal requirements, and the record is maintained for not less than ten (10) years from the last date of treatment or for a minor, one (1) year past their 20th birthday but, never less than 10 (ten) years
- An established and functional data recovery procedure in the event of data loss

Confidentiality

Molina Providers shall develop and implement confidentiality procedures to guard Member protected health information, in accordance with HIPAA privacy standards and all other applicable Federal and State regulations. This should include, and is not limited to, the following:

- Ensure that medical information is released only in accordance with applicable Federal or State Law in pursuant to court orders or subpoenas
- Maintain records and information in an accurate and timely manner
- Ensure timely access by Members to the records and information that pertain to them
- Abide by all Federal and State Laws regarding confidentiality and disclosure of medical records or other health an enrollment information
- Medical Records are protected from unauthorized access
- Access to computerized confidential information is restricted
- Precautions are taken to prevent inadvertent or unnecessary disclosure of protected health information
- Education and training for all staff on handling and maintaining protected health care information

Additional information on medical records is available from your local Molina Quality Department at (855) 326-5059. See also the Compliance Section of this Provider Manual for additional information regarding HIPAA.

Access to Care

Molina Healthcare is committed to timely access to care for all Members in a safe and healthy environment. Practitioners/providers are required to conform to the access to care appointment standards listed below to ensure that health care services are provided in a timely manner. The standards are based on 95% availability for Emergency Care services and 90% or greater for all other services. The PCP or his/her designee must be available twenty-four (24) hours a day, seven (7) days a week to Members.

Appointment Access

All Providers who oversee the Member's health care are responsible for providing the following appointments to Molina Members in the timeframes noted:

Primary Care Provider (PCP)	
Types of Care for Appointment	Appointment Wait Time (Appointment Standards)
Routine, asymptomatic	Within thirty (30) calendar days.
Routine, symptomatic	Within fourteen (14) calendar days,
Urgent Care	Within twenty-four (24) hours.
High Risk Prenatal Care	Within two (2) weeks, or within three (3) weeks if specific Provider is requested.
After Hours Care	Twenty-four (24) hours/day; seven (7) day/week availability.
Specialty Care (High Volume)	Within 21 calendar days.

Last Updated: 01/2020

Page 98

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

Specialty Care (High Impact)	Within 21 calendar days.
Urgent Specialty Care	Within twenty-four (24) hours.
Behavioral Health	
Types of Care for Appointment	Appointment Wait Time (Appointment Standards)
Life Threatening Emergency	Immediately (twenty-four [24] hours a day, seven [7] days a week) and without prior authorization.
Non-life Threatening Emergency	Within six (6) hours.
Non-urgent Behavioral Health Need	Within fourteen (14) calendar days.
Urgent Care	Within twenty-four (24) hours.
Routine Care	Within ten (10) calendar days.
Follow-up Routine Care	Within thirty (30) calendar days.
Other Providers	
Types of Care for Appointment	Appointment Wait Time (Appointment Standards)
Specialty Consult and Outpatient Referral	Within twenty-one (21) calendar days.
Urgent Specialty Care Appointment	Within twenty-four (24) hours.
Dental Providers-Asymptomatic Routine Care	Within ninety (90) calendar days.
Dental Providers-Symptomatic, Non-Urgent Care	Within ninety (90) calendar days.
Urgent Care Providers	Within twenty-four (24) hours.
Emergency Providers	Immediately (twenty-four [24] hours a day, seven [7] days a week) and without prior authorization.

Additional information on appointment access standards is available from your local Molina Quality Department toll free at (855) 326-5059.

Office Wait Times

For scheduled appointments, wait time in offices should not exceed thirty (30) minutes. All PCPs are required to monitor wait times and to adhere to this standard.

After Hours

All Providers must have back-up (on call) coverage after hours or during the Provider's absence or unavailability. Molina requires Providers to maintain a twenty-four (24) hour telephone service, seven (7) days a week. This access may be through an answering service or a recorded message after office hours. The service or recorded message should instruct Members with an Emergency to hang-up and call 911 or go immediately to the nearest emergency room.

Appointment Scheduling

Each Provider must implement an appointment scheduling system. The following are the minimum standards:

- 1) The Provider must have an adequate telephone system to handle patient volume. Appointment intervals between patients should be based on the type of service provided and a policy defining

required intervals for services. Flexibility in scheduling is needed to allow for urgent walk-in appointments

- 2) A process for documenting missed appointments must be established. When a Member does not keep a scheduled appointment, it is to be noted in the Member's record and the Provider is to assess if a visit is still medically indicated. All efforts to notify the Member must be documented in the medical record. If a second appointment is missed, the Provider is to notify the Molina Provider Services Department at (855) 326-5059 or TTY/TDD 711
- 3) When the Provider must cancel a scheduled appointment, the Member is given the option of seeing an associate or having the next available appointment time
- 4) Special needs of Members must be accommodated when scheduling appointments. This includes, but is not limited to wheelchair-using Members and Members requiring language interpretation
- 5) A process for Member notification of preventive care appointments must be established. This includes, but is not limited to immunizations and mammograms
- 6) A process must be established for Member recall in the case of missed appointments for a condition which requires treatment, abnormal diagnostic test results or the scheduling of procedures which must be performed prior to the next visit

In applying the standards listed above, participating Providers have agreed that they will not discriminate against any Member on the basis of age, race, creed, color, religion, sex, national origin, sexual orientation, marital status, physical, mental or sensory handicap, gender identity, pregnancy, sex stereotyping, place of residence, socioeconomic status, or status as a recipient of Medicaid benefits. Additionally, a participating Provider or contracted medical group/IPA may not limit his/her practice because of a Member's medical (physical or mental) condition or the expectation for the need of frequent or high cost care. If a PCP chooses to close his/her panel to new Members, Molina must receive thirty (30) days advance written notice from the Provider.

Women's Health Access

Molina allows Members the option to seek obstetric and gynecological care from an in-network obstetrician or gynecologist or directly from a participating PCP designated by Molina as providing obstetrical and gynecological services. Member access to obstetrical and gynecological services is monitored to ensure Members have direct access to Participating Providers for obstetrical and gynecological services. Gynecological services must be provided when requested regardless of the gender status of the Member.

Additional information on access to care is available from the provider's local Molina Quality Department toll free at 855-326-5059.

Monitoring Access for Compliance with Standards

Access to care standards are reviewed, revised as necessary, and approved by the Quality Improvement Committee on an annual basis.

Provider network adherence to access standards is monitored via the following mechanisms:

1. Provider access studies – Provider office assessment of appointment availability, and after-hours access.
2. Member complaint data – assessment of Member complaints related to access to care.
3. Member satisfaction survey – evaluation of Members' self-reported satisfaction with appointment and after-hours access.

Analysis of access data includes assessment of performance against established standards, review of trends over time, and identification of barriers. Results of analysis are reported to the Quality Improvement Committee at least annually for review and determination of opportunities for improvement. Corrective actions are initiated when performance goals are not met and for identified provider-specific or organizational trends. Performance goals are reviewed and approved annually by the Quality Improvement Committee.

Quality of Provider Office Sites

Molina Providers are to maintain office-site and medical record keeping practices standards. Molina continually monitors Member complaints and appeals/grievances for all office sites to determine the need of an office site visit and will conduct office site visits as needed. Molina assesses the quality, safety and accessibility of office sites where care is delivered against standards and thresholds. A standard survey form is completed at the time of each visit. This includes an assessment of:

- Physical Accessibility
- Physical Appearance
- Adequacy of Waiting and Examining Room Space

Physical Accessibility

Molina evaluates office sites to ensure that Members have safe and appropriate access to the office site. This includes, but is not limited to, ease of entry into the building, accessibility of space within the office site, and ease of access for patients with physical disabilities.

Physical Appearance

The site visits include, but is not limited to, an evaluation of office site cleanliness, appropriateness of lighting, and patient safety.

Adequacy of Waiting and Examining Room Space

During the site visit, Molina assesses waiting and examining room spaces to ensure that the office offers appropriate accommodations to Members. The evaluation includes, but is not limited to, appropriate seating in the waiting room areas and availability of exam tables in exam rooms.

Administration & Confidentiality of Facilities

Facilities contracted with Molina must demonstrate an overall compliance with the guidelines listed below:

- Office appearance demonstrates that housekeeping and maintenance are performed appropriately on a regular basis, the waiting room is well-lit, office hours are posted, and parking area and walkways demonstrate appropriate maintenance

- Accessible parking is available, the building and exam rooms are accessible with an incline ramp or flat entryway, and the restroom is accessible with a bathroom grab bar
- Adequate seating includes space for an average number of patients in an hour and there is a minimum of two office exam rooms per Provider
- Basic emergency equipment is located in an easily accessible area. This includes a pocket mask and Epinephrine, plus any other medications appropriate to the practice
- At least one CPR certified employee is available
- Yearly OSHA training (Fire, Safety, Blood-borne Pathogens, etc.) is documented for offices with ten (10) or more employees
- A container for sharps is located in each room where injections are given
- Labeled containers, policies, and contracts evidence hazardous waste management
- Patient check-in systems are confidential. Signatures on fee slips, separate forms, stickers or labels are possible alternative methods
- Confidential information is discussed away from patients. When reception areas are unprotected by sound barriers, scheduling and triage phones are best placed at another location
- Medical records are stored away from patient areas. Record rooms and/or file cabinets are preferably locked
- A CLIA waiver is displayed when the appropriate lab work is run in the office
- Prescription pads are not kept in exam rooms
- Narcotics are locked, preferably double-locked. Medication and sample access is restricted
- System in place to ensure expired sample medications are not dispensed and injectables and emergency medication are checked monthly for outdates
- Drug refrigerator temperatures are documented daily

Advance Directives (Patient Self-Determination Act)

Molina complies with the advance directives requirements of the States in which the organization provides services. Responsibilities include ensuring members receive information regarding advance directives and that contracted Providers and facilities uphold executed documents.

Advance Directives are a written choice for health care. There are three (3) types of Advance Directives:

- **Durable Power of Attorney for Health Care:** allows an agent to be appointed to carry out health care decisions
- **Living Will:** allows choices about withholding or withdrawing life support and accepting or refusing nutrition and/or hydration
- **Guardian Appointment:** allows one to nominate someone to be appointed as Guardian if a court determines that a guardian is necessary

When There Is No Advance Directive: The Member's family and Provider will work together to decide on the best care for the Member based on information they may know about the Member's end-of-life plans.

Providers must inform adult Molina Members, eighteen (18) years old and up, of their right to make health care decisions and execute Advance Directives. It is important that Members are informed about Advance Directives.

New adult Members or their identified personal representative will receive educational information and instructions on how to access advance directives forms in their Member Handbook, Evidence of Coverage (EOC) and other member communications such as newsletters and the Molina website. If a member is incapacitated at the time of enrollment, Molina will provide advance directive information to the Member's family or representative and will follow up with information to the Member at the appropriate time. All current Members will receive annual notice explaining this information, in addition to newsletter information.

Members who would like more information are instructed to contact Member Services or are directed to the Caring Connections website at <http://www.caringinfo.org/stateadownload> for forms available to download. Additionally, the Molina website offers information to both Providers and Members regarding advance directives, with a link to forms that can be downloaded and printed.

PCPs must discuss Advance Directives with a Member and provide appropriate medical advice if the Member desires guidance or assistance.

Molina network Providers and facilities are expected to communicate any objections they may have to a Member directive prior to service when possible. Members may select a new PCP if the assigned Provider has an objection to the Member's desired decision. Molina will facilitate finding a new PCP or specialist as needed.

In no event may any Provider refuse to treat a Member or otherwise discriminate against a Member because the Member has completed an Advance Directive. CMS Law gives Members the right to file a complaint with Molina or the State survey and certification agency if the Member is dissatisfied with Molina's handling of Advance Directives and/or if a Provider fails to comply with Advance Directives instructions.

Molina will notify the Provider of an individual Member's Advance Directives identified through Care Management, Care Coordination or Case Management. Providers are instructed to document the presence of an Advance Directive in a prominent location of the Medical Record. Auditors will also look for copies of the Advance Directive form. Advance Directives forms are State specific to meet State regulations.

Molina will look for documented evidence of the discussion between the Provider and the Member during routine Medical Record reviews.

EPSDT Services to Enrollees Under Twenty-One (21) Years of Age

Molina maintains systematic and robust monitoring mechanisms to ensure all required Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Services to Enrollees under twenty-one (21) years of age are timely according to required preventive guidelines. All Enrollees under twenty-one (21) years of age should receive preventive, diagnostic and treatment services at intervals as set forth in Section 1905(R) of the Social Security Act. Molina's Quality department is also available to perform Provider training to ensure that best practice guidelines are followed in relation to well child services and care for acute and chronic health care needs.

Well Child/Adolescent Visits

Visits consist of age appropriate components including but not limited to:

- Comprehensive health and developmental history
- Nutritional assessment
- Height and weight and growth charting
- Comprehensive unclothed physical examination
- Appropriate immunizations
- Laboratory procedures, including lead blood level assessment appropriate for age and risk factors
- Periodic developmental and behavioral screening
- Vision and hearing tests
- Dental assessment and services
- Health education (anticipatory guidance including child development, healthy lifestyles, accident and disease prevention)

Diagnostic services, treatment, or services Medically Necessary to correct or ameliorate defects, physical or mental illnesses, and conditions discovered during a screening or testing must be provided or arranged for either directly or through referrals. Any condition discovered during the screening examination or screening test requiring further diagnostic study or treatment must be provided if within the Member's Covered Benefit Services. Members should be referred to an appropriate source of care for any required services that are not Covered Services.

Molina shall have no obligation to pay for services that are not Covered Services.

Monitoring for Compliance with Standards

Molina monitors compliance with the established performance standards as outlined above at least annually. Within thirty (30) calendar days of the review, a copy of the review report and a letter will be sent to the medical group notifying them of their results. Performance below Molina's standards may result in a CAP with a request the Provider submit a written corrective action plan to Molina within thirty (30) calendar days. Follow-up to ensure resolution is conducted at regular intervals until compliance is achieved. The information and any response made by the Provider are included in the Providers permanent credentials file. If compliance is not attained at follow-up, an updated Corrective Action Plan (CAP) will be required. Providers who do not submit a CAP may be terminated from network participation or closed to new Members.

Quality Improvement Activities and Programs

Molina maintains an active Quality Improvement Program. The Quality Improvement Program provides structure and key processes to carry out our ongoing commitment to improvement of care and service. The goals identified are based on an evaluation of programs and services; regulatory, contractual and accreditation requirements; and strategic planning initiatives.

Health Management

The Molina Health Management Program provides for the identification, assessment, stratification, and implementation of appropriate interventions for members with chronic diseases. For additional information, please see the Health Management heading in the Healthcare Services section of this Provider Manual.

Care Management

Molina's Care Management Program involves collaborative processes aimed at meeting an individual's health needs, promoting quality of life, and obtaining best possible care outcomes to meet the Member's needs so they receive the right care, at the right time, and at the right setting. Molina Care Management includes Health Management (HM) and Case Management (CM) programs. Members may qualify for HM or CM based on confirmed diagnosis or specified criteria for the programs. These comprehensive programs are available for all Members that meet the criteria for services. For additional information please see the Care Management heading in the Healthcare Services section of this Provider Manual.

Clinical Practice Guidelines

Molina adopts and disseminates Clinical Practice Guidelines (CPGs) to reduce inter-Provider variation in diagnosis and treatment. CPG adherence is measured at least annually. All guidelines are based on scientific evidence, review of medical literature and/or appropriately established authority. CPGs are reviewed annually and are updated as new recommendations are published.

Molina CPGs include the following:

- Asthma
- Attention Deficit Hyperactivity Disorder (ADHD)
- Chronic Kidney Disease
- Chronic Obstructive Pulmonary Disease (COPD)
- Depression
- Diabetes
- Heart Failure
- Hypertension
- Obesity
- Detoxification and Substance Abuse
- Opioid
- Sickle Cell Disease

The adopted CPGs are distributed to the appropriate Providers, Provider groups, staff model facilities, delegates and Members by the Quality, Provider Services, Health Education and Member Services departments. The guidelines are disseminated through Provider newsletters, electronic Provider Bulletins and other media and are available on the Molina website. Individual Providers or Members may request copies from the local Molina Quality Department at (855) 326-5059.

Preventive Health Guidelines

Molina provides coverage of diagnostic preventive procedures based on recommendations published by the U.S. Preventive Services Task Force (USPSTF) and in accordance with Centers for Medicare and Medicaid Services (CMS) guidelines. Diagnostic preventive procedures include but are not limited to:

- Perinatal/Prenatal Care
- Care for children up to twenty-four (24) months old
- Care for children two to nineteen (2-19) years old
- Care for adults twenty to sixty-four (20-64) years old
- Care for adults sixty-five (65) years and older
- Immunization schedules for children and adolescents
- Immunization schedules for adults

All guidelines are updated with each release by USPSTF and are approved by the Quality Improvement Committee. On an annual basis, Preventive Health Guidelines are distributed to Providers at www.MolinaHealthcare.com and the Provider Manual. Notification of the availability of the Preventive Health Guidelines is published in the Molina Provider Newsletter.

Cultural and Linguistic Services

Molina works to ensure all Members receive culturally competent care across the service continuum to reduce health disparities and improve health outcomes. For additional information about Molina's program and services, please see the Cultural Competency and Linguistic Services section of this Provider Manual.

Measurement of Clinical and Service Quality

Molina monitors and evaluates the quality of care and services provided to Members through the following mechanisms:

- Healthcare Effectiveness Data and Information Set® (HEDIS)
- Consumer Assessment of Healthcare Providers and Systems® (CAHPS)
- Behavioral Health Survey
- Experience of Care and Health Outcomes® (ECHO)
- Provider Satisfaction Survey
- Effectiveness of Quality Improvement Initiatives

Molina evaluates continuous performance according to, or in comparison with objectives, measurable performance standards and benchmarks at the national, regional and/or at the local/health plan level.

Contracted Providers and Facilities must allow Molina to use its performance data collected in accordance with the Provider's or facility's contract. The use of performance data may include, but is not limited to, the following: (1) development of Quality Improvement activities; (2) public reporting to consumers; (3) preferred status designation in the network; (4) and/or reduced Member cost sharing.

Molina's most recent results can be obtained from your local Molina Quality staff at (855) 326-5059 or by visiting our website at www.MolinaHealthcare.com

Healthcare Effectiveness Data and Information Set (HEDIS)®

Molina utilizes the NCQA® HEDIS® as a measurement tool to provide a fair and accurate assessment of specific aspects of managed care organization performance. HEDIS® is an annual activity conducted in the spring. The data comes from on-site medical record review and available administrative data. All reported measures must follow rigorous specifications and are externally audited to assure continuity and comparability of results. The HEDIS® measurement set currently includes a variety of health care aspects including immunizations, women's health screening, diabetes care, well check-ups, medication use, and cardiovascular disease.

HEDIS® results are used in a variety of ways. They are the measurement standard for many of Molina's clinical quality activities and health improvement programs. The standards are based on established clinical guidelines and protocols, providing a firm foundation to measure the success of these programs.

Selected HEDIS® results are provided to regulatory and accreditation agencies as part of our contracts with these agencies. The data are also used to compare to established health plan performance benchmarks.

Consumer Assessment of Healthcare Providers and Systems® (CAHPS)

CAHPS® is the tool used by Molina to summarize member satisfaction with the health care and service they receive. CAHPS® examines specific measures, including Getting Needed Care, Getting Care Quickly, How Well Doctors Communicate, Coordination of Care, Customer Service, Rating of Health Care and Getting Needed Prescription Drugs. The CAHPS® survey is administered annually in the spring to randomly selected Members by an NCQA®-certified vendor.

CAHPS® results are used in much the same way as HEDIS® results, only the focus is on the service aspect of care rather than clinical activities. They form the basis for several of Molina's quality improvement activities and are used by external agencies to help ascertain the quality of services being delivered.

Behavioral Health Survey

Molina obtains feedback from Members about their experience, needs, and perceptions of Members with behavioral health care. This feedback is collected at least annually to understand how our Members rate their experiences in getting treatment, communicating with their clinicians, receiving treatment and information from the plan, and perceived improvement, among other areas.

Experience of Care and Health Outcomes (ECHO)® Survey

Molina obtains feedback from Members about their experience, needs, and perceptions of accessing behavioral health care. This feedback is collected at least annually to understand how our members rate their experiences in getting treatment, communicating with their clinicians, receiving treatment and information from the plan, and perceived improvement in their conditions, among other areas.

Last Updated: 01/2020

Page 107

Molina Healthcare of Wisconsin, Inc. Medicaid Provider Manual

Any reference to Molina Members means Molina Medicaid Members.

Provider Satisfaction Survey

Recognizing that HEDIS® and CAHPS® both focus on Member experience with health care Providers and health plans, Molina conducts a Provider Satisfaction Survey annually. The results from this survey are very important to Molina, as this is one of the primary methods used to identify improvement areas pertaining to the Molina Provider Network. The survey results have helped establish improvement activities relating to Molina's specialty network, inter-Provider communications, and pharmacy authorizations. This survey is fielded to a random sample of Providers each year. If your office is selected to participate, please take a few minutes to complete and return the survey.

Effectiveness of Quality Improvement Initiatives

Molina monitors the effectiveness of clinical and service activities through metrics selected to demonstrate clinical outcomes and service levels. The plan's performance is compared to that of available national benchmarks indicating "best practices". The evaluation includes an assessment of clinical and service improvements on an ongoing basis. Results of these measurements guide activities for the successive periods.

In addition to the methods described above, Molina also compiles complaint and appeals data as well as on requests for out-of-network services to determine opportunities for service improvements.

What Can Providers Do?

- Ensure patients are up-to-date with their annual physical exam and preventive health screenings, including related lab orders and referrals to specialists, such as ophthalmology
- Review the HEDIS® preventive care listing of measures for each patient to determine if anything applicable to your patients' age and/or condition has been missed
- Check that staff is properly coding all services provided
- Be sure patients understand what *they* need to do

Molina has additional resources to assist Providers and their patients. For access to tools that can assist, please visit Molina's website and click on Providers. There is a variety of resources, including:

- HEDIS® CPT/CMS-approved diagnostic and procedural code sheets
- A current list of HEDIS® and CAHPS® Star Ratings measures

HEDIS® and CAHPS® are registered trademarks of the National Committee for Quality Assurance® (NCQA).

Member Information and Marketing

Any written informational and marketing materials directed at Molina Healthcare Members must be developed at the sixth-grade reading level and have prior written consent from Molina Healthcare and the appropriate government agencies. Providers should contact their Provider Services Representative for information and review of proposed materials. Neither Molina Healthcare, nor any Participating Providers nor medical groups/IPAs may:

- Distribute to their Members informational or marketing materials that contain false or misleading information
- Distribute to their Members marketing materials selectively within the Service Area
- Directly or indirectly conduct door-to-door, telephonic, or other cold-call marketing for
- Member enrollment

Wisconsin Specific Requirements

The statewide consumer call center telephone number, including hours of operation and a copy of the summary of Wisconsin's Patient's Bill of Rights and Responsibilities are posted in the provider's waiting room/reception area. The waiting room/reception area has a consumer assistance notice prominently displayed. Providers without professional liability coverage must prominently post a sign clearly visible to all patients or provide a written statement which includes the following: "Under Wisconsin law, physicians are generally required to carry medical malpractice insurance or otherwise demonstrate financial responsibility to cover potential claims for medical malpractice. However, certain part-time physicians who meet state requirements are exempt from the financial responsibility law. YOUR DOCTOR MEETS THESE REQUIREMENTS AND HAS DECIDED NOT TO CARRY MEDICAL MALPRACTICE INSURANCE. This notice is provided pursuant to Wisconsin law."

Definitions

Abuse – Provider practices that are inconsistent with sound fiscal, business, or medical practices, and result in unnecessary costs to the Medicaid program, or in reimbursement for services that are not Medically Necessary or that fail to meet professionally recognized standard for health care. It also includes recipient practices that result in unnecessary cost to the Medicaid programs. (42 CFR § 455.2)

Action – The denial or limited Authorization of a requested service, including the type, level or provider of service; reduction, suspension, or termination of a previously authorized service; the denial, in whole or in part, of payment of a service; or failure to provide services or act in a timely manner as required by law or contract.

Adverse Action – A determination made in response to Grievances, Complaints or Appeals wherein Molina Healthcare's original proposed Action is upheld.

Ancillary Services – Health care services ordered by a provider, including but not limited to: Laboratory services, radiology services, and physical therapy.

Appeal – A written request by a Member or Member's Authorized Representative received at Molina Healthcare for review of an Action.

Authorization – Approval obtained by providers from Molina Healthcare for a designated service before the service is rendered. The term is used interchangeably with preauthorization or prior Authorization.

Authorized Representative – For purposes of filing a Complaint, Grievance, or Appeal, an individual appointed by the Member, including a provider or estate representative. Centers for

Medicare and Medicaid Services (CMS) A federal agency within the U.S. Department of Health and Human Services. CMS administers Medicare, Medicaid, and SCHIP programs.

Claim – A request for payment for the provision of Covered Services prepared on a CMS-1500 form, UB-04, successor or submitted electronically.

Complaint – A general term used to describe a Member's oral expression of dissatisfaction with Molina Healthcare. It can include access problems, such as difficulty getting an appointment or receiving appropriate care; quality of care issues, such as long wait times in the reception area of a provider's office, rude providers or provider staff; or denial or reduction of a service. A Complaint may become a Grievance or Appeal if it is subsequently submitted in writing.

Coordination of Benefits (COB) – Applies when a person is covered under more than one group medical plan. The plans coordinate with each other to avoid duplicate payments for the same medical services.

Covered Services – Medically Necessary services included in the State contract. Covered Services change periodically as mandated by Federal or State legislation.

Credentialing – The verification of applicable licenses, certifications, and experience to assure that provider status be extended only to professional, competent providers who continually meet the qualifications, standards, and requirements established by Molina Healthcare.

Current Procedural Terminology (CPT) Codes - American Medical Association (AMA) Approved standard coding for billing of procedural services performed.

Delivery System – The mechanism by which health care is delivered to a patient. Examples include, but are not limited to, hospitals, providers' offices and home health care.

Department of Health Services (DHS) — The Wisconsin Department of Health Services, the department responsible for overseeing State-funded insurance programs.

Discharge Planning – Process of screening eligible candidates for continuing care following treatment in an acute care facility, and assisting in planning, scheduling and arranging for that care.

Durable Medical Equipment (DME) - Equipment used repeatedly or used primarily and customarily for medical purposes rather than for convenience or comfort. It also is equipment that is appropriate for use in the home and prescribed by a provider.

Early Periodic Screening Diagnosis and Treatment Program (EPSDT) – A package of services in a preventive (well child) exam covered by Medicaid as defined in the Social Security Act section 1905 (R). Services covered by Medicaid include a complete health history and developmental assessment, an unclothed physical exam, immunizations, laboratory tests, health education and anticipatory guidance, and screenings for: vision, dental, substance abuse, mental health and hearing, as well as any Medically Necessary services found during the EPSDT exam.

Emergency Care – The provision of Medically Necessary services required for the immediate attention to evaluate or stabilize a Medical Emergency (See definition below).

Encounter Data - Molina Healthcare shall collect, and submit to DHS, enrollee service level Encounter Data for all Covered Services.

Excluded Providers - An individual provider, or an entity with an officer, director, agent, manager or individual who owns or has a controlling interest in the entity who has been: convicted of crimes as specified in section 1128 of the Social Security Act, excluded from participation in the Medicare or Medicaid program, assessed a civil penalty under the provisions of section 1128, or has a contractual relationship with an entity convicted of a crime specified in section 1128.

Expedited Appeal - An oral or written request by a Member or Member's Authorized Representative received by Molina Healthcare requesting an expedited reconsideration of an Action when taking the time for a standard resolution could seriously jeopardize the Member's life, health or ability to attain, maintain, or regain maximum function; or would subject the Member to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Appeal.

Expedited Grievance - A Grievance where delay in resolution would jeopardize the Member's life or materially jeopardize the Member's health.

Fee-For-Service (FFS) - A term Molina Healthcare uses to describe a method of reimbursement based upon billing for a specific number of units of services rendered to a Member.

Fraud - An intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to himself or some other person. It includes any act that constitutes Fraud under applicable Federal or State law. (42CFR § 455.2)

Grievance - An expression by a Member or Authorized Representative of dissatisfaction or a Complaint about any matter other than an Action. The term is also used to refer to the overlap system of Complaints, Grievances and Appeals handled by Molina Healthcare. Possible Grievance subjects include, but are not limited to, the quality of care or services provided, and aspects of interpersonal relationships such as rudeness of a provider or employee, or failure to respect the Member's rights.

Healthcare Effectiveness Data and Information Set (HEDIS) - Set of standardized measures developed by NCQA. Originally HEDIS was designed to address private employers' needs as purchasers of health care. It has since been adapted for use by public purchasers, regulators and consumers. HEDIS is used for quality improvement activities, health management systems, provider profiling efforts, an element of NCQA accreditation, and as a basis of consumer report cards for managed care organizations.

HIPAA -The Health Insurance Portability and Accountability Act of 1996.

Independent Practice Association (IPA) - A legal entity, the members of which are independent providers who contract with the IPA for the purpose of having the IPA contract with one (1) or more health plans.

Medicaid - The State and federally funded medical program created under Title XIX of the Social Security Act.

Medical Emergency – Circumstances which a reasonably prudent person would regard as the unexpected onset of sudden or acute illness or injury requiring immediate medical care such that the Member's life or health would have been jeopardized had the care been delayed.

Medical Records – A confidential document containing written documentation related to the provision of physical, social and mental health services to a Member.

Medically Necessary or Medical Necessity – Services that include medical or allied care, goods or services furnished or ordered that are:

- Necessary to protect life, to prevent significant illness or significant disability or to alleviate severe pain
- Individualized, specific and consistent with symptoms or confirm diagnosis of the illness or injury under treatment and not in excess of the patient's needs
- Consistent with the generally accepted professional medical standards as determined by applicable
- Federal and State regulation or law, and not be experimental or investigational
- Reflective of the level of service that can be furnished safely and for which no equally effective and more conservative or less costly treatment is available statewide
- Furnished in a manner not primarily intended for the convenience of the Member, the Member's caretaker, or the provider

Medicare - The Federal government health insurance program for certain aged or disabled clients under Titles II and XVIII of the Social Security Act. Medicare has two (2) parts:

- Part A covers the Medicare inpatient hospital, post-hospital skilled nursing facility care, home health services, and hospice care.
- Part B is the supplementary medical insurance benefit (SMIB) covering the Medicare provider's services, outpatient hospital care, outpatient physical therapy and speech pathology services, home health care, and other health services and supplies not covered under Part A of Medicare.

Member – A current member of Molina Healthcare.

NCQA – National Committee for Quality Assurance

Participating Provider – A provider that has a written agreement with Molina Healthcare to provide services to Members under the terms of his/her agreement.

Preventive Care – Health care emphasizing priorities for prevention, early detection, and early treatment of conditions, generally including routine physical examination and immunization.

Primary Care Provider (PCP) – A Participating Provider responsible for supervising, coordinating, and providing primary health care to Members, initiating Referrals for Specialist care, and maintaining the continuity of Member care. PCPs include, but are not limited to; pediatricians, family practice providers, general medicine providers, internists, obstetrician/gynecologists, physician

assistants (under the supervision of a physician), or advanced registered nurse practitioners (ARNP), as designated by Molina Healthcare.

Provider Group – A partnership, association, corporation, or other group of providers.

Quality Improvement Program (QIP) – A formal set of activities provided to assure the quality of clinical and non-clinical services. QIP includes quality assessment and corrective actions taken to remedy any deficiencies identified through the assessment process.

Referral – The practice of sending a patient to another provider for services or consultation which the referring provider is not prepared or qualified to provide.

Remittance Advice (RA) – Written explanation of processed Claims.

Service Area – A geographic area serviced by Molina Healthcare, designated and approved by DHS.

Specialist – Any licensed provider, who practices in a specialty field such as Cardiology, Dermatology, Oncology, Ophthalmology, Radiology, etc.

State Children's Health Insurance Plan (SCHIP) – A Federal/State funded health insurance program authorized by Title XXI of the Social Security Act and administered by DHS.

Sub-Contract – A written agreement between Molina Healthcare and a Participating Provider, or between a Participating Provider and another sub-contractor, to perform all or a portion of the duties and obligations Molina Healthcare is required to perform pursuant to the agreement.

Supplemental Security Income (SSI) – A Federal cash program for aged, blind, or disabled persons, administered by the SSA.

Title XIX – The portion of the Federal Social Security Act that authorizes grants to states for medical assistance programs. Title XIX is also called Medicaid.

Title XXI – The portion of the Federal Social Security Act that authorizes grants to states for SCHIP.

Utilization Management (UM) – The process of evaluating and determining the coverage for and the appropriateness of medical care services, as well as providing assistance to a clinician or patient in cooperation with other parties, to ensure appropriate use of resources. UM includes prior Authorization, concurrent review, retrospective review, discharge Planning and case management.

Waste – Health care spending that can be eliminated without reducing the quality of care. Quality Waste includes, overuse, underuse, and ineffective use. Inefficiency Waste includes redundancy, delays, and unnecessary process complexity. For example: the attempt to obtain reimbursement for items or services where there was no intent to deceive or misrepresent. However, the outcome of poor or inefficient billing methods (e.g. coding) causes unnecessary costs to the Medicaid program.

• **Section 14. Pharmacy**

Prescription drug therapy is an integral component of your patient's comprehensive treatment program. Molina's goal is to provide our Members with high quality, cost effective drug therapy. Molina works with our Providers and Pharmacists to ensure medications used to treat a variety of conditions and diseases are offered. Molina covers prescription and certain over-the-counter drugs.

Pharmacy and Therapeutics Committee

The National Pharmacy and Therapeutics Committee (P&T) meets quarterly to review and recommend medications for formulary consideration. The P&T Committee is organized to assist Molina with managing pharmacy resources and to improve the overall satisfaction of Molina Members and Providers. It seeks to ensure Molina Members receive appropriate and necessary medications. An annual pharmacy work plan governs all the activities of the committee. The committee voting membership consists of external physicians and pharmacists from various clinical specialties.

Pharmacy Network

Members must use their Molina ID card to get prescriptions filled. Additional information regarding the pharmacy benefits, limitations, and network pharmacies is available by visiting www.MolinaHealthcare.com or calling Molina at (855) 326-5059.

Drug Formulary

The pharmacy program does not cover all medications. Some medications require prior authorization (PA) or have limitations on age, dosage and/or quantities. For a complete list of covered medications please visit www.MolinaHealthcare.com.

Information on procedures to obtain these medications is described within this document and also available on the Molina website at www.MolinaHealthcare.com.

Formulary Medications

In some cases, Members may only be able to receive certain quantities of medication. Information on limits are included and can be found in the formulary document.

Formulary medications with PA may require the use of first-line medications before they are approved.

Quantity Limitations

Quantity limitations have been placed on certain medications to ensure safe and appropriate use of the medication.

Age Limits

Some medications may have age limits. Age limits align with current U.S. Food and Drug Administration (FDA) alerts for the appropriate use of pharmaceuticals.

Non-Formulary Medications

Non-formulary medications may be considered for exception when formulary medications are not appropriate for a particular Member or have proven ineffective. Requests for formulary exceptions

should be submitted using a PA form. Clinical evidence must be provided and is taken into account when evaluating the request to determine medical necessity.

Generic Substitution

Generic drugs should be dispensed when available. If the use of a particular brand name becomes medically necessary as determined by the Provider, PA must be obtained through the standard PA process.

New to Market Drugs

Newly approved drug products will not normally be placed on the formulary during their first six (6) months on the market. During this period, access to these medications will be considered through the PA process.

Medications Not Covered

Medications not covered by Medicaid are excluded from coverage. For example, drugs used in the treatment of fertility or those used for cosmetic purposes are not part of the benefit.

Submitting a Prior Authorization Request

Molina will only process completed PA request forms, the following information **MUST** be included for the request form to be considered complete.

- Member first name, last Name, date of birth and identification number
- Prescriber first name, last name, NPI, phone number and fax number
- Drug name, strength, quantity and directions of use
- Diagnosis

Molina's decisions are based upon the information included with the PA request. Clinical notes are recommended. If clinical information and/or medical justification is missing Molina will either fax or call your office to request clinical information be sent in to complete review. To avoid delays in decisions, be sure to complete the PA form in its entirety, including medical justification and/or supporting clinical notes.

Fax a completed Medication PA Request form to Molina at (866) 290-1309. A blank Medication PA Request Form may be obtained by accessing www.MolinaHealthcare.com or by calling (855) 326-5059.

Member and Provider "Patient Safety Notifications"

Molina has a process to notify Members and Providers regarding a variety of safety issues which include voluntary recalls, FDA required recalls and drug withdrawals for patient safety reasons. This is also a requirement as an NCQA® accredited organization.

Specialty Pharmaceuticals, Injectable and Infusion Services

Many specialty medications are covered by Molina through the pharmacy benefit using national drug codes (NDCs) for billing and specialty pharmacy for dispensing to the Member or Provider. Some of these same medications maybe covered through the medical benefit using Healthcare Common Procedure Coding System (HCPC) J-codes via paper or electronic medical claim submission.

Molina, during the utilization management review process, will review the requested medication for the most cost-effective, yet clinically appropriate benefit (medical or pharmacy)

of select specialty medications. All reviewers will first identify Member eligibility, any Federal or State regulatory requirements, and the Member specific benefit plan coverage prior to determination of benefit processing.

If it is determined to be a Pharmacy benefit, Molina's pharmacy vendor will coordinate with Molina and ship the prescription directly to your office or the Member's home. All packages are individually marked for each Member, and refrigerated drugs are shipped in insulated packages with frozen gel packs. The service also offers the additional convenience of enclosing needed ancillary supplies (needles, syringes and alcohol swabs) with each prescription at no charge. Please contact your Provider Relations representative with any further questions about the program.

Newly FDA approved medications are considered non-formulary and subject to non-formulary policies and other non-formulary utilization criteria until a coverage decision is rendered by the Molina Pharmacy and Therapeutics Committee. "Buy-and-bill" drugs are pharmaceuticals which a Provider purchases and administers, and for which the Provider submits a claim to Molina for reimbursement.

Pain Safety Initiative (PSI) Resources

Safe and appropriate opioid prescribing and utilization is a priority for all of us in health care. Molina requires Providers to adhere to Molina's drug formularies and prescription policies designed to prevent abuse or misuse of high-risk chronic pain medication. Providers are expected to offer additional education and support to Members regarding Opioid and pain safety as needed.

Molina is dedicated to ensuring Providers are equipped with additional resources, which can be found on the Molina Provider website. Providers may access additional Opioid-safety and Substance Use Disorder resources at www.MolinaHealthcare.com under the Health Resource tab. Please consult with your Provider Services representative or reference the medication formulary for more information on Molina's Pain Safety Initiatives.
