Provider communication

June 06, 2025

Good Afternoon, Valued Providers,

Please sign up for the upcoming DWEL Release of Information (ROI) Training to support statewide efforts in improving care coordination for individuals experiencing homelessness.

**Training Purpose:**

The DWEL ROI Training will help agencies establish a consistent process to collect Release of Information (ROI) forms so that AHCCCS Medicaid data can be matched with HMIS client records. This integration will streamline services, improve coordination, and reduce data collection burden for providers and clients.

**Key Steps:**

1. Register for a training session using the link below.
2. Forward this information to colleagues, agency leaders, and others working with HMIS and vulnerable populations.
3. Begin collecting DWEL ROIs from clients in preparation for the project launch.
4. DWEL will send ROIs to AHCCCS for data matching.
5. Once live, agency staff will be able to view health and housing info in DWEL.

**Training Dates:**

- Tuesday, July 8 at 9:00 AM
- Thursday, July 10 at 10:00 AM
- Monday, July 14 at 3:00 PM
