

# Molina Healthcare of Arizona

Provider communication

July 1, 2025

Good afternoon, Valued Providers,

We would like to inform you of the recent developments regarding the Turkey Fire wildfire impacting the Yavapai County area, specifically within zip code 86333.

## **Impacted Area and Members:**

AHCCCS reports that approximately 2,369 members reside within zip code 86333. However, not all members may be within the evacuation zones, but we are actively assessing potential impacts.

Molina Healthcare is continuously monitoring the situation and will coordinate efforts to ensure member safety and access to care. Please notify us promptly if you or any of our members are impacted.

## **What we know:**

- ☐ Evacuation area is located within zip code 86333.
- ☐ Fire: Turkey Fire - <https://app.watchduty.org/i/53263>
