

# Molina Medicaid Solutions: CMS Certifications

## High Quality Claims Management

Molina Medicaid Solutions is committed to quality care and provides Medicaid health care information management services to help our state government partners meet the diverse needs of more than three million Medicaid beneficiaries. Molina Medicaid Solutions has fiscal agent contracts for five states across the United States. All have received full federal certification from the Centers for Medicare and Medicaid Services (CMS), most recently Idaho and Maine. Molina's industry-leading solution, Health PAS, is the Medicaid Management Information Systems (MMIS) for Idaho and Maine and was certified using the latest certification toolkit.

# Molina Medicaid Solutions Profile

Molina Healthcare is the only health care company providing business processing and information technology administrative services to Medicaid agencies. Through its wholly-owned subsidiary, Molina Medicaid Solutions, Molina's Medicaid management information systems' design, development, implementation, and operation expertise provide the technological foundation needed by state agencies to meet current and future Medicaid Information Technology Architecture (MITA) business process and regulatory health care requirements. Molina Medicaid Solutions' fiscal agent contracts in Idaho, Louisiana, Maine, New Jersey, and West Virginia provide services to more than 3.4 million Medicaid beneficiaries.

## Mission and Values

The story of Molina Healthcare began in 1980 with the vision of Dr. C. David Molina, a Long Beach, California emergency room physician who believed that everyone, no matter what their social or economic standing, deserved respect and access to quality care. Dr. Molina's legacy continues today and serves as the company's guiding principle.

Molina Healthcare is committed to:

- Delivering quality health care services to promote healthier populations
- Improving access to quality health care for all persons
- Serving as a steward and trustworthy Medicaid and Medicare partner
- Respecting the dignity of every member
