Providers

Getting started in Molina Dual Options

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.
 - The term *providers* also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see the other provider. If you don't get a referral, Molina Dual Options may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY/TDD: 711, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. For more information, visit www.MolinaHealthcare.com/Duals.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - Services from a women's health specialist.
- Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on referrals is available in Chapter 3 of the Member Handbook.
- You also have access to a **Care Coordinator** and a **Care Team** that you choose.
 - A **Care Coordinator** helps you manage your medical providers and services.
 - Your **Care Team** is a group of advocates and providers working together to provide you with medical, behavioral health, psychosocial, social care, and long-term services and supports in the community or in a facility. You are a member of your Care Team, and you can tell us who else you would like to participate. Unless you tell us otherwise, your Care Team **will** include:
 - You
 - Your Care Coordinator
 - Your Primary Care Provider (PCP)
 - Your behavioral health clinician (if you have one)
 - Your long-term services and supports (LTSS) providers (if you have them). These include:
 - Your Home Again Transition Coordinator
 - Your waiver services provider
 - Your Community Long Term Care (CLTC) waiver case manager
 - A pharmacist, and
 - Representatives from the facility where you get care

Your Care Team **can also include** the following people, if it is appropriate and if you agree:

- Nurses, specialists, social workers, and other people who can provide expert advice
- Family members
- Other informal caregivers
- Advocates

- State agency or other case managers

Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider.

To choose a PCP, go to the list of providers on page 1 and choose a provider:

- that you use now, *or*
- who has been recommended by someone you trust, *or*
- whose offices are easy for you to get to.

→ If you want help in choosing a PCP, please call your Care Coordinator at (855) 735-5831, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. TTY/TDD: 711. You can also call Member Services or visit our website using the information at the bottom of the page.

→ If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

Getting long-term services and supports

You may be able to get long-term services and supports (LTSS), such as environmental modification (minor changes to your home), pest control, home delivered meals, and respite care (relief for your primary caregiver, either at home or in a hospital). Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

LTSS are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. Those waivers are:

If you have questions, please call Molina Dual Options at (855) 735-5831, TTY/TDD: 711, 7 days a week, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

- Community Choices waiver
- HIV/AIDS waiver
- Mechanical Ventilator Dependent waiver

Members on different waivers can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your Care Coordinator about how to access them and whether you can join one of these waivers. Your Care Coordinator can give you information about how to apply for an appropriate waiver, and all of the resources available to you under the plan.

Identifying Providers in Molina Dual Options' Network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the "Getting started in Molina Dual Options" section of this Directory on page iii.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options' network (without prior authorization or approval from us), you will have to pay the bill.

The exceptions to this rule are during your first 180 days in our plan or when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States, except for emergency services requiring hospitalization in Canada or Mexico. You can also go outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. All changes made will be in effect on the first day of the following month, with the following exceptions: 1. If the member is calling from the provider's office, the effective date will be the date of the phone call, 2. If the member is in their first month of enrollment, the effective date will be the first day of the current month. However, we recommend that you first visit your doctor to get to know your PCP before changing. You can call Member Services if you want more information about any of our Molina Dual Options providers. For some providers, you may need a referral from your PCP (except for emergent and out of area urgent care services).
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide. If you need to see a provider and are not

 - atención de Emergencia;
 - cuidado necesario urgentemente;
 - servicios de diálisis renal que usted recibe en una institución de diálisis certificada por Medicare, cuando usted está fuera del área de servicio del plan; o

 - Su médico de salud conductual (si tuviera uno)
 - Sus proveedores de servicios y apoyo a largo plazo (LTSS, por sus siglas en inglés) (si los tuviera). Estas incluyen:

- Su coordinador de transición para regresar al hogar
- Su proveedor de servicios de exención
- Su administrador de casos de exención de Atención a Largo Plazo en la Comunidad (CLTC, por sus siglas en inglés)
- Un farmacéutico
- Representantes del centro en el que recibe la atención médica

Su equipo de cuidados **también puede incluir** a las siguientes personas, si corresponde y usted lo desea:

- Enfermeras, especialistas, asistentes sociales y otras personas que puedan proporcionar asistencia profesional
- Integrantes de la familia
- Otros proveedores de atención informal
- Defensores
- Organismos estatales u otros administradores de caso

Todos en el equipo de cuidados trabajan en conjunto para asegurarse de que su cuidado sea coordinado. Esto significa que se aseguran de que las pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

Cómo escoger a un proveedor de atención primaria (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, deberá escoger un Proveedor de atención primaria.

Para elegir un PCP, consulte la lista de proveedores en la página 1 y elija un proveedor:

- que lo esté atendiendo actualmente; **o**
- que se lo haya recomendado alguien de confianza; **o**
- cuyo consultorio es de fácil acceso para usted.

Si tiene alguna pregunta, comuníquese con Molina Dual Options al (855) 735-5831, TTY / TDD al 711, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite www.MolinaHealthcare.com/Duals.

- Si desea ayuda para elegir un PCP, llame a su coordinador de cuidados al (855) 735-5831, los 7 días a la semana, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. TTY / TDD al 711. También puede llamar a Servicios para Miembros o visitar la página web usando la información indicada al pie de la página.
- Si tiene alguna pregunta sobre si pagaremos algún servicio o cuidado médico que usted quiera o necesite, llame al Departamento de Servicios para Miembros y pregunte **antes** de recibir los servicios o el cuidado.

Cómo recibir servicios y apoyo a largo plazo

Puede recibir servicios y apoyo a largo plazo (LTSS), como modificación ambiental (modificaciones menores a su hogar), control de plagas, entrega de comidas al domicilio y servicios de respiro (alivio para su cuidador primario, ya sea en el hogar o en un hospital). Los servicios a largo plazo y el apoyo son ayuda para las personas que necesitan asistencia para realizar tareas cotidianas como bañarse, vestirse y preparar comida. La mayoría de esos servicios son proporcionados en su hogar o en su comunidad, pero podrían ser proporcionados en un hogar de cuidados para adultos mayores u hospital.

Los LTSS están a disposición de los miembros en determinados programas de exención administrados por la División de atención a largo plazo en la comunidad (CLTC) de Healthy Connections Medicaid. Esas exenciones son las siguientes:

- Exención de Community Choices
- Exención de VIH / SIDA
- Exención para dependiente de ventilación mecánica

Los miembros con diferentes servicios de exención pueden obtener diferentes tipos y cantidades de LTSS. Si cree que necesita LTSS, puede hablar con su Coordinador de Cuidados sobre cómo acceder a ellos y si puede ingresar en una de estas exenciones. Su Coordinador de Cuidados puede brindarle información sobre cómo solicitar una exención adecuada y todos los recursos de los que dispone de acuerdo con el plan.

Cómo identificar a los proveedores en la red de Molina Dual Options

Si tiene alguna pregunta, comuníquese con Molina Dual Options al (855) 735-5831, TTY / TDD al 711, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite www.MolinaHealthcare.com/Duals.

Es posible que necesite una remisión para consultar a alguien que no es un proveedor de atención primaria. Encontrará más información sobre las remisiones en la sección “Primeros pasos en Molina Dual Options” de este Directorio de proveedores y farmacias en la página xiii.

Usted debe obtener todos sus servicios cubiertos a través de los proveedores dentro de nuestra red. Si visita proveedores que no estén en la red de Molina Dual Options (sin autorización previa de nosotros o sin nuestra aprobación), usted tendrá que pagar la factura.

Existen excepciones a esta regla durante los primeros 180 días en nuestro plan o cuando usted necesita atención urgente o de emergencia o diálisis y no puede ir a un proveedor del plan, como cuando está lejos de casa. Ningún servicio está cubierto fuera de los Estados Unidos, excepto los servicios de emergencia que requieran de hospitalización en Canadá o México. Usted también puede ir fuera del plan para otros servicios, que no son de emergencias, si Molina Dual Options le da permiso antes.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento. Si ha estado consultando un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Todos los cambios realizados entrarán en vigor el primer día del próximo mes, salvo en las siguientes excepciones: 1. Si el miembro está llamando desde el consultorio del proveedor, la fecha efectiva será el día en que se hizo la llamada; 2. Si el miembro se encuentra en el primer mes de su inscripción, la fecha efectiva será el primer día del mes actual. Sin embargo, le recomendamos que primero consulte a su médico para conocer a su PCP antes de cambiar. Puede comunicarse con el Departamento de Servicios para Miembros si desea más información acerca de cualquier proveedor de Molina Dual Options. Para algunos proveedores, es posible que necesite una remisión por su PCP (excepto en casos de emergencia y servicios de urgencia fuera del área).
- Molina Dual Options trabaja con todos los proveedores en nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores dentro de la red en este Directorio incluye la información sobre las adaptaciones que proporcionan los proveedores. Si necesita ver a un proveedor y no está seguro si ofrece las adaptaciones que usted necesita, Molina Dual Options le puede ayudar. Hable con su Coordinador de Cuidados para recibir asistencia.
