Introduction

Getting To Know Molina Healthcare

At Molina Healthcare of California, one of our most important activities is to communicate how we operate. This will help us keep you healthy.

Our Provider Directory will help you get started in making decisions about your health care. Here you will find a listing of doctors and hospitals that are available under Molina Healthcare's health plan. You will also learn some helpful tips on how to use Molina Healthcare's services and benefits.

Together, we can be partners for your good health!

What Is The First Step To Good Health?

Your PCP is your Primary Care Physician who treats you when you need medical care.

He or she is your personal doctor who works with you to keep you healthy and guides you through your Medical care.

Think of your PCP's office as your "medical home." Your first step is to choose a doctor from our list of Primary Care Physicians (PCPs).

What Is A Primary Care Doctor?

(Primary Care Physician or "PCP")

A PCP knows you well. A PCP takes care of your health care needs. Call your PCP when you or your child is sick and you do not know what to do. You do not have to go to the emergency room unless you have something that is so serious your life is in danger.

You may think that you should not see your PCP

until you are sick. That is not true. Get to know your PCP even when you are well, for yearly checkups and to stay healthy. Go to your PCP for checkups, tests and test results, shots, and – of course – when you are ill. Seeing your PCP for checkups allows problems to be found early. If you or your child needs special care, your PCP will help you get it. Your PCP and you work together to keep you and your child healthy.

If you want to know more about your PCP or other Molina Healthcare doctors, call Molina Healthcare Member Services toll-free at 1 (888) 665-4621. We can give you information about your doctor's qualifications, such as medical school attended, residency completed, and board certification status. We can also tell you which languages your doctor speaks.

Choosing Your Doctor

(Choice of Physician and Providers) To be covered, services must be provided by Molina Healthcare doctors, hospitals, specialists or medical facilities that are assigned to you, except in the case of emergency services, out of area urgent services, or those services listed under "What is a Prior Authorization" in your Member Services Guide.

How do I choose a primary care doctor (PCP)?

Picking the right doctor for you and your family is very important. Molina's Member Services staff can help you choose. They can tell you what the doctor's regular office hours are and how to schedule an office visit.

Call and schedule your first visit to get to know your PCP. If you need help making an appointment, call Molina Healthcare toll free at 1 (888) 665-4621 / If you are deaf or hard of hearing, you may contact us by dialing 711 for the California Relay Service, Monday through Friday between 7:00 a.m. and 7:00 p.m.

Molina Healthcare can also help you find a PCP that is best for you. Tell us what is important to you in choosing a PCP. We are happy to help you. Call the Member Services Department if you want more information about your Molina Healthcare doctor.

Here are the kinds of PCPs you may select:

- **Family Practice PCP**
A Family Practice PCP may see the whole family.
- **General Practice PCP**
A General Practice PCP may also see the entire family.
- **Internal Medicine PCP**
An Internal Medicine PCP sees adults only (21 years or older).
- **OB/GYN**
An OB/GYN PCP sees women only. He or she specializes in women's health and maternity care.
- **Pediatrician**
A Pediatrician sees only children up to age 21.

After you decide what kind of doctor you want as a PCP, your next step is to choose the right doctor for you. Here are some helpful tips:

- Choose a doctor in the city where you live.
- Write your doctor's Identification Number (ID) or his/her name on the Medi-Cal Health Plan Choice Form.
- Be sure you fill out the Medi-Cal Health Plan Choice form completely.
- Sign your name on the Medi-Cal Health Plan Choice form.
- Mail your completed Medi-Cal Health Plan Choice Form in our self-addressed stamped envelope included with your packet to Health Care Options.

You may decide you want to receive your health care services from doctors who are under Molina

Healthcare's health plan or with our subcontracting health plan, Health Net.

You, your doctor and your health plan will make decisions on where you will get other medical services such as vision, pharmacy, laboratory and hospital care.

For example, if you choose a doctor who is with Molina Healthcare, you will receive all your specialty care and prescriptions through providers and pharmacies that belong to the Molina Healthcare network.

Introduction

What If I Don't Choose A Primary Care Doctor?

Molina Healthcare asks that you select a primary care provider within 30 days of joining Molina Healthcare. However, if you don't choose a PCP, Molina Healthcare will choose one for you.

Changing Your Doctor

What if I want to change my primary care doctor?

You can change your PCP at anytime. All changes completed by the 25th of the month will be in effect on the first day of the following calendar month. Any changes on or after the 26th of the month will be in effect on the first day of the second calendar month. But first visit your doctor. Get to know your PCP before changing. Having a good relationship with your PCP is important to your health care. Call the Member Services Department if you want more information about your Molina Healthcare doctor.

Can my doctor request that I change to a different primary care doctor?

Your doctor may request that you be changed to a different PCP for any of the following reasons:

- You are not following medical instructions (Non-compliant behavior)
- You are being abusive, threatening or have violent behavior
- Doctor patient relationship breakdown

How Do I Choose An OB/GYN?

Women may see an OB/GYN without receiving prior approval from your PCP. You may also choose an OB/GYN in addition to your PCP. But it's very important that you select an OB/GYN who is a member of the same Medical Group (IPA) as your PCP.

If you need help in choosing an OB/GYN, or if you have questions about the PCP and OB/GYN who are a part of your Medical Group (IPA), call Molina Member Services at 1 (888) 665-4621. If you are deaf or hard of hearing, you may contact us by dialing 711 for the California Relay Service, 7am-7pm Monday through Friday. Our representatives will be happy to help you or answer your questions.

How Does Molina Work With Your Doctor To Keep You Healthy?

Your PCP treats you when you are sick, gives you care to keep you well and prevents you from becoming ill. If you need to go to a hospital, Molina Healthcare will work with your PCP to make sure you get the proper care. When your doctor and Molina Healthcare work together in this way, it is called "Utilization Management." If you need care that can't be given by your doctor, your doctor will refer you to a specialist. We will help your doctor find the right kind of specialist for you.

Your PCP is the doctor who treats you when you need medical care. Think of your PCP's office as your *"medical home."*

When you need Medical care, contact your PCP unless it is an emergency. If you are experiencing an emergency, dial 911. You also don't need to get a prior authorization from your PCP for a visit to Family Planning Services.

Familiarícese con Molina Healthcare

Una de nuestras actividades más importantes en Molina Healthcare de California es comunicar cómo funcionamos. Eso nos ayuda a mantenerlo sano.

Nuestro Directorio de proveedores lo ayudará a empezar a tomar decisiones sobre la atención de su salud. Aquí encontrará un directorio de los médicos y hospitales disponibles a través del plan de salud de Molina Healthcare. También obtendrá consejos prácticos útiles acerca de cómo usar los servicios y beneficios de Molina Healthcare.

¡Podemos trabajar unidos para su buena salud!

¿Cuál es el primer paso para gozar de buena salud?

Su médico de atención primaria (PCP, por sus siglas en inglés) es el que lo atiende cuando necesita atención médica.

Es su médico personal, que trabaja con usted para mantenerlo sano y lo orienta en toda su atención médica.

Piense en el consultorio de su médico de atención primaria como su “hogar médico”. El primer paso es elegir un médico de nuestra lista de Médicos de Atención Primaria (PCP).

¿Qué es un médico de atención primaria?

(Médico de atención primaria o “PCP”, por sus siglas en inglés) Un médico de atención primaria lo conoce bien, se ocupa de sus necesidades de atención médica. Llame a su PCP cuando usted o su hijo estén enfermos y no sepa qué hacer. No tiene que ir a la sala de emergencia, excepto si tiene algo tan grave que su vida está en peligro.

Tal vez piensa que no es necesario acudir a su médico de atención primaria hasta estar enfermo. Eso no es verdad. Conozca a su médico de atención primaria cuando se sienta bien, para su examen médico anual y para mantenerse sano. Visite a su médico de atención

primaria para realizarse exámenes médicos, pruebas y la interpretación de éstas, vacunas y, por supuesto, cuando esté enfermo. Ver a su PCP para exámenes permite la detección temprana de problemas. Si usted o su hijo necesitan ver a un especialista, su médico de atención primaria le ayudará con los arreglos necesarios. Su médico de atención primaria trabajará con usted para mantener su salud y la de su hijo.

Si desea saber más sobre su médico de atención primaria u otros médicos de Molina Healthcare, llame sin cargo a Servicios a los Miembros de Molina Healthcare, al 1 (888) 665-4621. Le podemos dar información sobre las cualificaciones de su médico, como dónde realizó sus estudios de medicina, dónde completó la residencia y si está certificado o no por la junta. También le podemos informar qué idiomas habla su médico.

Cómo elegir a su médico

(Elección de médicos y proveedores) Para que los servicios queden cubiertos deben ser provistos por los médicos, hospitales, especialistas o instituciones médicas de Molina Healthcare que le fueron asignados, excepto en el caso de los servicios de emergencia, de los servicios de urgencia fuera de la zona de servicio o de los servicios que figuran en la sección “¿Qué es una autorización previa?” en su Guía de servicios para los miembros.

¿Cómo elijo a un médico de atención primaria (PCP)?

Elegir el médico más adecuado para usted y su familia es muy importante. Nuestro personal de Servicios a los Miembros de Molina Healthcare le puede ayudar a elegirlo. Le pueden indicar cuál es el horario de atención normal del médico y cómo hacer una cita.

Llame y programe su primera cita para conocer a su médico de atención primaria. Si necesita ayuda para programar una cita, llame sin cargo a Molina Healthcare al 1 (888) 665-4621 / Si es sordo o tiene dificultades auditivas, puede contactarnos marcando 711 para comunicarse con el Servicio de Retransmisión de Telecomunicaciones de California, de lunes a viernes, entre las 7:00 a.m. a 7:00 p.m.

Molina Healthcare también lo puede ayudar a encontrar el mejor PCP para usted. Díganos qué es importante para usted al seleccionar un médico de atención primaria. Será un placer ayudarle. Llame al Departamento de Servicios a los Miembros si desea obtener más información sobre su médico de Molina Healthcare.

Estos son los tipos de PCP que puede elegir:

- **Un PCP de medicina familiar** Un PCP de medicina familiar puede atender a toda la familia.
- **Un PCP de medicina general** Un PCP de medicina familiar también puede atender a toda la familia.
- **Un PCP de medicina interna** Un PCP de medicina interna sólo atiende a adultos (21 años de edad en adelante).
- **Ginecólogo/obstetra** Un PCP ginecólogo/obstetra sólo atiende a mujeres. Se especializa en salud femenina y en atención de maternidad.
- **Pediatra** Un pediatra sólo atiende a niños y jóvenes hasta los 21 años de edad.

Después de decidir qué tipo de médico desea como su PCP, lo siguiente que tiene que hacer es elegir el médico adecuado para usted. Los siguientes son algunos consejos prácticos:

- Elija un médico en la ciudad donde usted vive.
- Escriba el número de identificación o el nombre de su médico en el formulario de Elección de plan de salud Medi-Cal.
- Asegúrese de llenar todo el formulario de Elección de plan de salud Medi-Cal.
- Firme su nombre en el formulario de Elección de plan de salud Medi-Cal.
- Envíe por correo el Formulario de elección de plan de salud Medi-Cal a Health Care Options en el sobre con la dirección impresa con porte pagado que le enviamos con su paquete.

Puede decidir que desea obtener nuestros servicios de atención médica de médicos en el plan de salud de Molina Healthcare o de nuestro plan subcontratista, Health Net.

Usted, su médico y su plan de salud tomarán decisiones sobre dónde obtendrá otros servicios médicos, como atención de la vista, farmacia, laboratorio y atención hospitalaria.

Por ejemplo, si elige un médico que es parte de Molina Healthcare, recibirá toda la atención de especialistas y medicamentos de receta mediante proveedores y farmacias que pertenecen a la red de Molina Healthcare.

Introducción

¿Qué pasa si no elijo un médico de atención primaria?

Molina Healthcare le solicita que elija a un proveedor médico de atención primaria durante los primeros 30 días de afiliarse a Molina Healthcare. Sin embargo, si no elige un médico de atención primaria Molina Healthcare elegirá uno por usted.

Cómo cambiar de médico

¿Qué pasa si quiero cambiar de médico de atención primaria?

Puede cambiar a su médico de atención primaria en cualquier momento. Todos los cambios que se completen antes del 25 del mes entrarán en vigor a partir del primer día del próximo mes calendario. Todos los cambios que se hagan el 26 del mes o después entrarán en vigor a partir del primer día del segundo mes calendario. Pero primero visite a su médico. Conozca a su PCP antes de cambiarlo. Mantener una buena relación con su médico de atención primaria es importante para la atención de su salud. Llame al Departamento de Servicios a los Miembros si desea obtener más información sobre su médico de Molina Healthcare.

¿Puede mi médico solicitar que me cambie a otro médico de atención primaria?

Su médico puede solicitar que lo cambien a otro médico de atención primaria por los siguientes motivos:

- Usted no está siguiendo las indicaciones médicas (conducta de incumplimiento)
- Usted se comporta de forma ofensiva, amenazante o violenta
- Ruptura de la relación médico-paciente

¿Cómo elijo un ginecólogo/obstetra?

Las mujeres pueden atenderse con un ginecólogo/obstetra sin recibir aprobación previa de su PCP. También puede elegir un ginecólogo/obstetra además de su PCP. Pero es muy importante que elija un ginecólogo/obstetra que sea miembro del mismo Grupo Médico (IPA) que su PCP.

Si necesita ayuda para elegir un ginecólogo/obstetra o si tiene preguntas sobre el PCP y el ginecólogo/obstetra que son parte de su Grupo Médico (IPA), llame a Servicios a los Miembros de Molina, al 1 (888) 665-4621. Si es sordo o tiene dificultades auditivas, puede contactarnos marcando 711 para comunicarse con el Servicio de Retransmisión de Telecomunicaciones de California, de 7 am a 7 pm, de lunes a viernes. Nuestros representantes con gusto le ayudarán o responderán sus preguntas.

¿Cómo trabaja Molina con su médico para mantenerlo sano?

Su PCP lo atiende cuando está enfermo y lo atiende para mantenerlo sano y evitar que se enferme. Si necesita ir a un hospital, Molina Healthcare trabajará con su PCP para asegurar que obtenga la atención que necesita. Cuando su médico y Molina Healthcare trabajan juntos de esta manera, a eso se le llama “Administración de la utilización”. Si necesita atención que su médico no puede proporcionarle, éste lo remitirá a un especialista. Nosotros ayudaremos a su médico a encontrar el tipo de especialista que usted necesita.

Su médico de atención primaria es el que lo atiende cuando necesita atención médica. Piense en el consultorio de su PCP como su “hogar médico”.

Cuando necesite atención médica, póngase en contacto con su PCP, excepto si es una emergencia. Si está teniendo una emergencia, marque el 911. Tampoco necesita una autorización previa de su PCP para una visita a los Servicios de Planificación Familiar.
