Breast Cancer Screening Rewards Program

Who is eligible for the Breast Cancer Screening Rewards program?
Female HealthChoice Illinois Members between the ages of 50-74.

Why should I participate?
- Getting a mammogram every two years can help reduce the risk of breast cancer.
- Earn rewards for completing a mammogram.

Breast Cancer Screening

Why is it important?
- The benefit of this screening is finding cancer early, when it is easier to treat. Regular mammograms are the best tests doctors have to find breast cancer early, sometimes up to three years before it is felt.

When do I need it?
- Women between the ages of 50-74 need a mammogram every two years.

What is the reward?
- $50 Walmart gift card

How can I participate in the Breast Cancer Screening Rewards program?

Step 1: Qualifying Molina Members will be mailed a pre-paid incentive reply postcard with a qualifying service listed and requirements to earn your reward. Complete your mammogram screening by December 31, 2020.
- Mammogram

Step 2: After completing the service, fill out and return the Molina pre-paid incentive postcard with information about your visit(s). Be sure to provide updated contact information to ensure proper delivery of the reward.

Step 3: Molina will send you a $50 Walmart gift card for your completed mammogram within 6-8 weeks of receipt of the bill from your provider and returned incentive postcard.

Incentive Eligibility Requirements:
The following requirements must be met in order to receive the incentive:
- Members must schedule and receive recommended screenings within the service’s required timeframe.
- Members must be enrolled with Molina Healthcare at the time services were rendered to qualify for the reward.
- Members must not have received another incentive award for the same service during the measurement year.
If you have any questions about Molina’s Breast Cancer Screening Rewards Program, reach out to Molina Member Services at: (855) 687-7861, TTY: 711. Representatives can help you Monday through Friday, 8 a.m. to 5 p.m.
