## DEFINITIONS

Some of the words used in this Agreement do not have their usual meaning. Health plans use these words in a special way. When We use a word with a special meaning in only one section of this Agreement, We explain what it means in that section. Words with special meaning used in any section of this Agreement are explained in this “Definitions” section and are capitalized throughout this Agreement.

**“Affordable Care Act”** means the Patient Protection and Affordable Care Act of 2010 as amended by the Health Care and Education Reconciliation Act of 2010. It includes the federal regulations implementing this law and binding regulatory guidance issued by federal regulators.

**“Annual Out-of-Pocket Maximum”**

- **For Individuals (including individuals under family coverage)** – is the maximum amount of Cost Sharing You, as an individual Member, will have to pay for Covered Services in a calendar year. The Cost Sharing and individual Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Schedule of Benefits. For this Agreement, Cost Sharing includes payments You make towards any Deductibles, Copayments, or Coinsurance. Once Your total Cost Sharing in a calendar year reaches the specified individual Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for the remainder of the calendar year. Amounts that You pay for services that are not Covered Services under this Agreement will not count towards the individual Annual Out-of-Pocket Maximum.
- **For Family (2 or more Members)** – is the total maximum of Cost Sharing that a family of two or more Members will have to pay for Covered Services in a calendar year. The Cost Sharing and family Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Schedule of Benefits. For this Agreement, Cost Sharing includes payments You or other family members enrolled as Members under this Agreement make towards any Deductibles, Copayments, or Coinsurance. Once the total Cost Sharing made by two or more family members enrolled as Members under this Agreement reaches the specified Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for all enrolled family Members for the remainder of the calendar year. Once an individual within a family meets his or her individual Annual Out-of-Pocket Maximum, the plan will pay 100% of the charges for that individual, even if the family Annual Out-of-Pocket Maximum has not been met. Amounts that You or other family members enrolled as Members under this Agreement pay for services that are not Covered Services under this Agreement will not count towards the family Annual Out-of-Pocket Maximum.

**“Benefits and Coverage”** (also referred to as **“Covered Services”**) means the healthcare services available under the terms of this Agreement.

**“Child-Only Coverage”** means coverage under this Agreement to provide benefit coverage only to a child who, as of the beginning of a plan year, has not attained the age of 21, and meets all other eligibility requirements for coverage under this product.

**“Coinsurance”** is a percentage of the charges for Covered Services You must pay when You receive Covered Services. The Coinsurance amount is calculated as a percentage of the rates that Molina has agreed to with the Participating Provider. Coinsurances are listed in the Schedule of Benefits. Some Covered Services do not have Coinsurance, and may apply a Deductible and/or Copayment.

**“Copayment”** is a specific dollar amount You must pay when You receive Covered Services. Copayments are listed in the Schedule of Benefits. Some Covered Services do not have a Copayment, and may apply a Deductible and/or Coinsurance.

**“Cost Sharing”** is the Deductible, Copayment, and/or Coinsurance that You must pay for Covered Services under this Agreement. The Cost Sharing amount You will be required to pay for each type of Covered Service is listed in the Schedule of Benefits at the beginning of this Agreement.

**“Deductible”** is the amount You must pay in a calendar year for Covered Services You receive before Molina will cover those services at the applicable Copayment or Coinsurance. The amount that You pay towards Your Deductible is based on the rates that Molina has negotiated with the Participating Provider. Deductibles are listed in the Schedule of Benefits at the beginning of this Agreement.

Please refer to the Schedule of Benefits to see what Covered Services are subject to the Deductible and the Deductible amount. Your product may have separate Deductible amounts for specified Covered Services. If this is the case, amounts paid towards one type of Deductible cannot be used to satisfy a different type of Deductible.

When Molina covers services at “no charge” subject to the Deductible and You have not met Your Deductible amount, You must pay the charges for the services. However, for preventive services covered by this Agreement and included in the Essential Health Benefits, You will not pay any Deductible or other Cost Sharing towards such preventive services when provided by a Participating Provider.

There may be a Deductible listed for an individual Member and a Deductible for an entire family. If You are a Member in a family of two or more Members, You will meet the Deductible either:

- when You meet the Deductible for the individual Member; or
- when Your family meets the Deductible for the family.

For example, if You reach the Deductible for the individual Member, You will pay the applicable Copayment or Coinsurance for Covered Services for the rest of the calendar year, but every other Member in Your family must continue to pay towards the Deductible until Your family meets the family Deductible.

**“Dependent”** means a Member who meets the eligibility requirements as a Dependent, as described in the “Eligibility and Enrollment” section of this Agreement.

**“Drug Formulary”** is Molina’s list of approved drugs that doctors can order for You.

**“Durable Medical Equipment”** is medical equipment that serves a repeated medical purpose and serves for repeated use. It is generally not useful to You if You are not ill or injured and does not include accessories primarily for Your comfort or convenience. Examples include, without limitation:

- oxygen equipment,
- blood glucose monitors,
- apnea monitors,

- nebulizer machines,
- insulin pumps,
- wheelchairs and crutches.

**“Emergency”** or **“Emergency Medical Condition”** means the acute onset of a medical condition or a psychiatric condition that has acute symptoms of sufficient severity (including severe pain), such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect that the absence of immediate medical attention could result in:

- 1) placing the health of the Member (or in the case of a pregnant woman, the health of the woman and her unborn child) in serious jeopardy,
- 2) serious impairment to bodily functions, or
- 3) serious dysfunction of any bodily organ or part.

**“Emergency Services”** mean health care services needed to evaluate, stabilize or treat an Emergency Medical Condition.

**“Essential Health Benefits”** or **“EHB”** means a standardized set of essential health benefits offered by Molina to You and/or Your Dependents, as defined by the Affordable Care Act. Essential Health Benefits covers at least the following 10 categories of benefits:

- Ambulatory patient care
- Emergency services
- Hospitalization
- Maternity and newborn care
- Mental health and substance use disorder services. Includes behavioral health treatment
- Prescription drugs
- Rehabilitative and habilitative services and devices
- Laboratory services
- Preventive and wellness services and chronic disease management
- Pediatric services. Includes dental\* and vision care for a Member until 11:59 p.m. on the last day of the month that the Member turns age 19

\*Pediatric dental services are not covered under this Agreement. These dental services can be purchased separately through a stand-alone dental product that is certified by the **Marketplace**.

**“Experimental or Investigational”** means any medical service including procedures, medications, facilities, and devices that have not been demonstrated to be safe or effective compared with conventional medical services, as determined by Molina.

**“Marketplace”** means a governmental agency or non-profit entity that meets the applicable standards of the Affordable Care Act and helps residents of the State of Ohio buy qualified health plan coverage from insurance companies or health plans such as Molina. The Marketplace may be run as a state-based marketplace, a federally facilitated marketplace, or a partnership marketplace. For the purposes of this Agreement, the term refers to the Marketplace operating in the State of Ohio, however it may be organized and run.

**“Medically Necessary” or “Medical Necessity”** means health care services that a physician, exercising prudent clinical judgment, would provide to a patient. This is for the purpose of preventing, evaluating, diagnosing, or treating an illness, injury, disease or its symptoms. Those services must be deemed by Molina to be:

- In accordance with generally accepted standards of medical practice;
- Clinically appropriate and clinically significant, in terms of type, frequency, extent, site and duration;
- Effective for the patient’s illness, injury or disease; and
- Not primarily for the convenience of the patient, physician, or other health care provider. The services must not be more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient’s illness, injury, or disease.

For these purposes, “generally accepted standards of medical practice” means standards based on credible scientific evidence published in peer-reviewed medical literature. This literature is generally recognized by the relevant medical community, physician specialty society recommendations, the views of physicians practicing in relevant clinical areas and any other relevant factors.

**“Member”** means an individual who is eligible and enrolled under this Agreement, and for whom We have received applicable Premiums. The term includes a Dependent and a Subscriber, unless the Subscriber is not applying for coverage on their own behalf, but is a responsible adult (the parent or legal guardian) who applies for Child-Only Coverage under this Agreement on behalf of a minor child who, as of the beginning of the plan year, has not attained the age of 21, in which case the Subscriber will be responsible for making the Premium and Cost Sharing payments for the Member and will act as the legal representative of the Member under this product but will not be a Member. Throughout this EOC, “You” and “Your” may be used to refer to a Member or Subscriber, as the context requires.

**“Molina Healthcare of Ohio, Inc. (also “Molina Healthcare” or “Molina” or “We” or “Our” or “Us”)**” means the corporation licensed in the State of Ohio as a Health Insurance Corporation, and contracted with the Marketplace.

**“Molina Healthcare of Ohio, Inc. Agreement and Individual Evidence of Coverage” (also “Agreement” or “EOC”)** means this booklet, which has information about Your benefits.

**“Non-Participating Provider”** refers to those physicians, hospitals, and other providers that have not entered into contracts to provide Covered Services to Members.

**“Other Practitioner”** refers to Participating Providers who provide Covered Services to Members within the scope of their license, but are not PCPs or Specialist Physicians.

**“Participating Provider”** refers to those providers (including hospitals and physicians) that have entered into contracts to provide Covered Services to Members through this product offered and sold through the Marketplace.

**“Premiums”** mean periodic membership charges paid by or on behalf of each Member. Premiums are in addition to Cost Sharing.

**“Primary Care Provider”** (also **“PCP”**) is the doctor who takes care of Your health care needs. Your PCP has Your medical history. Your PCP makes sure You get needed health care services. A PCP may refer You to Specialist Physicians or for other services. A PCP may be one of the following types of doctors:

- Family or general practice doctor who usually can see the whole family.
- Internal medicine doctor, who usually only sees adults and children 14 years or older.
- Pediatrician, who sees children from newborn to age 18 or 21.
- Obstetrician and gynecologist (OB/GYN).
- Individual practice association (IPA) or group of licensed doctors that provide primary care services

**“Prior Authorization”** means Molina’s approval of a request for You to receive a Covered Service. You or Your Participating Provider may request Prior Authorization; however, You are ultimately responsible for requesting the Prior Authorization. Molina’s Medical Directors and Your doctor review the Medical Necessity of Your care before the care or service is given to ensure it is appropriate for Your specific condition.

**“Service Area”** means the geographic area in Ohio where Molina has been authorized by the Ohio Department of Insurance to market individual products sold through the Marketplace, enroll Members obtaining coverage through the Marketplace, and provide benefits through approved individual health plans sold through the Marketplace.

**“Specialist Physician”** means any licensed, board-certified, or board-eligible physician who practices a specialty and who is a Participating Provider.

**“Spouse”** means the Subscriber’s legal husband or wife. For purposes of this Agreement, the term “Spouse” includes the Subscriber’s same-sex spouse. The Subscriber and same-sex spouse must be a couple who are registered domestic partners who meet all the requirements of Ohio law, sometimes referred to as a “Domestic Partnership” herein.

**“Subscriber”** means either:

- An individual who is a resident of Ohio, satisfies the eligibility requirements of this Agreement, is enrolled and accepted by Molina as the Subscriber, and has maintained membership with Molina in accordance with the terms of this Agreement. This includes an individual who is not a minor and is applying on their own behalf for Child-Only Coverage under this Agreement; or
- A responsible adult (the parent or legal guardian) who applies for Child-Only Coverage under this Agreement on behalf of a minor child, who as of the beginning of the plan year, has not attained the age of 21, in which case the Subscriber will be responsible for making the Premium and Cost Sharing payments for the Member, and will act as the legal representative of Member under this Agreement. Throughout this EOC, “You” and “Your” may be used to refer to a Member or a Subscriber, as the context requires.

**“Urgent Care Services”** mean those health care services needed to prevent the serious deterioration of one’s health from an unforeseen medical condition or injury. The condition or injury does not pose a threat to the life, limb, or permanent health of the injured or ill person.

## ELIGIBILITY AND ENROLLMENT

### When will My Molina Membership Begin?

Your coverage begins on the “Effective Date.” The Effective Date is the date You meet all enrollment and Premium pre-payment requirements and that You are accepted by Molina and/or the Marketplace.

For coverage during the calendar year 2016, the initial open enrollment period begins November 1, 2015, and ends January 31, 2016. Your Effective Date for coverage during 2016 will depend on when You applied:

- If You applied on or before December 15, 2015, the Effective Date of Your coverage is January 1, 2016.
- If You applied from December 16, 2015 through January 15, 2016, the Effective Date of Your coverage is February 1, 2016.
- If You applied from January 16, 2016 through January 31, 2016, the Effective Date of Your coverage is March 1, 2016.

If You do not enroll during an open enrollment period, You may be able to enroll during a special enrollment period for which You are determined eligible. This is in accord with the special enrollment procedures established by the Marketplace. In such case, the Effective Date of coverage will be as determined by the Marketplace and/or Molina. Without limiting the above, the Marketplace and Molina will provide special monthly enrollment periods for eligible American Indians or Alaska Natives.

The Effective Date for coverage of new Dependents is described below in the section titled “Adding New Dependents.”

### Who is Eligible?

To enroll and continue enrollment, You must meet all of the eligibility requirements established by the Marketplace. Check the Marketplace’s website at [healthcare.gov](http://healthcare.gov) for eligibility criteria. Molina requires You to live in Molina’s Service Area to be eligible under this product. For Child-Only Coverage, the Member must be under the age of 21 at the beginning of the plan year, and in the case of a Subscriber who applies for coverage on behalf of a minor child, the Subscriber must be a responsible adult (parent or legal guardian). If You have lost Your eligibility, as described in the section titled “When Will My Molina Membership End? (Termination of Benefits and Coverage),” You will not be permitted to re-enroll.

**Child-Only Coverage:** Additional children can be added to Child-Only Coverage provided that each child is under the age of 21 at the beginning of the plan year, and if a child is a minor, that a responsible adult (parent or legal guardian) applies for the Child-Only Coverage on behalf of the minor child.

**Dependents:** Subscribers who enroll in this product during the open enrollment period established by the Marketplace may also apply to enroll eligible Dependents who satisfy the eligibility requirements. Molina requires Dependents to live in Molina’s Service Area to be eligible under this product, except that Dependent Children living outside of Molina’s Service Area may be enrolled if the Subscriber is ordered by a court of competent jurisdiction to provide health care coverage to the Dependent Child. The following types of family members are

Dependents under an Agreement that is not for Child-Only Coverage (refer to “Child-Only Coverage” section, above, for information on adding children to Child-Only Coverage):

- Spouse
- Children:
  - The Subscriber’s children; or
  - His or her Spouse’s children
  - Legally adopted children, foster children, and stepchildren.
  - Each child is eligible to apply for enrollment as a Dependent until the age of 26 (the limiting age).
- Subscriber’s grandchildren do not qualify as Dependents of the Subscriber unless the Subscriber or Subscriber’s spouse is a legal guardian or as otherwise required by law.

**Age Limit for Children (Disabled Children)**

Children who reach the limiting age of 26 are eligible to continue enrollment as a Dependent for coverage, except in Child-Only Coverage, if all of the following conditions apply:

- The child is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness, or condition; and
- The child is chiefly dependent upon the Subscriber for support and maintenance.

Molina will provide the Subscriber with notice at least 90 days prior to the date the Subscriber’s enrolled child reaches the limiting age at which the Dependent child’s coverage will terminate. The Subscriber must provide Molina with proof of his or her child’s incapacity and dependency within 60 days of the date of receiving such notice from Molina in order to continue coverage for a disabled child past the limiting age.

The Subscriber must provide the proof of incapacity and dependency at no cost to Molina.

A disabled child may remain covered by Molina as a Dependent for as long as he or she remains incapacitated and continues to meet the eligibility criteria described above.

**Adding New Dependents:** To enroll a Dependent who first becomes eligible to enroll after You as the Subscriber are enrolled (such as a new Spouse, a newborn child or a newly adopted child), You must contact Molina and/or the Marketplace and submit any required application(s), forms and requested information for the Dependent.

You must submit requests to enroll a new Dependent to Molina and/or the Marketplace within 60 days from the date the Dependent became eligible to enroll with Molina.

- **Spouse:** You can add a Spouse as long as You apply during the open enrollment period or during a period no longer than 60 days after any event listed below:
  - The Spouse loses “minimum essential coverage” through:
    - Government sponsored programs;
    - Employer-sponsored plans;
    - Individual market plans; or
    - Any other coverage designated as “minimum essential coverage” in compliance under the Affordable Care Act.

- The date of Your marriage or the date the registration of Domestic Partnership is filed with the appropriate governmental entity in the State of Ohio that authorizes and registers Domestic Partnerships.
- The Spouse, who was not previously a citizen, national, or lawfully present individual, gains such status.
- The Spouse permanently moves into the service area.
- **Children Under 26 Years of Age:** You can add a Dependent under the age 26, including a stepchild, except in Child-Only Coverage, as long as You apply during the open enrollment period or during a period no longer than 60 days after any event listed below:
  - The child loses “minimum essential coverage” through:
    - Government sponsored programs;
    - Employer-sponsored plans;
    - Individual market plans; or
    - Any other coverage designated as “minimum essential coverage” as defined by the Affordable Care Act;
  - The child becomes a Dependent through marriage, Domestic Partnership registration, birth, adoption, placement in foster care, or child support or other court order.
  - The child, who was not previously a citizen, national, or lawfully present individual, gains such status.
  - The child permanently moves into the service area.
- **Newborn Child:** Coverage for a newborn child is from the moment of birth. However, if You do not enroll the newborn child within 60 days, the newborn is covered for only 31 days. This includes the newborn child’s date of birth.
- **Adopted Child:** Coverage for a newly adopted child, or child placed with You or Your Spouse for adoption, is effective on the date of adoption or placement for adoption or when You or Your Spouse gain the legal right to control the child’s health care, whichever is earlier.

However, if You do not enroll the adopted child or child placed with You or Your Spouse within 60 days, the child is covered for only 31 days. This begins on the date of adoption, placement for adoption, or when the legal right to control the child’s health care was gained, whichever is earlier).

For purposes of this requirement, “legal right to control health care” means You or Your Spouse has a valid signed written document (such as a health facility minor release report, a medical authorization form, or a relinquishment form) or other evidence that shows You or Your Spouse have the legal right to control the child’s health care.

- **Court Order or Child Support Order**

If a child becomes a dependent of You or Your spouse through a child support order or other court order, then the child shall be eligible for coverage under this Agreement. A Dependent can be added to this Agreement during the open enrollment period or within 60 days of the

effective date of the court order. The child shall be eligible for coverage on the date the court order is effective or as otherwise determined by the Marketplace, in accordance with applicable state and federal laws.

- **Foster Child**

If a child is placed with You or Your spouse for foster care, then the child shall be eligible for coverage under this Agreement. A foster child can be added to this Agreement during the open enrollment period or within 60 days of the child's placement with You in foster care. The child's coverage shall be effective on the date of placement in foster care or as otherwise determined by the Marketplace, in accordance with applicable state and federal laws.

Proof of the child's date of birth or qualifying event will be required.

**Discontinuation of Dependent Benefits and Coverage:** Except under Child-Only Coverage, Benefits and Coverage for Your Dependent will be discontinued on:

- The end of the calendar year that the Dependent child attains age 26, unless the child is disabled and meets specified criteria. See the section titled "Age Limit for Children (Disabled Children)" above for more information.
- The date the Dependent Spouse enters a final decree of divorce, annulment, dissolution of marriage, or termination of the domestic partnership from the Subscriber.
- For Child-Only Coverage, the date You are no longer eligible.

Approvals are given based on Medical Necessity. You or Your Participating Provider may call for Prior Authorization; however, You are ultimately responsible for requesting the Prior Authorization. If You have questions about how a certain service is approved, call Molina toll-free at **1 (888) 296-7677**. We will be happy to send You a general explanation of how certain Prior Authorization decisions are made. We can also send You a general explanation of the overall approval process if You request it.

<b>Request Types</b>	<b>Time Frame for Decision</b>	<b>Time Frame for Notification of Decision</b>
Prospective Review Determination	Two business days from receipt of all information reasonably necessary and requested by Molina	Within three business days of decision
Concurrent Review Determination	24 hours from receipt of all information reasonably necessary and requested by Molina	24 hours from receipt of all information reasonably necessary and requested by Molina
Retrospective Review Determination	30 calendar days from the receipt of all information reasonably necessary and requested by Molina	30 calendar days from the receipt of all information reasonably necessary and requested by Molina

Medical conditions that may cause a serious threat to Your health are processed as timely as is possible given the circumstances. They will always be processed within no more than 72 hours from receipt of all information reasonably necessary and requested by Molina to make the determination. Or, if shorter, they will be processed within the period required under Section 2719 of the federal Public Health Services Act and subsequent rules and regulations. Molina processes requests for urgent specialty services immediately by telephone.

We may request information from You or Your provider in order to make the decision. A Prior Authorization may be denied because information We request is not provided

If a service is not Medically Necessary or is not a Covered Service, request for the service may be denied. You will get a letter telling You why it was denied. You or Your doctor may appeal the decision.

The denial letter will tell You how to appeal. These instructions are also noted in the section of this Agreement titled “Claims Decisions, Internal Appeals, and External Review.”

### **Reconsideration**

Your Participating Provider may request a reconsideration of a denial of a Routine or Concurrent Determination on Your behalf. The Participating Provider may not request reconsideration without Your prior consent. The reconsideration will occur within three business days after We receive a written request for reconsideration.

You do not need to request a reconsideration of a denial prior to registering a complaint or requesting a review in the manner described in the Complaints section of this Agreement.

### **Standing Approvals**

If You have a condition or disease that requires specialized medical care over a prolonged period, You may need a standing approval. If You receive a standing approval, You will not need to get Prior Authorization every time You obtain Covered Services.

If Your condition or disease is life threatening, worsening, or disabling, You may need to receive a standing approval to a specialty care center with the expertise to treat the condition or disease.

To get a standing approval, call Your PCP. Your PCP will work with Molina's physicians and specialists to ensure You receive a treatment plan based on Your medical needs. We will make a determination regarding standing approval within three business days from after We receive all information reasonably necessary and requested by Molina.

If You have any difficulty getting a standing approval, call Molina toll-free at 1 (888) 296-7677. Our dedicated TTY for the deaf or hard of hearing is toll-free at 1 (800) 750-0750. You may dial 711 for the Telecommunications Relay Service.

If after calling Molina You feel Your needs have not been met, please refer to Molina's complaint process, which is described in the section of this Agreement titled "Complaints."

## **Second Opinions**

You or Your PCP may want another doctor (a PCP or Specialist Physician) to review Your condition. This doctor looks at Your medical record and may see You. This new doctor may suggest a plan of care. This is called a second opinion.

Please consult Molina's Provider Directory on Our website at [www.molinahealthcare.com/marketplace](http://www.molinahealthcare.com/marketplace) to find a Participating Provider for a second opinion. We cover second opinions only when furnished by a Participating Provider.

Here are some, but not all the reasons why You may get a second opinion:

- Your symptoms are complex or confusing.
- Your doctor is not sure the diagnosis is correct.
- You have followed the doctor's plan of care for a while and Your health has not improved.
- You are not sure that You need surgery or think You need surgery.
- You do not agree with what Your doctor thinks is Your problem.
- You do not agree with Your doctor's plan of care.
- Your doctor has not answered Your concerns about Your diagnosis or plan of care.

## **EMERGENCY SERVICES AND URGENT CARE SERVICES**

### **What is an Emergency?**

"Emergency Services" mean health care services needed to evaluate, stabilize or treat an Emergency Medical Condition. An Emergency Medical Condition includes a medical or psychiatric medical condition having acute and severe symptoms (including severe pain) or involving active labor. If immediate medical attention is not received, an Emergency could result in any of the following:

- Placing the patient's health in serious danger.
- Serious damage to bodily functions.
- Serious dysfunction of any bodily organ or part.

Emergency Services also includes Emergency contraceptive drug therapy.

Emergency Services includes Urgent Care Services that cannot be delayed in order to prevent serious deterioration of health from an unforeseen condition or injury.

## **How do I get Emergency Services?**

Emergency Services are available 24 hours a day, seven days a week for Molina Members.

If You think You have an Emergency, wherever You are:

- Call **911** right away.
- Go to the closest hospital or emergency room.

When You go for Emergency Services, bring Your Molina Member ID card with You.

If You are not sure if You need Emergency Services but You need medical help, call Your PCP or call Our 24-Hour Nurse Advice Line at 1 (888) 275-8750. For Spanish, call 1 (866) 648-3537. The Nurse Advice Line is staffed by registered nurses (RNs). You can call the Nurse Advice Line 24 hours a day, 365 days a year. If You are deaf or hard of hearing, please use the Telecommunications Relay Service by dialing 711.

Hospital emergency rooms are only for real Emergencies. These are not good places to get non-Emergency Services. They are often very busy and must care first for those whose lives are in danger. Please do not go to a hospital emergency room if Your condition is not an Emergency.

## **What if I Am Away From Molina's Service Area and I Need Emergency Services?**

Go to the nearest emergency room for care.

Please contact Molina within 24 hours, or when medically reasonable, of getting Urgent Care Services or Emergency Services. Call toll-free at 1 (888) 296-7677. If You are deaf or hard of hearing, call Our dedicated TTY line toll-free at 1 (800) 750-0750.

## **What if I need after-hours care or Urgent Care Services?**

Urgent Care Services are available when You are within or outside of Molina's Service Area. Urgent Care Services are those health care services needed to prevent the serious deterioration of one's health from an unforeseen medical condition or injury.

If You get ill after hours or need Urgent Care Services call Your PCP. You may also call Molina's 24-Hour Nurse Advice Line toll-free at 1 (888) 275-8750 or, for Spanish, at 1 (866) 648-3537. Our nurses can help You any time of the day or night. They will tell You what to do or where to go to be seen.

If You are within Molina's Service Area and have already asked Your PCP the name of the urgent care center that You are to use, go to the urgent care center. It is best to find out the name of the urgent care center ahead of time. Ask Your doctor for the name of the urgent care center and the name of the hospital that You are to use.

If You are outside of Molina's Service Area, You may also go to the nearest urgent care center or emergency room.

## **Emergency Services Rendered by a Non-Participating Provider**

Molina covers Emergency Services obtained from Non-Participating providers in accordance with state and federal law. Emergency Services obtained for treatment of an Emergency Medical Condition, whether from Participating Providers or Non-Participating Providers, are subject to the Cost Sharing for Emergency Services in the Schedule of Benefits.

## **Complex Case Management - What if I have a difficult health problem?**

Living with health problems and dealing with the things to manage those problems can be hard. Molina has a program that can help. The Complex Case Management program is for Members with difficult health problems that need extra help with their health care needs.

The program allows You to talk with a nurse about Your health problems. The nurse can help You learn about those problems and teach You how better to manage them. The nurse may also work with Your family or caregiver and provider to make sure You get the care You need. There are several ways You can be referred for this program. There are also certain requirements that You must meet. This program is voluntary. You can choose to be removed from the program at any time.

If You would like information about this program, please call the Customer Support Center toll free at 1 (888) 296-7677. Our dedicated TTY for the deaf or hard of hearing is toll-free at 1 (800) 750-0750. Or dial 711 for the Telecommunications Relay Service.

You may choose any of the following for Your prenatal care:

- Licensed obstetrician/gynecologist (OB/GYN)

- You are a Member on the date that You receive the Covered Services
- The Covered Services are Medically Necessary
- The services are listed as Covered Services in this Agreement
- You receive the Covered Services from Participating Providers inside Our Service Area for this product offered through the Marketplace, except where specifically noted to the contrary in this Agreement – e.g., in the case of an Emergency or need for out-of-area Urgent Care Services.

The only services Molina covers under this Agreement are those described in this Agreement, subject to any exclusions, limitations, and reductions described in this Agreement.

### **COST SHARING (Money You Will Have to Pay to Get Covered Services)**

Cost Sharing is the Deductible, Copayment, and/or Coinsurance that You must pay for Covered Services under this Agreement. The Cost Sharing amount You will be required to pay for each type of Covered Service is listed in the Schedule of Benefits at the beginning of this Agreement.

You must pay Cost Sharing for Covered Services, except for preventive services included in the Essential Health Benefits (as required by the Affordable Care Act) that are provided by Participating Providers. Cost Sharing for Covered Services is listed in the Schedule of Benefits at the beginning of this Agreement. Cost Sharing towards Essential Health Benefits may be reduced or eliminated for certain eligible Members, as determined by the Marketplace’s rules.

### **YOU SHOULD REVIEW THE SCHEDULE OF BENEFITS CAREFULLY TO UNDERSTAND WHAT YOUR COST SHARING WILL BE.**

#### **Annual Out-of-Pocket Maximum**

- **For Individuals (including individuals under family coverage)** – is the maximum amount of Cost Sharing You, as an individual Member, will have to pay for Covered Services in a calendar year. The Cost Sharing and individual Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Schedule of Benefits. For this Agreement, Cost Sharing includes payments You make towards any Deductibles, Copayments, or Coinsurance. Once Your total Cost Sharing in a calendar year reaches the specified individual Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for the remainder of the calendar year. Amounts that You pay for services that are not Covered Services under this Agreement will not count towards the individual Annual Out-of-Pocket Maximum.
- **For Family (2 or more Members)** – is the maximum amount of Cost Sharing that a family of two or more Members will have to pay for Covered Services in a calendar year. The Cost Sharing and family Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Schedule of Benefits. For this Agreement, Cost Sharing includes payments You or other family members enrolled as Members under this Agreement make

towards any Deductibles, Copayments, or Coinsurance. Once the total Cost Sharing made by two or more family members enrolled as Members under this Agreement reaches the specified Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for all enrolled family Members for the remainder of the calendar year. Once an individual within a family meets his or her individual Annual Out-of-Pocket Maximum, the plan will pay 100% of the charges for that individual, even if the family Annual Out-of-Pocket Maximum has not been met. Amounts that You or other family members enrolled as Members under this Agreement pay for services that are not Covered Services under this Agreement will not count towards the family Annual Out-of-Pocket Maximum.

### **Coinsurance**

Coinsurance is a percentage of the charges for Covered Services You must pay when You receive Covered Services. The Co-insurance amount is calculated as a percentage of the rates that Molina has agreed to with the Participating Provider. Coinsurances are listed in the Schedule of Benefits. Some Covered Services do not have Coinsurance, and may apply a Deductible and/or Copayment.

### **Copayment**

A Copayment is a specific dollar amount You must pay when You receive Covered Services. Copayments are listed in the Schedule of Benefits. Some Covered Services do not have a Copayment, and may apply a Deductible and/or Coinsurance.

### **Deductible**

The Deductible is the amount You must pay in a calendar year for Covered Services You receive before Molina will cover those services at the applicable Copayment or Coinsurance. The amount that You pay towards Your Deductible is based on the rates that Molina has negotiated with the Participating Provider. Deductibles are listed in the Schedule of Benefits at the beginning of this Agreement.

Please refer to the Schedule of Benefits to see what Covered Services are subject to the Deductible and the Deductible amount. Your product may have separate Deductible amounts for specified Covered Services. If this is the case, amounts paid towards one type of Deductible cannot be used to satisfy a different type of Deductible.

When Molina covers services at “no charge” subject to the Deductible and You have not met Your Deductible amount, You must pay the charges for the services. However, for preventive services covered by this Agreement and included in the Essential Health Benefits, You will not pay any Deductible or other Cost Sharing towards such preventive services when provided by a Participating Provider.

There may be a Deductible listed for an individual Member and a Deductible for an entire family. If You are a Member in a family of two or more Members, You will meet the Deductible either:

- When You meet the Deductible for the individual Member; or
- When Your family meets the Deductible for the family.

For example, if You reach the Deductible for the individual Member, You will pay the applicable Copayment or Coinsurance for Covered Services for the rest of the calendar year, but every other Member in Your family must continue to pay towards the Deductible until Your family meets the family Deductible.

### **General Rules Applicable to Cost Sharing**

All Covered Services have a Cost Sharing unless specifically stated or until You pay the applicable Annual Out-of-Pocket Maximum. Please refer to the Schedule of Benefits at the beginning of this Agreement to determine the Cost Sharing amount You will be required to pay for each type of Covered Service listed.

You are responsible for the Cost Sharing in effect on the date You receive Covered Services, except as follows:

- For items ordered in advance, You pay the Cost Sharing in effect on the order date. Molina will not cover the item unless You still have coverage for it on the date You receive it. You may be required to pay the Cost Sharing when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order. They must receive all information they need to fill the prescription before they process the order.

### **Receiving a Bill**

In most cases, Participating Providers will ask You to make a payment toward Your Cost Sharing at the time You check in. This payment may cover only a portion of the total Cost Sharing for the Covered Services that You receive. The Participating Provider will bill You for any additional Cost Sharing amounts that are due.

The Participating Provider is not allowed to bill You for Covered Services You receive other than for Cost Sharing amounts that are due under this Agreement. However, You are responsible for paying charges for any health care services or treatments that are:

- not Covered Services under this Agreement, or
- provided by a Non-Participating Provider, except that Molina will cover services from a Non-Participating Provider for Emergency Services, for out-of-area Urgent Care Services, for exceptions described in the section of this Agreement titled “What if There Is No Participating Provider to Provide a Covered Service?,” or if Molina has provided Prior Authorization.

### **How Your Coverage Satisfies the Affordable Care Act**

Your Covered Services include Essential Health Benefits (EHB) as defined by the Affordable Care Act. If non-EHB coverage is included in Your product, those Covered Services will be set out in this Agreement as well.

Your EHB coverage includes at least the 10 categories of benefits identified in the definition. You cannot be excluded from coverage in any of the 10 EHB categories. However, You will not be eligible for pediatric services that are Covered Services under this Agreement as of 11:59 p.m. on the last day of the month that You turn age 19. This includes pediatric dental, which can be purchased separately through the Marketplace, and pediatric vision.

The Affordable Care Act provides certain rules for EHB. These rules tell Molina how to administer certain benefits and Cost Sharing under this Agreement. For example, under the

Affordable Care Act, Molina is not allowed to set lifetime limits or annual limits on the dollar value of EHB provided under this Agreement.

When EHB preventive services are provided by a Participating Provider, You will not have to pay any Cost Sharing amounts.

In addition, Molina must ensure that the Cost Sharing that You pay for all EHB does not exceed an annual limit that is determined under the Affordable Care Act. For the purposes of this EHB annual limit, Cost Sharing refers to any costs that a Member is required to pay to receive EHB. Such Cost Sharing includes Deductibles, Coinsurance, Copayments, or similar charges. Cost Sharing excludes Premiums and Your spending for non-Covered Services.

### **Making Your Coverage More Affordable**

For qualifying Subscribers, there may be assistance to help make the product that You are purchasing under this Agreement more affordable. If You have not done so already, please contact the Marketplace:

- To determine if You are eligible for tax credits to reduce Your Premiums and/or Your Cost Sharing responsibility toward the EHB.
- For information about any annual limits on Cost Sharing towards Your EHB.
- To assist You in determining whether You are a qualifying American Indian or Alaskan Native who has limited or no Cost Sharing responsibilities for EHB.

Molina will work with the Marketplace in helping You. Molina does not determine or provide Affordable Care Act tax credits.

### **What is Covered Under My Plan?**

This section tells You what medical services Molina covers. These are known as Your Benefits and Coverage or Covered Services.

In order for a service to be covered, **it must be Medically Necessary**.

You have the right to appeal if a service is denied. For information on how You can have Your case reviewed, refer to the section of this Agreement titled “Claims Decisions, Internal Appeals, and External Review.”

In general, Your care must not be Experimental or Investigational. However, You may ask for Prior Authorization to be part of Experimental or Investigational care. Molina also may cover routine medical costs for Members in approved clinical trials. To learn more, refer to the section of this Agreement titled “Approved Clinical Trials.”

Certain medical services described in this section will be covered by Molina only if You obtain Prior Authorization *before* seeking treatment for such services. To read more about Prior Authorization and a complete list of Covered Services that require Prior Authorization, go to the section of this Agreement titled “What Is a Prior Authorization.” Prior Authorization does not apply to treatment of Emergency Services or for Urgent Care Services.

## **OUTPATIENT PROFESSIONAL SERVICES**

### **Preventive Care and Services**

Coverage will start for product years that begin one year after the date the recommendation or guideline is issued or on such other date as required by the Affordable Care Act. The product year, also known as a policy year for the purposes of this provision, is based on the calendar year.

If an existing or new government recommendation or guideline does not specify the frequency, method, treatment, or setting for the provision of a preventive service, then Molina may impose reasonable coverage limits on such preventive care as long as they are consistent with the Affordable Care Act and applicable Ohio law. These coverage limits also are applicable to the preventive care benefits listed below.

To help You understand and access Your benefits, preventive services for adults and children covered under this Agreement are listed below. In addition, You may call Our Customer Support Center toll-free at 1 (888) 296-7677, or call Our dedicated TTY line toll-free at 1 (800) 750-0750 with any questions You have about preventive care services. ### **Molina Drug Formulary (List of Drugs)**

Molina has a list of drugs that We will cover. The list is known as the Drug Formulary. The drugs on the list are chosen by a group of doctors and pharmacists from Molina and the medical community.

The group meets every three months to talk about the drugs that are in the formulary. They review new drugs and changes in health care in order to find the most effective drugs for different conditions. Drugs are added to or removed from the Drug Formulary based on changes in medical practice, medical technology, and when new drugs come on the market.

You can look at Our Drug Formulary online at [www.molinahealthcare.com/marketplace](http://www.molinahealthcare.com/marketplace). You may call Molina and ask about a drug. Call toll free 1 (888) 296-7677. We are here Monday

through Friday, 7:00 a.m. through 7:00 p.m. ET. If You are deaf or hard of hearing, call toll-free 1 (800) 750-0750 or dial 711 for the Telecommunications Relay Service.

You can also ask Us to mail You a copy of the Drug Formulary. Remember that just because a drug is on the Drug Formulary does not guarantee that Your doctor will prescribe it for Your particular medical condition.

### **Access to Drugs That Are Not Covered**

Molina has a process to allow You to request and gain access to clinically appropriate drugs that are not covered under Your product. If Your doctor orders a drug that is not listed in the Drug Formulary that he or she believes is best for You, Your doctor may contact Molina's Pharmacy Department to request that Molina cover the drug for You. If the request is approved, Molina will contact Your doctor. If the request is denied, Molina will send a letter to You and Your doctor stating why the drug was denied.

If You are taking a drug that is no longer on Our Drug Formulary, Your doctor can ask Us to keep covering it by sending Us a Prior Authorization request for the drug. The drug must be safe and effective for Your medical condition. Your doctor must write Your prescription for the usual amount of the drug for You.

Molina may cover specific Non-Formulary drugs under certain conditions:

- When the prescriber documents Your medical record and certifies that the formulary alternative has been ineffective in the treatment of Your disease or condition; or,
- The formulary alternative causes or is reasonably expected by the prescriber to cause a harmful or adverse reaction in You.

There are two types of requests for clinically appropriate drugs that are not covered under Your product:

- **Expedited Exception Request** for urgent circumstances that may seriously jeopardize life, health, or ability to regain maximum function, or for undergoing current treatment using non-Drug Formulary drugs.
- **Standard Exception Request.**

You, or someone You designate to act on Your behalf, and Your prescribing physician will be notified of Our decision no later than:

- 24 hours following receipt of request for Expedited Exception Request
- 72 hours following receipt of request for Standard Exception Request

If initial request is denied, You, someone You designate to act on Your behalf, or Your prescribing physician may request an Independent Review Organization (IRO) review. You, or someone You designate to act on Your behalf, and Your prescribing physician will be notified of the IRO's decision no later than:

- 24 hours following receipt of request for IRO review of the Expedited Exception Request
- 72 hours following receipt of request for IRO review of the Standard Exception Request

If Your doctor orders a brand name drug that is not in the Drug Formulary and there is a Formulary Generic drug available, We will cover the generic medication. - a licensed facility providing transitional residential recovery services covered under the “Substance Abuse Services” section.

## **Routine Foot Care Items and Services**

Routine foot care items and services that are not Medically Necessary are not covered.

## **Services Not Approved by the Federal Food and Drug Administration (FDA)**

Drugs, supplements, tests, vaccines, devices, radioactive materials, and any other services that by law require federal FDA approval in order to be sold in the U.S. but are not approved by the FDA are not covered. This exclusion applies to services provided anywhere, even outside the U.S.

This exclusion does not apply to services covered under “Approved Clinical Trials” in the “What is Covered Under My Plan” section.

Please refer to the “Claims Decisions, Internal Appeals and External Review” section for information about Independent Medical Review related to denied requests for Experimental or Investigational services.

## **Services Performed by Unlicensed People**

Services performed by people who do not require licenses or certificates by the state to provide health care services except as otherwise provided in this Agreement are not covered.

## **Services Provided Outside the United States (or Service Area)**

Any services and supplies provided to a Member outside the United States or outside the Service Area where the Member traveled to the location in order to receive medical services, supplies, or drugs are not covered. Also, routine care, preventive care, primary care, specialist care, and inpatient services are not covered when furnished outside the United States or anywhere else outside of the Service Area. This exclusion does not apply to Urgent Care Services or Emergency Services provided to a Member while traveling.

When death occurs outside the United States, the medical evacuation and repatriation of remains is not covered.

### **Services Related to a Non-Covered Service**

When a Service is not covered, all services related to that service are also not covered. This exclusion does not apply to services Molina would otherwise cover to treat complications of the non-Covered Service. For example, if You have a non-covered cosmetic surgery, Molina would not cover services You receive in preparation for the surgery or for follow-up care. If You later suffer a complication such as a serious infection, this exclusion would not apply and Molina would cover any services that We would otherwise cover as Medically Necessary to treat that complication.

### **Surrogacy**

Services for anyone in connection with a surrogacy arrangement, except for otherwise Covered Services provided to a Member who is a surrogate are not covered. A surrogacy arrangement is one in which a woman (the surrogate) agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

### **Transgender Surgery**

Transgender surgery is not covered.

### **Travel and Lodging Expenses**

Travel and lodging expenses are not covered. This exclusion does not apply to services covered under “Transplant Services” in the “What is Covered Under My Plan” section.

## **THIRD PARTY LIABILITY**

You agree that, if Covered Services are provided to treat an injury or illness caused by the wrongful act or omission of another person or third party, if You are made whole for all other damages resulting from the wrongful act or omission before Molina is entitled to reimbursement, then You shall:

- Reimburse Molina for the reasonable cost of services paid by Molina to the extent permitted by Ohio law immediately upon collection of damages by him or her, whether by action or law, settlement or otherwise; and,
- Fully cooperate with Molina in obtaining its lien rights for the reasonable value of services provided by Molina, to the extent permitted under Ohio law, Molina’s lien may be filed with the person whose act caused the injuries, his or her agent, or the court.

Molina shall be entitled to payment, reimbursement, and subrogation (recovery of benefits paid when other insurance provides coverage) in third party recoveries and You shall cooperate to fully and completely assist in protecting the rights of Molina including providing prompt notification of a case involving possible recovery from a third party.

## **WORKERS' COMPENSATION**

Molina shall not furnish benefits under this Agreement that duplicate the benefits to which You are entitled under any applicable workers' compensation law. You are responsible for taking whatever action is necessary to obtain payment under workers' compensation laws where payment under the workers compensation system can be reasonably expected. Failure to take proper and timely action will preclude Molina's responsibility to furnish benefits to the extent that payment could have been reasonably expected under workers' compensation laws. If a dispute arises between You and the workers' compensation carrier, as to Your ability to collect under workers' compensation laws, Molina will provide the benefits described in this Agreement until resolution of the dispute.

If Molina provides benefits which duplicate the benefits You are entitled to under workers' compensation law, Molina shall be entitled to reimbursement for the reasonable cost of such benefits.

## **RENEWAL AND TERMINATION**

### **How Does my Molina Coverage Renew?**

Coverage shall be renewed on the first day of each month upon Molina's receipt of any prepaid Premiums due. Renewal is subject to Molina's right to amend this Agreement. You must follow the procedures required by the Marketplace to redetermine Your eligibility for enrollment every year during the Marketplace's annual open enrollment period.

### **Does Molina use Genetic Screening or Testing for the purposes of Renewal or changes in Premiums, Deductibles, Copayments and Benefits and Coverage?**

No. Molina does not use genetic screening or testing, or the results thereof, with respect to cancellation, renewal, or limiting benefits or determining the Premiums, Deductibles, Copayments, Coinsurance or Benefits and Covered Services under Your Agreement.

### **Changes in Premiums, Deductibles, Copayments and Benefits and Coverage:**

Any change to this Agreement, including changes in Premiums, Benefits and Coverage or Covered Services, Deductible, Copayment, Coinsurance and Annual Out-of-Pocket Maximum amounts, is effective after 60 days' notice to the Subscriber's address of record with Molina.

### **When Will My Molina Membership End? (Termination of Benefits and Coverage)**

The termination date of Your coverage is the first day You are not covered with Molina (for example, if Your termination date is July 1, 2016, Your last minute of coverage was at 11:59 p.m. on June 30, 2016). If Your coverage terminates for any reason, You must pay all amounts payable and owing related to Your coverage with Molina, including Premiums, for the period prior to Your termination date.

Except in the case of fraud or deception in the use of services or facilities, Molina will return to You within 30 days after the termination date the amount of Premiums paid to Molina which corresponds to any unexpired period for which payment had been received together with amounts due on claims, if any, less any amounts due Molina.

You may request a review by the Superintendent of the Department of Insurance if You believe that this Agreement has been or will be improperly cancelled, rescinded or not renewed. Your membership with Molina will terminate if You:

**Coverage under this Agreement will terminate if** You no longer meet the age or other eligibility requirements for coverage under this product as required by Molina or the Marketplace. The Marketplace will send You notice of any eligibility determination. Molina will send You notice of termination when it learns You are no longer eligible for coverage under this Agreement.
  - **For Non-Age-Related loss of Eligibility,** Coverage will end at 11:59 p.m. on the last day of the month following the month in which either of these notices is sent to You unless You request an earlier termination effective date.
  - **For a Dependent Child Reaching the Limiting Age of 26,** Coverage under this Agreement, for a Dependent child, will terminate at 11:59 p.m. on the last day of the calendar year in which the Dependent child reaches the limiting age of 26, unless the child is disabled and meets specified criteria. See the section titled “Age Limit for Children (Disabled Children).”
  - **For a Member with Child-Only Coverage Reaching the Limiting Age,** that Member’s Child-Only Coverage under this Agreement will terminate at 11:59 p.m. on the last day of the calendar year in which the Member reaches the limiting age of 21. When Child-Only Coverage under this Agreement terminates because the Member has reached age 21, the Member may be eligible to enroll in other products offered by Molina through the Marketplace.
- **Request Disenrollment:** You decide to end Your membership and disenroll from Molina by notifying Molina and/or the Marketplace. Your membership will end at 11:59 p.m. on the 14th day following the date of Your request or a later date if requested by You. At Our discretion, Molina may accommodate a request to end Your membership in fewer than 14 days.
- **Change Marketplace Health Plans:** You decide to change from Molina to another health plan offered through the Marketplace either during an annual open enrollment period or other special enrollment period for which You have been determined eligible in accordance with the Marketplace’s special enrollment procedures, or when You seek to enroll a new Dependent. Your membership will end at 11:59 p.m. on the day before the effective date of coverage through Your new health plan.
- **Commit Fraud or Intentionally Misrepresent Material Fact:** You commit any act or practice which constitutes fraud, or for any intentional misrepresentation of material fact under the terms of Your coverage with Molina. Some examples include:
  - Misrepresenting eligibility information.
  - Presenting an invalid prescription or physician order.
  - Misusing a Molina Member ID Card (or letting someone else use it).

We will send a notice of termination to You, and Your membership will end at 11:59 p.m. on the seventh day from the date We mail the notice of termination.

After Your first 24 months of coverage, Molina may not terminate Your coverage due to any non-fraudulent omissions, misrepresentations, or inaccuracies in Your application form. If Molina terminates Your membership for cause, You will not be allowed to enroll with Us in the future. We may also report criminal fraud and other illegal acts to the appropriate authorities for prosecution.

- **Discontinuation:** If Molina ceases to provide or arrange for the provision of health benefits for new or existing health care services under this product, in which case Molina will provide You with written notice at least 180 days prior to discontinuation of those contracts.
- **Withdrawal of Plan:** Molina withdraws this product from the market, in which case Molina will provide You with written notice at least 90 days before the termination date.
- **Nonpayment of Premiums:** If You do not pay required Premiums by the due date, Molina may terminate Your coverage as further described below.

Your coverage under certain Benefits and Coverage will terminate if Your eligibility for such benefits end. For instance, a Member who attains the age of 19 will no longer be eligible for Pediatric Vision Services covered under this Agreement and, as a result, such Member's coverage under those specific Benefits and Coverage will terminate as of 11:59 p.m. on the last day of the month that the Member turns age 19, without affecting the remainder of this Agreement.

## **PREMIUM PAYMENTS AND TERMINATION FOR NON-PAYMENT**

**Premium Notices/Termination for Non-Payment of Premiums.** Your Premium payment obligations are as follows:

- Your Premium payment for the upcoming coverage month is due no later than the date stated on Your Premium bill. This is the **"Due Date."** Molina will send You a bill in advance of the Due Date for the upcoming coverage month. If Molina does not receive the full Premium payment due on or before the Due Date, Molina will send a notice of non-receipt of Premium payment and cancellation of coverage (the **"Late Notice"**) to Your address of record. This Late Notice will include, among other information, the following:
  - A statement that Molina has not received full Premium payment and that We will terminate this Agreement for nonpayment if We do not receive the required Premiums prior to the expiration of the grace period as described in the Late Notice.
  - The amount of Premiums due.
  - The specific date and time when Your membership and any enrolled Dependents will end if We do not receive the required Premiums.

If You have received a Late Notice that Your coverage is being terminated or not renewed due to failure to pay Your Premium, Molina will give a:

- 10-day grace period to pay the full Premium payment due if You do not receive advance payment of the premium tax credit. Molina will process payment for Covered Services received during the 10-day grace period. You will be responsible for any unpaid Premiums You owe Molina for the grace period; or,
- Three month grace period to pay the full Premium payment due if You receive advance payment of the premium tax credit. Molina will process payment for Covered Services received after the first month of the grace period so long as Your Premiums are paid in full before the end of the grace period. If We do not receive Premiums by the end of the 3-month grace period, You will be responsible for payment of the Covered Services received during the second and third months.

During the grace period applicable to You, You can avoid termination or nonrenewal of this Agreement by paying the full Premium payment You owe to Molina. If You do not pay the full Premium payment by the end of the grace period, this Agreement will terminate. You will still be responsible for any unpaid Premiums You owe Molina for the grace period if You receive advance payment of the premium tax credit.

**Termination or nonrenewal of this Agreement for non-payment will be effective at 11:59:**

- On the last day of the grace period if You do not receive advance payment of the premium tax credit; or,
- The last day of the first month of the grace period if You receive advance payment of the premium tax credit.

**Reinstatement After Termination for Non-Payment of Premiums**

- When Your coverage terminates for nonpayment of Premiums, You may not enroll in Molina even after paying all amounts owed unless We approve the enrollment.
- If Molina terminates this Agreement for nonpayment of Premiums, We will permit reinstatement of this Agreement once during any 12-month period if We receive the amounts owed within 15 days of the date of the Termination Notice, described below. Molina will not reinstate this Agreement if You do not obtain reinstatement of Your terminated Agreement within the required 15 days, or if We terminate the Agreement for nonpayment of Premiums more than once in a 12-month period. In either case, You will be ineligible to re-enroll for a period of 12 months from the effective date of termination.

**Termination Notice:** Upon termination of this Agreement, Molina will mail a Termination Notice to the Subscriber's address of record specifying the date and time when the membership ended.

Molina makes every effort to improve the quality of health care services provided to You. Molina's formal process to make this happen is the "Quality Improvement Process." Your privacy is important to Us. We respect and protect Your privacy. Please read Our Notice of Privacy Practices, at the front of this Agreement.

Molina is always looking for ways to take better care of Our Members. That is why Molina has a process to find new medical technology, drugs, and devices for possible added benefits.

Our Medical Directors find new medical procedures, treatment, drugs, and devices when they become available. They present research information to the Utilization Management Committee where physicians review the technology. Then they suggest whether to add it as a new for Molina Members.

For more information on new technology, please call Molina's Customer Support Center.

#### **What Do I Have to Pay For?**

Please refer to the "Schedule of Benefits" at the front of this Agreement for Your Cost Sharing responsibilities for Covered Services.

Note that You may be liable to pay for the full price of medical services when:

- You ask for and get medical services that are not covered, such as cosmetic surgery.
- Except in the case of Emergency or out-of-area Urgent Care Services, You ask for and get health care services from a doctor or hospital that is not a Participating Provider without getting Prior Authorization from Molina

If Molina fails to pay a Participating Provider for giving You Covered Services, You are not responsible for paying the Participating Provider for any amounts owed by Us. Ohio State law requires Molina to put this statement into all of its contracts with providers.

Molina is not a member of any guaranty fund, so in the event of the insolvency of Molina, only Participating Providers are prevented from billing You directly for unpaid Covered Services that were rendered by the Participating Provider.

However, in the event of the insolvency of Molina, You may be financially responsible for services provided by non-Participating Providers, whether or not those services were authorized by Molina.

### **What if I have paid a medical bill or prescription? (Reimbursement Provisions)**

With the exception of any required Cost Sharing amounts (such as a Deductible, Copayment or Coinsurance), if You have paid for a Covered Service or prescription drug that was approved or does not require approval, Molina will pay You back. You will need to mail or fax Us a copy of the bill from the doctor, hospital, or pharmacy and a copy of Your receipt. If the bill is for a prescription drug, You will need to include a copy of the prescription drug label. Mail this information to Molina's Customer Support Center. The address is on the first page of this Agreement.

After We receive Your letter, We will respond to You within 30 days. If Your claim is accepted, We will mail You a check. If not, We will send You a letter telling You why. If You do not agree with this, You may appeal by calling Molina toll-free at 1 (888) 296-7677. Call Monday through Friday, 7:00 a.m. to 7:00 p.m. ET.

### **How Does Molina Pay for My Care?**

Molina contracts with providers in many ways. Some Molina Participating Providers receive a flat amount for each month that You are under their care, whether You see the provider or not.

Some providers work on a fee-for-service basis. This means that they receive payment for each procedure they perform. Some providers may receive incentives for giving quality preventive care. Molina does not provide financial incentives for utilization management decisions that could result in authorization denials or under-utilization.

For more information about how providers are paid, please call Molina's Customer Support Center toll-free at 1 (888) 296-7677. Call Monday through Friday, 7:00 a.m. to 7:00 p.m. ET. You may also call Your provider's office or Your provider's medical group for this information.

### **Advance Directives**

An Advance Directive is a form that tells medical providers what kind of care You want if You cannot speak for Yourself. An Advance Directive is written before You have an Emergency. This is a way to keep other people from making important health decisions for You if You are not well enough to make Your own. A "Durable Power of Attorney for Health Care" and a "Natural Death Act Declaration" are types of Advance Directives. You have the right to complete an Advance Directive. Your PCP can answer questions about Advance Directives.

You may call Molina to get information regarding State law on Advance Directives, and changes to Advance Directive laws. Molina updates Advanced Directive information no later than 90 calendar days after receiving notice of changes to State laws.

## COORDINATION OF BENEFITS

This Coordination of Benefits (“**COB**”) provision applies when a person has health care coverage under more than one Plan. For purposes of this COB provision, Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the “**Primary Plan**”. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the “**Secondary Plan**”. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

### Definitions (applicable to this COB provision)

A “**Plan**” is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, health insuring corporation contracts, Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

2. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; supplemental coverage as described in Ohio Revised Code sections 3923.37 and 1751.56; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

- “**This Plan**” means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
- The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan’s benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense. When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more other Plans and may be a Secondary Plan as to a different Plan or Plans.

- **“Allowable Expense”** is a health care expense, including Deductibles, Coinsurance and Copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a Member is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

1. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
2. If a person is covered by 2 or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
3. If a person is covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
4. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan’s payment arrangement shall be the Allowable Expense for all Plans.

However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan’s payment arrangement and if the provider’s contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.

5. The amount of any benefit reduction by the Primary Plan because a Member has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

**“Closed Panel Plan”** is a Plan that provides health care benefits to Members primarily in the form of services through a panel of providers which have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

**“Custodial Parent”** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

## **Order of Benefit Determination Rules**

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.

B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying Plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.

C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

D. Each Plan determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.

(2) Dependent child covered under more than one Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

- The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
- If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

However, if one spouse's Plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), We will follow the rules of that Plan.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;

(ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;

(iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- The Plan covering the Custodial Parent;
- The Plan covering the spouse of the Custodial Parent;
- The Plan covering the non-Custodial Parent; and then
- The Plan covering the spouse of the non-Custodial Parent.

(c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

(3) Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.(1) can determine the order of benefits.

(4) COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.(1) can determine the order of benefits.

(5) Longer or shorter length of coverage. The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.

(6) If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

### **Effect On The Benefits Of This Plan**

When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

If a Member is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

### **Right to Receive and Release Needed Information**

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. Molina may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Molina any facts it needs to apply those rules and determine benefits payable. If You do not provide Us the information We need to apply these rules and determine the benefits payable, Your claim for benefits will be denied.

### **Facility of Payment**

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, Molina may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means the reasonable cash value of the benefits provided in the form of services.

### **Right of Recovery**

If the amount of the payments made by Molina is more than We should have paid under this COB provision, We may recover the excess from one or more of the persons We paid or for whom We had paid, or any other person or organization that may be responsible for the benefits or services provided for the Member. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

## **CLAIMS DECISIONS, INTERNAL APPEALS, AND EXTERNAL REVIEW**

### **Definitions**

For the purposes of this section:

“Adverse Benefit Determination” means a decision by Molina:

- (1) To deny, reduce, or terminate a requested health care service or payment in whole or in part, including all of the following:
  - (a) A determination that the health care service does not meet Molina’s requirements for Medical Necessity, appropriateness, health care setting, level of care, or effectiveness, including Experimental or Investigational treatments;
  - (b) A determination that a health care service is not a Covered Service;
  - (c) The imposition of an exclusion source of injury, network, or any other limitation on benefits that would otherwise be covered.
- (2) Not to issue individual health insurance coverage to an applicant, including initial eligibility determinations;
- (3) To rescind coverage on a health benefit plan.

“Final Adverse Benefit Determination” means an Adverse Benefit Determination that is upheld after the internal appeal process. If the period allowed for the internal appeal elapses without a determination by Molina, then the internal appeal will be deemed a Final Adverse Benefit Determination.

“Urgent Care Service”: means a medical service where the application of non-Urgent Care Service time frames could seriously jeopardize:

- Your life or health or Your unborn child; or
- In the opinion of the treating physician, would subject You to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

<b>Request Types</b>	<b>Time Frame for Decision</b>	<b>Time Frame for Notification of Decision</b>
Pre-Service Claim	Two business days from receipt of all information reasonably necessary and requested by Molina	Within three business days of decision
Concurrent Service Claim	24 hours from receipt of all information reasonably necessary and requested by Molina	24 hours from receipt of all information reasonably necessary and requested by Molina
Post-Service Claim	30 calendar days from the receipt of all information reasonably necessary and requested by Molina	30 calendar days from the receipt of all information reasonably necessary and requested by Molina

**Urgent Care Service Claim** – A claim involving an Urgent Care Service is processed as timely as is possible given the circumstances and will always be processed within no more than 72 hours from receipt of all information reasonably necessary and requested by Molina to make the determination or, if shorter, the period of time required under Section 2719 of the federal Public Health Services Act and subsequent rules and regulations.

## Initial Denial Notices

Notice of an Adverse Benefit Determination (including a partial claim denial) will be provided to You by mail, postage prepaid, by FAX or by e-mail, as appropriate, within the time frames noted above. With respect to Adverse Benefit Determinations involving an Urgent Care Service, notice may be provided to You orally within the time frames noted above. If oral notice is given, written notification must be provided no later than three days after oral notification.

An Adverse Benefit Determination notice will convey the specific reason for the Adverse Benefit Determination and the specific product provisions upon which We base the determination. The notice will also include a description of any additional information necessary to perfect the claim and an explanation of why such information is necessary. The notice will disclose if any internal product rule, protocol, or similar criterion was relied upon to deny the claim. A copy of the rule, protocol, or similar criterion will be provided to You, free of charge. In addition to the information provided in the notice, You have the right to request the diagnosis and treatment codes and descriptions upon which the determination is based.

The notice will describe Molina's review procedures and the time limits applicable to such procedures following an Adverse Benefit Determination on review.

If an Adverse Benefit Determination is based on Medical Necessity, Experimental or Investigational treatment or similar exclusion or limitation, the notice will provide an explanation of the scientific or clinical basis for the determination, free of charge. The explanation will apply the terms of the product to Your medical circumstances.

In the case of an Adverse Benefit Determination involving a claim for Urgent Care Service, the notice will provide a description of Molina's expedited review procedures, which We describe below.

## **INTERNAL APPEALS**

You must appeal an Adverse Benefit Determination within 180 days after receiving written notice of the denial (or partial denial). You may appeal an Adverse Benefit Determination by means of written notice to Us, in person, orally, or by mail, postage prepaid.

Your request should include:

- The date of Your request.
- Your name (please print or type).
- The date of the service We denied.
- Your identification number, claim number, and provider name as shown on the explanation of health care benefits, which You will automatically receive when We process Your claim.)

You should keep a copy of the request for Your records because no part of it can be returned to You.

You may request an expedited internal appeal of an Adverse Benefit Determination involving an Urgent Care Service orally or in writing. In such case, all necessary information will be transmitted between Molina and You by telephone, FAX, or other available similarly expeditious method, to the extent permitted by applicable law.

You may also request an expedited external review of an Adverse Benefit Determination involving an Urgent Care Service at the same time a request is made for an expedited internal appeal of an Adverse Benefit Determination if Your treating physician certifies that the Adverse Benefit Determination involves a medical condition that could seriously jeopardize Your life or health, or would jeopardize Your ability to regain maximum function, if treated after the time frame of an expedited internal appeal (*i.e.*, 72-hours). You may not file a request for expedited external review unless You also file an expedited internal appeal.

Determination of appeals of Adverse Benefit Determinations will be conducted promptly, will not defer to the initial determination, and will not be made by the person who made the initial Adverse Benefit Determination or a subordinate of that person. The determination will take into account all comments, documents, records, and other information submitted by You relating to the claim.

On appeal, You may review relevant documents and may submit issues and comments in writing. Upon request, You may also discover the identity of medical or vocational experts whose advice was obtained on behalf of Molina in connection with the Adverse Benefit Determination being appealed, as permitted under applicable law.

If We base the Adverse Benefit Determination in whole, or in part, upon a medical judgment, including determinations as to whether a particular treatment, drug, or other service is Experimental or Investigational, or not Medically Necessary or appropriate, the person deciding the appeal will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. The consulting health care professional will not be the same person who decided the initial appeal or a subordinate of that person.

If new or additional evidence is relied upon or if new or additional rationale is used during the internal appeal process, We will provide to You, free of charge, the evidence or rationale as soon as possible and in advance of the appeals decision in order to provide You a reasonable opportunity to respond.

#### **Time Periods for Decisions on Appeal**

- The specific reason or reasons for the Final Adverse Benefit Determination;
- Reference to the specific product provision upon which the determination is based;
- If We relied upon any internal Molina rule, protocol or similar criterion to deny the claim, then a copy of the rule, protocol or similar criterion will be provided to You, free of charge;

- If We base a Final Adverse Benefit Determination on Medical Necessity, Experimental or Investigational treatment or similar exclusion or limitation, the notice will provide an explanation of the scientific or clinical basis for the determination, free of charge. The explanation will apply the terms of this Agreement to Your medical circumstances. In addition to the information provided in the notice, You have the right to request the diagnosis and treatment codes and descriptions upon which the determination is based. ## **EXTERNAL REVIEW**

### **Understanding the External Review Process**

After You receive a Final Adverse Benefit Determination, You may request an external review if You believe that a healthcare service has been improperly denied, modified, or delayed on the grounds that the healthcare service is not Medically Necessary.

### **Opportunity for External Review**

An external review may be conducted by an Independent Review Organization (IRO) for Final Adverse Benefit Determinations involving Medical Necessity or medical judgment or by the Ohio Department of Insurance if the Final Adverse Benefit Determination involves a determination that the medical service is not covered by this Agreement. Molina will not choose or influence the IRO's reviewers.

There are three types of IRO reviews involving Medical Necessity or medical judgment, 1) standard external review, 2) expedited external review, and 3) external review of Experimental or Investigational treatment.

### **Standard External Review**

A standard external review is normally completed within 30 days and applied to Adverse Benefit Determinations involving medical judgment.

## **Expedited External Review**

An expedited review for urgent medical situations, including reviews of Experimental or Investigational treatment involving an urgent medical situation are normally completed within 72 hours and can be requested if any of the following applies:

- Your treating physician certifies that the Adverse Benefit Determination involves a medical condition that could seriously jeopardize Your life or health or would jeopardize Your ability to regain maximum function if treatment is delayed until after the time frame of an expedited internal appeal or a standard external review
- The Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care service for which You received emergency services, but have not yet been discharged from a facility
- An expedited internal appeal is in process for an Adverse Benefit Determination of Experimental or Investigational treatment and Your treating physician certifies in writing that the recommended health care service or treatment would be significantly less effective if not promptly initiated

## **External Review of Experimental and Investigational Treatment**

Requests for standard or expedited external reviews that involve Adverse Benefit Determinations that a treatment is Experimental or Investigational may proceed if Your treating physician certifies one of the following:

- Standard health care services have not been effective in improving Your condition,
- Standard health care services are not medically appropriate for You, or
- No available standard health care service covered by Molina is more beneficial than the requested health care service

## **Request for External Review in General**

- You must request an external review within 180 days of the date of the notice of Final Adverse Benefit Determination issued by Molina.
- All requests must be in writing, except for a request for an expedited external review.
- Expedited external reviews may be requested electronically or orally.
- If the request is complete, Molina will initiate the external review and notify You in writing that the request is complete and eligible for external review.
  - The notice will include the name and contact information for the assigned IRO or the Ohio Department of Insurance (as applicable) for the purpose of submitting additional information
  - The notice will inform You that, within 10 business days after receipt of the notice, You may submit additional information in writing to the IRO or the Ohio Department of Insurance (as applicable) for consideration in the review

- Molina will also forward all documents and information used to make the Adverse Benefit Determination to the assigned IRO or the Ohio Department of Insurance (as applicable).
- If the request is not complete Molina will inform You in writing and specify what information is needed to make the request complete.
- If Molina determines that the Adverse Benefit Determination is not eligible for external review, Molina will notify You in writing, provide You with the reason for the denial, and inform You that the denial may be appealed to the Ohio Department of Insurance.
- The Ohio Department of Insurance may determine the request is eligible for external review regardless of the decision by Molina and require that the request be referred for external review. The Department's decision will be made in accordance with the terms of the Molina and all applicable provisions of the law.
- Molina will pay the costs of the external review.

### **IRO Assignment**

- The Ohio Department of Insurance maintains a secure web based system that is used to manage and monitor the external review process.
- When Molina initiates an external review by an IRO in this system, the Ohio Department of Insurance system randomly assigns the review to an Ohio accredited IRO that is qualified to conduct the review based on the type of health care service.
- Molina and the IRO are automatically notified of the assignment.

### **IRO Review and Decision**

- The IRO must forward, upon receipt, any additional information it receives from You to Molina. At any time, Molina may reconsider its Adverse Benefit Determination and provide coverage for the health care service. Reconsideration will not delay or terminate the external review. If Molina reverses the Adverse Benefit Determination, We will notify You, the assigned IRO and the Ohio Department of Insurance within one day of the decision. Upon receipt of the notice of reversal by Molina, the IRO will terminate the review.
- In addition to all documents and information considered by Molina in making the Adverse Benefit Determination, the IRO must consider things such as; Your medical records, the attending health care professional's recommendation, consulting reports from appropriate health care professionals, the terms of coverage under this Agreement and the most appropriate practice guidelines.
- The IRO will provide a written notice of its decision within 30 days of receipt by Molina of a request for a standard review or within 72 hours of receipt by Molina of a request for an expedited review. This notice will be sent to You, the Molina and the Ohio Department of Insurance and must include the following information.
  - A general description of the reason for the request for external review
  - The date the independent review organization was assigned by the Ohio Department of Insurance to conduct the external review
  - The dates over which the external review was conducted

- The date on which the independent review organization's decision was made
- The rationale for its decision
- References to the evidence or documentation, including any evidence-based standards, that was used or considered in reaching its decision

### **Binding Nature of External Review Decision**

- An external review decision is binding on Molina except to the extent Molina has other remedies available under state law. The decision is also binding on You except to the extent that You have other remedies available under applicable state or federal law
- You may not file a subsequent request for an external review involving the same Adverse Benefit Determination that was previously reviewed unless new medical or scientific evidence is submitted to Molina
