Locum Tenens Services Substituting for an Absent Provider

A Molina contracted provider may arrange for a temporary replacement to provide services to their patients as an independent contractor for a limited time due to an illness, a pregnancy, vacation, etc. This is known as a locum tenens arrangement.

Locum Tenens Provider Requirements

- Sixty (60) days is the maximum timeframe allowed per provider, per leave of absence.
• Claims should be submitted by the absent provider’s office or group practice and that office receives payment.
• Must be a Medicaid participating provider.
• Must submit an attachment to Molina with locum tenens provider information prior to seeing Molina Members each time the provider will be substituting for a Molina participating provider.
• May be employed by the same group as the regular/absent provider, but not required.

Billing and Documentation Requirements

• Provider’s office must keep a record of each service provided by the locum tenens provider.
• Claims submitted for locum tenens services performed within the approved timeframe, not to exceed 60 days, should be billed with the locum tenens name in field 51 and NPI in field 54J of the ADA Claim form.
• Do not bill with the absent provider’s information as the rendering provider.
• The tax identification number in field 51 and the NPI in field 54 should be billed with the absent provider’s office or group practice information.
• The payment will be made to the absent provider’s office or group practice at the contracted rate. It is assumed that the locum tenens physician will be compensated by the regular physician on a per diem or similar fee for time basis.

National Provider Identification Number (NPI)

Molina requires all Claims and encounters include an NPI in all Claim fields that require provider identification, as provided below, to avoid any unnecessary Claim rejections.

• In accordance with 5010 requirements, NPIs are mandated on all electronic transactions per HIPAA.

If you do not have an NPI, please visit nppes.cms.hhs.gov to obtain an NPI. Any changes to an NPI should also be reported to Molina within 30 days of the change.
