

Reimagine your workflow with the Availity Portal

Dive into Availity's capabilities with a free webinar

Hi Molina Health Care Provider,

Molina Healthcare of Wisconsin, Inc. (Molina) has chosen Availity to be its exclusive provider portal. As a Molina in-network provider we want you to learn more about the portal. Join us for a free webinar to learn how to manage your patients' healthcare online.

Beginning **June 3, 2021**, Molina will be available on Availity Portal as your one-stop for information and transactions from Molina and other participating payers. While we encourage you to get registered and take advantage of Availity training, you will continue to have access to the existing Molina Provider Portal throughout your transition to Availity.

On Availity, you'll have access to:

- Submit claims, send supporting claim documentation and check claim status.
- Check member eligibility and benefits.
- View remittances and EOPs/EOBs.
- Access Molina-specific resources through a dedicated payer space on Availity Portal:
 - View and navigate through your member roster.
 - Submit claim appeal/dispute/reconsideration.
 - Compare your HEDIS scores with national benchmarks.
 - Submit and view prior authorizations.

Let's get to know each other

Are you new to Availity Portal? We can help you lay the groundwork with a **30-minute introductory webinar on June 9 or June 21**. We'll show you how to get your free Availity Portal account and navigate Availity Portal for basic transactions. Also, learn about payer-specific apps and resources in Payer Spaces.

We look forward to working with you!
