**What to do:** Please review the memo to familiarize yourself with the details of the rate update. In order to receive the enhanced rate, providers must utilize the new rate codes—1030 (Non-Hospital) and 1033 (Hospital)—for any services delivered after date of service July 1, 2023. Molina is currently waiving timely filing for any corrected claims you wish to submit with updated billing, between dates of service 7/1/23 – 11/17/23.
